PRESIDENT'S MESSAGE

Terence Matthews

President/Principal

I write this as the 2022-2023 school year begins. Catholic education in the post-pandemic world has its own set of unique challenges. While the faces of our students may finally be unmasked and they no longer sit behind plexiglass shields, their lives have forever been altered by the past 2 years. Whether or not we want to admit it, the pandemic has impacted students and parents alike. We talk about a return to 'normalcy', but the truth is that we aren't going to return to anything. There are new realities, new hurdles and new expectations.

A faith-based Catholic education is a precious commodity. It is special. The hard truth is that the State of New Jersey requires every high school to provide specific core courses for a student to meet graduation requirements. A student can go to any high school across the state and study English, Math, Social Studies, Science, a World Language, Health and Physical Education. So what makes a Hudson Catholic education different? Why should a family pay tuition when they can go to a public school for free?

A Catholic education is a proven formula for success. There have been numerous studies comparing the post-secondary performance of students who attended public and private high schools. The results generally indicate that students who attended Catholic high schools had higher college grade-point averages (GPAs), were more likely to graduate, and were more likely to graduate with a STEM degree. This Catholic school advantage is wide-ranging, benefiting many subgroups of students, including non-white, low income, urban, and low-achieving students. Those are the factoids. They are the sales points that go in a generic Catholic school brochure. But Hudson Catholic isn't a generic Catholic school. The things that don't get in the factoid brochures are the intangibles that make all the difference. And Hudson Catholic has all those intangibles.

When our beloved faculty member, Mrs. Lucas-McGady, was ill before passing away last year, a group of recent graduates would go to her house to sit with her and her husband, Frank. A few weeks ago, one of last year's graduates called me to tell me that her father had passed

away and that she just wanted to reach out because she knew she was loved at Hudson Catholic and needed to connect. The fact that former students feel such a link to their high school that they can instinctively reach out in times of sorrow speaks volumes of what our education is really about. And in their times of joy, whether it's a wedding for an alum, or a victory on the football field, a scholarship to a college, and an "A" on a test in their hardest subject for a current student, they all want to share it with their family here at Hudson Catholic. Our students know they are genuinely loved and they give that love back. Because a Hudson Catholic education is rooted in faith, they know they can turn to us in the times that shake that faith, as well as those that confirm that faith. When your education is centered around God, you begin to see God in your daily life.

The support of our alumni and alumnae, our friends, and our extended families, is the only way we can continue to provide access to this special education. We are not immune to the economic realities of the world, nor are our families. Now, more than ever, we need to continue to open the doors to opportunity that only a Hudson Catholic education can provide. Almost 80% of our students receive some form of grant or aid that enables them to stay at Hudson Catholic. Because of your support, YOU enable them to stay at Hudson Catholic. YOU provide the means for them to experience that love, to be valued, to create a connection that provides a place to which they can always turn no matter where they are on their life's journey. Your support doesn't just give them access to a superior education; you give them access to a better life. Yes, your gift, no matter the size, actually changes lives. I can only ask you to continue changing more lives each and every year. For that, I can never thank you enough.

I invite you to stop by campus on any day. Come by during the day and see the incredible interactions between our teachers and students. Listen to the laughter in the hallways and see the faces of young people whose stories are just being written. Stop by after school and see just how many of our students stay on campus well into the evening. I want you to see the incredible diversity that blends into one fantastic student-body. And when you leave, know that you have given them that gift, and you have given us the gift of their presence.

MAY GOD BLESS YOU.

A handwritten signature in black ink, appearing to read 'Terence Matthews', with a long horizontal flourish extending to the right.

Terence Mathews

President/Principal

1964

THE FUND FOR *Hudson Catholic*

Appeals for the 2021-2022 Annual Fund drew a record response from alumni and friends of Hudson Catholic.

Congratulations to our donors for putting us over the top on our \$250,000 goal for the year with a grand total of \$258,455!

This is the highest amount ever raised for the Fund, proving that the best is yet to come for a school that is on the move and well-positioned to thrive into, past, and well beyond its upcoming 60th anniversary in 2024.

This amount comprised gifts from 375 donors. Although the total number of donors fell below our aspirational and symbolic goal for '790', our total exceeded that of the prior year (263) by 43%.

Clearly, we are on an upward trajectory in participation and total giving that is representative of a winning institution. It says that our graduates and the broader community believe in us, our school, its mission, and how the present administration is stewarding the school to better days and bigger heights.

Thank you to all who gave this past year! We hope to see more alumni join in supporting The Home of The Hawks in the coming year. Think of the powerful result we might achieve for 2022-2023 if each of our 2021-2022 donors told someone else about their support and asked that person, a classmate or friend, to support the great cause that is Hudson Catholic, the sole remaining co-ed Catholic high school in Hudson County!

THE STORY OF *our* GIVING YEAR

The story of our giving year at Hudson Catholic is a story of Engagement. More and more Alumni and friends are responding to the last remaining co-ed Catholic

High school in Hudson County; its incredible diversity of religion, ethnicity, and culture; and its Lasallian Mission of educating the whole person in preparation of a life to be lived in service to others.

They are dialing in to the memory of joyful school days during which they received a transformative educational experience. And they appreciate that we continue to graduate classes 14 years after nearly closing our doors, and never again want to repeat such an emergency.

IT IS TRADITION. IT IS HISTORY.

It is top quality education. It is the knowledge that thousands of kids beat the odds of their academic and economic beginnings, they being one of them.

It is their **HAWK PRIDE!**

UNRESTRICTED GIVING TOTAL

\$250,605

In challenging times, 1964: The Fund for Hudson Catholic helps to weather emergencies and maintain momentum for a school on an upward trajectory. These are the most important funds for mission and immediate impact.

DONOR COMMITMENT

241

Donors from FY'21 who either maintained or increased their giving in FY'22.

STRENGTH OF GIVING

93

The number of individuals and organizations at the \$1,000 giving level in FY'22.

BELIEF IN THE MISSION

117

The number of individuals making their first gift to Hudson Catholic in 'FY22.

NOTE OF THANKS

Gary Ferrari '73
Chief Advancement Officer

Forty-nine years after walking at my Commencement, I was privileged and grateful to don a baccalaureate robe at the 55th Commencement exercise of Hudson Catholic, on June 4th, and walk down the center aisle of St. Aedan's Church ("the Cathedral of Jersey City") as a member of the Administration of the school that meant everything to me as a youth. I cannot tell you what a 'rush' I got from it.

A day later I found myself telling a visiting alum, and then our President, that I was so grateful for having been asked to take this role, as it has given me more than I could ever give to the school. It has been that gratifying. Why? The chance to work with alumni across the many years and donors from the HC community and beyond, is thrilling, invigorating, and immensely gratifying. Consequently, I believe I may be that one person who has, in fact, been able to go home again!

The generosity, the affinity, the gratefulness, the camaraderie that is expressed on a daily basis, in our alumni's love for our school is heartwarming and it makes my role so much easier, so thank you all for putting the wind behind my sails.

Please take the success we have built, and continue to, as a testament to your gratefulness for your life-changing Hudson Catholic experience and your devotion to the future of our school that is both an integral component of our local community and a school that consistently produces better than expected outcomes.

TOGETHER, WE ARE THE HAWK!

A handwritten signature in cursive script that reads "Gary Ferrari".

Gary Ferrari
Chief Advancement Officer

THE YEAR *in* ADVANCEMENT

For the 2021-2022 year, Non-Tuition Revenue of \$1,140,626 represented an increase of 6.5% from prior year, despite donors having to weather the effects of the pandemic, the onset of a bear market, and the advent of high inflation.

The top challenge we faced internally was the need for Advancement to replace \$254,000 of non-repetitive revenue from 2020-21, which was partially filled by the addition of \$154,000 from an anonymous one-time gift of tuition assistance, which, in turn, becomes a challenge to replace in the year ahead.

Highlights of the year included an 11% rise in Unrestricted gifts and 4.1% rise in Restricted gifts, and a slight rise in the ratio of Unrestricted to Restricted Gifts from 41%/59% to 42.5%/57.5%. These are welcome increases, as we always seek to improve the ratio of Unrestricted v. Restricted funds. Unrestricted gifts help optimize our ability to meet unanticipated challenges as they arise, providing the Administration with flexibility in managing the overall franchise.

Annual Fund giving rose 63% year over year. Gross revenue for Events declined 34%. Tuition assistance grants from external scholarship organizations increased 75%, Gifts to The Hudson Catholic Scholarship Program grew 36%.

Within the revenue mix, while we remain ever grateful for having the support of our Alumni Association, the school is becoming less reliant on Association funding as a result of securing a broader base of continuing donors and growing that base. This is emblematic of an institution operating on an upward trajectory.

Some stories within the story. Grant solicitations are being de-emphasized but not discontinued, due to extreme competition for grants, a low incidence of success, and a disproportionate effort needed to build case statements and applications. We will pursue opportunities when invited, or when introduced to key foundation decision makers through alumni and donor relationships.

A drop-off in Leadership Giving was not unexpected due to some prior year windfalls but, as an organization, we must continue to raise the overall participation rate from its present 55%.

Looking ahead, we see opportunities to close gaps presented by non-repeating revenue and forge an increase in revenue: increased Annual Fund giving associated with greater connection with our supporters and greater engagement in numbers as we continue to acquire new contact information; a spring gala event featuring Hall of Fame inductions; higher returns on our Black & Gold Golf event; the addition of more events to our calendar; growth in giving to the Hudson Catholic Scholarship Program; increased giving among Hudson Catholic Leadership groups; and class gifts from reuniting classes.

LEADERSHIP *in* GIVING

Leadership in a private high school comes in many roles, and it is important for those in leadership positions to demonstrate their affinity for the cause they lead, and that their interests and those of the school are aligned. The amount of a gift is a very personal matter, therefore, we encourage only that each member of leadership participate.

We define leadership roles at Hudson Catholic to include the members of six groups. Their cumulative giving for the year is displayed (with overlaps).

HALL OF FAME MEMBERS:

\$19,753

HUDSON CATHOLIC ADMINISTRATORS:

\$14,911

BOARD OF CONSULTORS:

\$12,480

WALL OF HONOR MEMBERS:

REQUIESCANT IN PACE VITA MUTATUR NON TOLLITUR

(Life is changed, not ended)

JULY 1, 2021 – JUNE 30, 2022

They have left us, but we remember them fondly from our school days and for years after. They were a part of our lives and we are richer for their friendship. Hawk friendships last a lifetime, and then some. We present this list of names for all to recognize, remember, and recall the person behind the name and the times we shared together.

HUDSON CATHOLIC GIVING DAY —

*from In The Tradition of
St. Jean-Baptiste de LaSalle*

“St. John Baptist, pray for us” is a decades-old daily recitation at Hudson Catholic. As the founder of the FSC, the acronym for the french Fratres Scholarum Christianarum, for Brothers of the Christian Schools, St. John is the genesis of everything that Hudson Catholic stands for. Gaze upon the beautiful stained glass rendition of St. John that has blessed our campus in the LaSalle Chapel for over five decades.

From 1964 to 2012, we promoted Hudson Catholic as *“Conducted by the de La Salle Christian Brothers.”* After 2012, that reverted to *“Conducted in the Tradition of the de La Salle Christian Brothers.”* It has evolved to *“Conducted in the Tradition of St. John Baptist de La Salle”*. Through it all, we continue to cite our Lasallian Mission, that of educating young people in a Catholic environment through a comprehensive curriculum emphasizing spiritual and social values, designed to encourage individual development and responsibility to the community.

This past year, we observed the **St. John Feast Day** of April 7th by naming it Hudson Catholic Giving Day, to draw more attention to a giving event focused solely on our school, and to break away from the keen competition for gifts on **International Giving Day** in early December.

As a result of that, along with securing a Matching Gift Challenge, we more than **quadrupled gifts to over \$27,000** from \$6,000 in prior year.

hudsoncatholic.org/givingday

CONTINUE THE GREATNESS!

An overriding theme for advancing Hudson Catholic is 'Continue the Greatness'. **WHAT IS GREATNESS?**

- ★ **It is** saving our school and regrettably watching schools around us not be able to do so over that same length of time.
- ★ **It is** watching, through tears of joy, diplomas being conferred to 116 seniors who received a transformative educational experience in the 14th class since that time.
- ★ **It is** sustaining ourselves and growing enrollment back from 260 to 530.
- ★ **It is** charting our way through all the many new learning modalities and social limitations wrapped inside a two-year pandemic.
- ★ **It is** opening school on time and remaining open while nearby schools remained closed.
- ★ **It is** never losing a single school day to that pandemic.
- ★ **It is** seeing the many tributes left throughout our lobby by students for a teacher who they adored, Mrs. Debbie Lucas-McGady.
- ★ **It is** seeing Antonio Sellars, a beautiful young man, WALK down the aisle to receive his diploma.
- ★ **It is** seeing and feeling so many alumni and friends open their hearts to our school because they are eternally grateful for all the Hudson Catholic gave them.

IT IS ALL ABOUT BEING A HAWK.
ABOUT BEING THE HAWK!

THE HUDSON CATHOLIC *Legacy Gift Society*

LEGACY GIFTS THAT ASSURE THE FUTURE OF HUDSON CATHOLIC.

How Will You Leave Your Legacy?

A simple way to continue advancing the mission of Hudson Catholic for years to come is to make or plan a present or future gift in a Living Trust or Will, i.e., charitable bequests.

A Legacy Gift

A Legacy Gift enables you to support Hudson Catholic, while still securing the financial needs of your loved ones and providing you with tax benefits. By including Hudson Catholic in your will or trust, or naming our school as a beneficiary for part of your life insurance policy or retirement fund, you can preserve your assets now and support Hudson Catholic for years to come. A Legacy Gift during your lifetime is another option, by making your age 70½ mandatory distribution from an IRA on a non-taxable basis.

The Legacy Gift Society

If you intend to name Hudson Catholic in your estate plan, or have, please let us know, for appropriate acknowledgment and recognition as part of the Legacy Gift Society. Visit hudsoncatholic.org/legacy to make it happen.

Let's Discuss Your Options Confidentially

Contact Gary Ferrari '73 in the Office of Advancement:

BUILDING THE LEGACY

GIVE THE GIFT OF EDUCATION

THE HUDSON CATHOLIC SCHOLARSHIP PROGRAM

The Hudson Catholic Scholarship Program is growing, and consists of **30 named scholarships** that offer tuition assistance to **37 students** at a collective value of **\$78,000**.

Each year, Hudson Catholic, of its own and through scholarship partner organizations, offers over \$1 million in student aid. The Hudson Catholic Scholarship Program is a vital and growing component of that overall approach, which will be needed more and more into the future.

SIX SCHOLARSHIPS ARE OPEN TO CONTRIBUTIONS:

- | | |
|--|--|
| ★ Capt. Mark Lee '77 Firefighters Memorial Award | ★ Detective Marc Dinardo '89 Police Memorial Award |
| ★ Christian Brothers Award | ★ Medical Arts Award |
| ★ Debbie Lucas-McGady Memorial Award | ★ Young Hawk Alumni Award |

To give the gift of education: hudsoncatholic.org/hcsp

BE THE HAWK!

1964

THE FUND FOR *Hudson Catholic*

THANK YOU! WE MADE IT.

The 2021-2022 Annual Fund Appeal for 1964: The Fund for Hudson Catholic

RAISED \$258,544 Surpassing our Goal

With your support once again, we believe we can grow
our goal for funding in 2022-2023 to **\$300,000!**

HERE'S HOW IT WILL BE USED:

Reaffirming Our Catholic Identity through Peer Ministry

Offering Student Retreats

Providing Tuition Assistance

Attracting & Retaining Top-Notch Faculty

Renewing Our Science Lab Equipment

Building Out Our STEM Program

Supporting Our Top-Rate Athletic Programs

Building a Fine & Performing Arts Program

WWW.HUDSONCATHOLIC.ORG/1964 TO MAKE A GIFT

THANKS A \$MILLION LET'S GO FOR TWO!

For the past two years, we have been fortunate and grateful to bring in over \$1 Million in non-tuition revenue. This is a great base from which to catapult Hudson Catholic to greater heights in the execution of our Lasallian mission.

Suppose we just found a bag of money containing \$1 million?

What might we do with it? Here are some possibilities:

- ★ Build out our **STEM program** to increase student path ways into Engineering & Technology studies & careers
- ★ Build new capabilities in our **Fine & Performing Arts**
- ★ Air condition the **Gym** for year-round use and increase revenue with the extended use of the stage
- ★ Repurpose the **Courtyard** to enable greater use for community events and revenue opportunities
- ★ Install an **LED Display Board** facing Bergen Ave to promote school activities & communicate to neighbors
- ★ Finance a **Capital Campaign** during our 60th Anniversary Year that would raise **\$10 MILLION!** for campus and classroom renewal

SERIOUSLY, WITHOUT FINDING THAT BAG, HOW MIGHT WE GET THERE?

- Major Gifts
- Grants
- Crowdfunding
- Donation of appreciated securities
- Donation of mandatory IRA or 401K withdrawals
- Bequests

Many of these opportunities for inflow come directly from present donors, but could also emanate from other sources known to our donors, who can play the intermediary and make introductions to foundations, philanthropists, or even classmates who have not yet joined the ranks of Hawk Pride by adding their financial support to their moral support.

Maybe you could BE THAT HAWK?!
