THE PASTOR'S PEN

Greetings in Christ Jesus!

The first day of the year is the Solemnity of Mary, the Mother of God. The early Christians already called her "Theotokos", which means "God-bearer", for indeed, she bore in her womb the Son of God.

As we begin the New Year, the Church invites us to honor Mary, the Mother of God. Just as human life starts in the womb of our mothers, so also, we begin another year with the mother of all humankind, the Blessed Virgin Mary.

All of us can easily resonate with the experience of having a mother. The thought of a mother always gives a soothing and peaceful feeling to every human being. We often say, "Home sweet home", and this is primarily due to the sweetness and comfort that only a mother can give.

Jesus, the Son of God, experienced this with His mother, Mary. And He wanted to share this wonderful experience with us. That is why, while He was hanging on the cross, He entrusted His mother to us to be our mother also.

The first day of the year is World Day of Prayer for Peace. We come together to pray for peace in the world. We ask Jesus, the King of Peace, to be with us. We do this in confidence because we know that Mary, our loving Mother is with us.

At the start of this year, let us earnestly invoke God's blessing on us and on our loved ones with the words of blessing in the first reading:

"The LORD bless you and keep you! The LORD let his face shine upon you and be gracious to you! The LORD look upon you kindly and give you peace!"

Happy New Year to all!

Fr.Maschio.
