Resurrection Greetings!

My dear Brothers and Sisters,

Once again, we are nearing the time of year when we celebrate that great and powerful event… the Resurrection of Jesus Christ!

If there is anything that sets Christianity apart from all the religions of the world, it is the Resurrection.

The Bible tells us that "the wages of sin is death", and even though Jesus Christ died on the Cross, He was taking our penalty upon Him. Death could not hold Him in the grave because it had not right or authority to do so!

In the book of Revelation 1:17b-18 we read: *Don't be afraid! I am the First and the Last. I am the living one. I died, but look–I am alive forever and ever! And I hold the keys of death and the grave.*

When I think of someone “having the keys”, I think of someone who has the authority and right to use them. Rest assured, He does have that authority, and one day will use it to the fullest extent. All of this happened as a result of our Lord's victory over death 2,000 years ago!

Because of this, you and I also have the power needed to share the good news of the Gospel with friends, family and neighbors with whom we come in contact on a daily basis.

The early church was led by bold apostles who were there to witness the fact that Jesus arose from the dead, and they weren't fearful or timid to share!
In the Book of Acts 4:33, we read: *And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all.*

The challenges of the world today can sometimes seem overwhelming, from the ongoing pandemic to political strife and economic struggles. It can be difficult to find a sense of hope and meaning amidst all these difficulties.

However, in the coming days, we will be receiving a great gift. We will become witnesses, like the apostles, to proclaim to the whole world that the power of the resurrection is stronger than anything we face or are challenged with.

We are going to become walking examples that even in the darkest times of our lives, we are not alone, and God is always with us and loves us.

My dear Brothers and Sisters, on behalf of Fr. Dominik, our Clergy and Staff and myself, we wish you a Blessed and Joyous Easter.

Fr. Rafal Kandora, OSPPE

Gospel Reading

On the first day of the week, Mary of Magdala came to the tomb early in the morning, while it was still dark, and saw the stone removed from the tomb. So she ran and went to Simon Peter and to the other disciple whom Jesus loved, and told them, "They have taken the Lord from the tomb, and we don't know where they put him."

So Peter and the other disciple went out and came to the tomb. They both ran, but the other disciple ran faster than Peter and arrived at the tomb first; he bent down and saw the burial cloths there, but did not go in.

When Simon Peter arrived after him, he went into the tomb and saw the burial cloths there, and the cloth that had covered his head, not with the burial cloths but rolled up in a separate place. Then the other disciple also went in, the one who had arrived at the tomb first, and he saw and believed. For they did not yet understand the Scripture that he had to rise from the dead.

Reflective Questions

1. Like the characters in this gospel, we also often encounter the risen Christ in oblique signs and symbols, things that are easy to overlook in all our business. What in your life might be an overlooked symbol of Resurrection?

2. What do you see and feel when you look into a room or some other space and find it empty? Is it truly empty or do you see and believe?

3. The Beloved Disciple entered the tomb. He "saw and believed." We do not physically see Jesus but do we fully believe? Do you understand the Scripture that He had to rise from the dead? What has been your own life's journey to believe?

4. What does it mean to practice Resurrection? Does it mean to follow in the footsteps of Jesus, working to bring about reconciliation, healing, new life wherever this is suffering and oppression? Does it mean to build a loving, welcoming and life-giving community?

5. How can we improve our faith and spirituality through the Passion and the Resurrection?

THE ROLLED CLOTH INSIDE OF THE TOMB

The Gospel of John (20:7) tells us the napkin (Head burial cloth), which was placed over the face of Jesus, was not just thrown aside like the other burial cloths. It was rolled up in a separate place. Is that important? Absolutely! Yes!

In order to understand the significance of the folded (rolled) napkin, you have to understand a little bit about Hebrew tradition of that day. The folded napkin had to do with the Master and Servant, and every Jewish boy knew this tradition. When the servant set the dinner table for the master, he made sure that it was exactly the way the master wanted it. The table was furnished perfectly, and and then the servant would wait, just out of sight, until the master had finished eating and the servant would not dare touch that table, until the master was finished.

Now if the master was done eating, he would rise from the table, wipe his fingers, his mouth, and clean his beard, and would wad up the napkin and toss it onto the table. The servant then knew to clear the table. The wadded napkin meant, "I'm done – I'm finished". But if the master got up from the table, and FOLDED his napkin, and laid it beside his plate, the servant knew that it meant, "I'm not finished yet."

Thus, Jesus' folded (rolled) napkin meant; **I'm coming back!**

Divine Mercy Sunday & Receiving a Plenary Indulgence

In her Diary, St. Faustina records our Lord's promises of extraordinary graces:

I want to grant a complete pardon to the souls that will go to Confession and receive Holy Communion on the Feast of My mercy (1109).

In order to receive a Plenary Indulgence, the three usual conditions of going to confession, receiving Holy Communion, and praying for the intentions of the Holy Father must be met. The Church does permit the sacraments to be received up to 20 days before or after Divine Mercy Sunday (April 16, 2023).

Following the 12:00 PM Mass on Divine Mercy Sunday we will have Adoration of the Blessed Sacrament inside of the church and at 3:00 PM we will pray the Divine Mercy Chaplet.

Fr. Rafal Celebrates 40th Birthday

His actual birthday is not until April 14, but Fr. Rafal spent part of Palm Sunday celebrating a milestone with parishioners; turning 40-years old.

A Look at the Easter Lilly

The Easter Lily is bursting with symbolism. For centuries at Easter time, the white lily has been used as decoration in churches, given as gifts, and adorned in homes.

Known to some as the “white-robed apostles of hope,” white lilies symbolize the purity and innocence of Christ. The white color also signifies peace and hope.

The fragrant flower emerges from an ugly bulb planted in the ground, which acts as a symbol of the resurrection and new life, just as Jesus emerged from the tomb after His brutal death.

The Easter lily acts as a reminder to us to celebrate this season of renewal and rebirth.

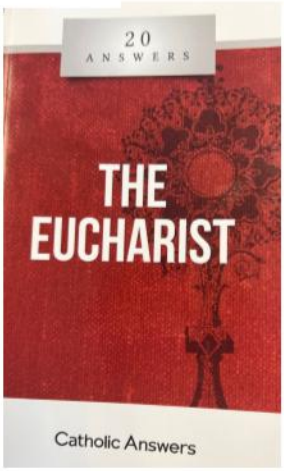
The trumpet shape of the Easter lily fits well into the image of a trumpet sounding the message that Jesus has risen and thus loss becomes a form of rebirth too.

Lilies are mentioned in both the Old and New Testaments of the Bible.

A cautious word to pet owners: Lilies are poisonous to both cats and dogs so it is best not to keep them indoors.

An Easter Gift for You

During this liturgical year the Church is asking us to devote more time learning and developing a deeper devotion to the Holy Eucharist.



Our Easter gift to you this year is a booklet on the Eucharist which we hope will be very beneficial to you and something you may wish to share with family and loved ones.

This is a 64-page booklet by Trent Horn answering questions about the Eucharist which is the Body and Blood of Christ.
