Rest in Peace

We remember those who have died in our parish community this week: Eternal Rest grant unto them O Lord; and let the perpetual light shine upon them. May their souls and the souls of all the faithful departed through the mercy of God Rest in Peace, Amen

Scripture Reflection:

We are all sinners who have offended God and our neighbors. However, God forgives us our trespasses when we ask for His mercy and forgiveness. The Gospel message today is about a man who, having owed a large debt, was forgiven by his master but did not forgive his fellow man.

WELCOME BACK MY DEAR FRIENDS!!!!

It has been a long time since we have seen each other. We pray that you and your families have remained safe and well throughout these many long months of sheltering at home, apart from our friends and loved ones. Personally, it was very difficult to be apart from our children and especially our grandchildren. It is with great joy that we are reunited with everyone while continuing to remain safe.

We have been blessed to have been back to Mass for a couple of months, but we are wearing masks and we are "social distancing."

We scoot out after Mass and we are on our way. I miss the days when we would visit after Mass and chat and catch up with each other!!! How about you?

But, Hey...the bulletin is back! This is another step as we get back to "our new normal."

So, in case you weren't aware, St. Kilian Parish NEVER closed! In recent months we've gradually been "re-opening". We are back to our regular schedule of Masses both during the week and on weekends.

Since early June, we have been baptizing babies like crazy! Our St. Kilian Parish Family is growing in leaps and bounds. We are scheduling baptisms any time we have availability on every Saturday and Sunday. In order to maintain the health and safety of all our families we are scheduling one family at a time. As of the date of this writing we have baptized 51 babies and have over 30 babies scheduled for the months of September and October.

The pandemic has truly put a major wrench in plans for so many young couples who have had to reschedule (often a number of times!) their wedding plans. Since late July we have been celebrating the Sacrament of Matrimony at St. Kilian once again. The gathering of families and friends at the ceremonies are often smaller than usual. In addition, we are wearing masks and social distancing, but...they remain the most joyful celebrations. Please pray for the couples who have recently been married as well as those couples who are preparing for marriage in the next few months. As you can imagine, their stress has been immeasurable.

Under the leadership of our dedicated Directors of Faith Formation and their caring staff, during the last few weeks of August we rejoiced in the celebration of 150 girls and boys receiving their long awaited First Communions. Please join together with us as we pray for these young children and their families.

As September is upon us, and school begins (in whatever form that may be...) let us continue to pray for the safety of all children, their families, teachers, administrators, staff and bus drivers and for all who are embarking on this "unprecedented new normal" in our lives. May God bless us, protect us and strengthen us all for the days ahead!

Be assured of the care and prayers of our Priests, Deacons and Parish Staff always. Peace and God Bless,

Deacon Bill

REST IN PEACE

"If then, we have died with Christ, we believe that we shall also live with him." (Rom 6:8)

Because of our belief not only in the immortality of the soul, but also in the resurrection of the body, the Church professes hope in the face of death, and acts with charity in the funeral rites. The Church provides a number of prayers for the faithful to offer both to accompany the dying of a loved one and to strengthen our faith upon their death. Through private prayer and public funeral rites, we strengthen our faith and hope, comfort those who mourn, and bury the bodily remains of the deceased with care befitting what was the Temple of the Holy Spirit.

STEWARDSHIP

Gratitude, Generosity and God's Grace...

A Stewardship Reflection

These are unknown and uncertain times that we face - as a world, a nation, and a community. Yet in these times, if we can find that in some small way we are able to give thanks for the blessings God bestows on us, reflect on those blessings and share them with others, then we are, indeed, continuing our stewardship journeys – even in the absence of traditional ministerial service.

In the quiet moments of these unprecedented days when our lives and routines are constantly shifting, adapting to new "normals", how do we see that God is *always* working in our lives and in the lives of those we love and who love us? How can we be thankful, showing and sharing our gratitude for all that we have been blessed with? How may we recognize those fleeting and simple grace-filled moments , regardless of the difficulties and frustrations that may arise in each day?

Many obstacles may lie in our path. And yet, if we find ourselves able to recognize those blessings and show our gratitude by reaching out to our brothers and sisters in faith amidst the many challenges and changes in this unique time, we will lift ourselves and each other up as faithful stewards in His name!

The Lord's Prayer

Our Father,
who art in heaven,
hallowed be thy name.
Thy Kingdom come,
thy will be done,
on earth as it is in heaven.

Give us this day our daily bread,
and forgive us our trespasses
as we forgive those who trespass against us.
And lead us not into temptation,
but deliver us from evil. Amen.

My Bedtime Prayer

Now I lay me down to sleep
I pray the Lord my soul to keep
Guard me Jesus through the night
And wake me with the morning light
Amen

REFLEXIONES PARA ENVIAR A SU HIJO DE REGRESO A LA ESCUELA: MOCHILAS Y COVID-19:

Este año es particularmente desafiante ya que los padres se preparan para enviar a sus hijos "de regreso a la escuela". En años anteriores, septiembre se anunciaba como una época de comienzos marcada por nuevos útiles escolares, zapatos nuevos, cortes de pelo, ropa o uniformes nuevos; todo en previsión de ese "primer día de clases". Este año será diferente. Las mochilas llenas de lápices, cuadernos y carpetas nuevas también contendrán desinfectantes de manos, máscaras y pañuelos adicionales. A medida que los padres envían a sus hijos a la escuela, puede haber una "estocada adicional en el corazón" de ansiedad y preocupación alimentada por preguntas relacionadas con la pandemia: "¿Estará mi hijo seguro, protegido contra el virus?" Mucho está, y ha estado, fuera de nuestro control estos últimos meses. El virus nos ha trastornado, muchos aspectos de nuestras vidas han sido alterados. No hay respuestas fáciles ni soluciones rápidas, por lo que confiamos en las "mejores prácticas" definidas por los profesionales para mantener a nuestros niños y a nosotros mismos seguros y saludables.

He aquí algunas sugerencias para facilitarle la transición a la escuela a usted y empoderar a su hijo en el proceso.

Como adultos, establecemos el tono emocional para nuestros hijos. Los niños toman sus señales de nosotros. Si parecemos demasiado ansiosos, preocupados, angustiados, estos sentimientos se pueden transmitir a nuestros hijos. Lo último que queremos hacer es generar más ansiedad en nuestros hijos cuando regresen a la escuela. Recuerde, hace seis meses los niños estaban sentados junto a sus amigos en las aulas; almorzaban en la cafetería mientras estaban sentados con sus compañeros; jugando en patios de recreo. De repente, abruptamente, las puertas de la escuela se cerraron, los pasillos en silencio, las aulas vacías, los patios de recreo abandonados. Refugiarse en casa se convirtió en la nueva norma. Algunos niños navegarán el regreso a la escuela con facilidad, aliviados de estar una vez más con amigos, de regreso a la rutina; regresando a la escuela aparentemente sin cuidado. Para otros, la interrupción de hace seis meses puede expresarse como un trasfondo de preocupación y miedo que surgen en declaraciones como: "Tengo

miedo de que..." o "¿Y si ...?", "¿Cómo sabré qué ...?" otros niños, en particular aquellos que han experimentado una pérdida debido a la pandemia, pueden exhibir comportamientos de ansiedad por separación: aferrarse a usted, llorar e incluso enfermarse físicamente. Como adultos solidarios, emocionalmente presentes con nuestros hijos, los escuchamos, apoyamos y tranquilizamos. Proporcionamos el "lugar de seguridad emocional" para los miedos, preocupaciones e inquietudes de nuestros hijos y, al hacerlo, les permitimos cruzar las puertas de la escuela, esperanzados que lo hacen sin preocupación.

La rutina proporciona una sensación de seguridad y protección, especialmente para los niños más pequeños. Este año, establezca una "Rutina de casa desde la escuela". ¿Quiere que su hijo use desinfectante de manos cuando entre por la puerta? ¿Quitar los zapatos? ¿Cambiarse de ropa? ¿Tomar una ducha o un baño para "refrescarse"? ¿Y la mochila? ¿Dónde la colocará su hijo? ¿Fuera de la puerta? Sea claro al comienzo del año escolar y capacite a su hijo para que tenga el control de esta rutina.

¿Qué ayudará a su hijo a sentirse seguro al comenzar el año escolar? ¿Será esa mascarilla extra en la mochila? O ponerle una foto de alguien especial en el bolsillo de su mochila. Quizás sea una nota de usted. Pregúntele a su hijo qué puede ayudarlo a sentirse menos preocupado y asustado. Los adultos llevan rosarios y rezan - ¿qué le ayudaría a su hijo?

Piense en la resolución de problemas antes de que ocurra. La preocupación y el miedo son el caldo de cultivo para que los monstruos se conviertan en pesadillas. Al discutir las situaciones hipotéticas y desarrollar planes de contingencia, su hijo sabrá qué esperar. Usted reduce el miedo reemplazando lo desconocido con conocimiento apropiado para la edad. Esté preparado para responder con calma y tranquilidad a la pregunta: "¿Qué pasa si no me siento bien en la escuela...? "

Hubo un tiempo en el que llevar máscaras era divertido. Era Halloween. Hoy la narrativa es "¡Los héroes usan máscaras!" Anime a su hijo a ser el héroe / heroína usando su máscara. Incluya una "selfie de rostro completo" de su hijo sin máscara. Esto puede reducir el impulso de quitarse la máscara para mostrarles a los demás "cómo se ven".

Finalmente, apoye a los profesionales de nuestras escuelas. Maestros, enfermeras, consejeros, trabajadores sociales, todos dedicados a servir a su hijo y a su familia para brindar una experiencia académica positiva. Recuerde, ellos serán los socorristas de primera línea que son miembros de su equipo. El personal de secretarias, personal de limpieza y mantenimiento, ellos también experimentan las mismas inquietudes y ansiedades, agradézcales su servicio y dedicación. Y no se olvide de los guardias de cruce de calle y los conductores de autobuses. Muchas lecciones valiosas en medio de esta pandemia, quizás la más importante... estamos todos juntos en esto. Y juntos todos podemos marcar la diferencia. Bendiciones y buena suerte!
