June 2018 *(Vol. 37, No. 6)*

Grand Knight's Message

Shawn Reichhardt

Brothers,

June is here and can you believe that at the end of this month the year will be half over all ready? Is it me or does it seem that as we get older the years just go by so much faster? I have to think it may be because we are just so much busier these days. Our lives are so much more impacted by technology and real time events that at times I wish we could go back 30 years and take a break. But sad to say we cannot and thus we must find a way to move forward and grow. If we do not, then we fall behind and life becomes so much harder. June, for us as Knights, is very important as we will elect our next fraternal year officers. These men will be nominated and elected to their positions and no one position is more or less important than the other. Every position is vital to the success and growth of our council. This is why we need YOU! We need men to step up and take on a personal challenge to help the council but also themselves. Every position is up for grabs, yes every one of them. I ask that you think hard about this and for those of you that feel you can help our council grow, change and be better, step up at our June meeting and run for any position you want to. All elected will take their official office July 1st.

I, personally want to say a big THANK YOU to our current Advocate, James Descant. Brother James has been nothing but a shining light and has guided us, helped solve issues and most of all supported us more than anyone probably knows. Please help me thank James for his years of service as a Knight, Officer, and friend.

Have you ever thought about why June is special? It is the sixth month of the year and with that holds some interesting facts. What did God create on the 6th day? What is our 6th commandment? Why is it that God commands we work for 6 days and must rest on the 7th? Why did God create the six cities of refuge?

Can you see now that the number six represents man and mankind's system of government and just as six is an imperfect week without the seventh day, mankind is incomplete or imperfect without God and as Knights we are incomplete without men? Please think and pray about being more involved with our council as without you, we have no council.

On a side note, on June 2, four transitional deacons were ordained to the priesthood at the Co-Cathedral of the Sacred Heart: Paul Anthony Foltyn, José Luis Gutiérrez, Robert David Hust, Matthew Gilbert Suniga. Please support these great men and keep them and all our priests in your prayers.

Assistant Chaplain's Message

Deacon Will Hunter

Desires of Our Heart vs. the Will of God

Each day we are faced with the desires of our heart. Some days the desires of our heart will move the needle toward the Lord. Most days, however, the desires of our heart move the needle toward what we want and how best we can achieve that goal. This is what has always kept humanity in direct conflict with the Lord, ignoring the will of the Lord. In the book of 1 Samuel you see this theme repeated time and again with God and the Israelites. God sends them a message, the Israelites ignore the message, the enemies of the Israelites conquer them and then the Israelites cry out to the Lord and he saves them from their enemies.

In this time of our life, we act and react to the will of God in the same way the Israelites did in the book of 1 Samuel. The Lord is always talking to us through signs and symbols of the Mass, the Eucharist, prayer and actions. Each time the Lord sends us a message that does not agree with us or we think is unfair, we turn to other people to give us what we want. When that endeavor fails and we find ourselves in worst shape than we did before we ignored the will of God, we cry out to the Lord to save us from our own hard-heartedness, which he always does.

For us to move past the mentality of the Israelites in the book of 1 Samuel, we must consistently submit ourselves to the divine and perfect will of God. We must offer our trust, love and faith to God in a way that allows us to focus on the will of God and not on our own selfish desires. We must admit to ourselves that we are selfish in every way first before we can accept the wisdom, knowledge and understanding of God for us. It is important for us to offer our hearts to God in the same way Christ offered his sacred heart to God for our salvation.

John Buck, President

Brother Knights,

The May council work day fell on the same day as our VIRTUS training class, but I need to give credit to a few good souls that attended both: Richard Pavlas, David Cornelius, Lydia Clifton, Tony Saenz and John Buck. The workers that worked the day were: Kenneth Bollom and Nick Navarro. These volunteers cleaned the hall, set up for the VIRTUS class, removed trash, trimmed trees, edged the sidewalks and driveways, blew off the concrete paths, changed light bulbs and a couple of other jobs. What a crew!!!! Many many thanks for pulling double duty! Thank you all for your work and attending class. Please join this crew next month for maintenance on your facility. Become a volunteer.

Volunteers are seldom paid; not because they are worthless, but because they are PRICELESS!

The NSCC will have elections in June for the Board of Directors. Four men will be elected to fill yearly vacating positions.

Please continue to promote the rentals of our/your facility, we need the income from our rentals to keep the doors open for your council and your enjoyment.

Next workday: June 16
Start time is 7 a.m. and lunch around noon.

***Jaeda Escobedo**, student at Assumption School, represented Council 2917 in the K of C Free Throw Contest. CORPORATE COMMUNION:
June 24th, 10:30 a.m. Mass
Assumption Church, 901 Rose Lane

Men, remember that when we have a Council Corporate Communion, all Brother Knights of Council 2917 are members of the parish that we are celebrating Mass at for the day. We should all try to celebrate Mass together at our Council 2917 Parish as the family of Council 2917. When we show our strength of Unity, we present a positive attitude to the parishioners of our parishes which helps us gain new members to our Order and to Council 2917.

SUMMER FLING: We are just 3 months from our annual Council 2917 fundraiser. The money generated from this fundraiser pays council bills and supports our Council 2917 Charities. If you would like to donate a bottle of whiskey or make a cash donation to the Mini-Raffle, please contact Bennie Bronikowski or John Buck. The Summer Fling raffle tickets are now available. Please contact Bennie Bronikowski, Ed Okonski, or John Buck if you would like to purchase a ticket. If you have other guests that want to attend the Summer Fling Party, additional dinner and dance tickets are available at the door on the day of the event for $10 each per person, per dance, per dinner.

COUNCIL 2917 FAMILY/AWARDS DAY: Men, this is a special day at which we recognize our outstanding members of Council 2917—our Council 2917 Knight and Family of the Months and announce the Knight and Family of the Year. What significance is the Knight of the Year Award? the Family of the Year? The Knight of the Year Award is the highest award that a council can present to its membership, with Family of the Year probably being the 2nd highest award that a council can present . How can you become the Knight or Family of the Year? First, you must be nominated for a Knight or Family of the Month, then of these 12 Knights and Families, one outstanding Family and one outstanding Knight is chosen for these awards. How do you become a Knight or Family of the Month? These Knights and Families are not chosen by popularity, they are chosen through their hard work and dedication to council, church, community, school, youth, volunteerism and other projects. Where do you find yourself in these categories? On Awards/Family Day, we need your presence to honor these Knights and Families as they are presented their award. The date of our Council Awards/ Family Day will be announced next month.

SISTER'S APPRECIATION PARTY is planned for early Fall. This event will follow as usual with entertainment, social, dinner and prizes for the sisters attending the party. If you would like to make a donation to this event, please contact John Buck, Kathy Bronikowski, Lydia Clifton (Ladies Auxiliary President) or Pat Koteras (CDA Regent). This event is a shared event hosted by all 3 organizations housed at Council 2917. More information in the coming months.

SPRING FUNDRAISER: next Spring, Council 2917 will host a new, exciting fundraiser. Committee members on this event are John Buck, Benny Okruhlik, and Bennie Bronikowski. We will start announcing plans next month.

VIRTUS TRAINING: On July 14th from 10:00 a.m. to 1:00 p.m. our council will host another training. Brother Knights, remember that all Knights of the Order must comply by the order of our Supreme Council and Archbishop, Daniel Cardinal DiNardo. The order reads that any Knight volunteering on diocesan owned grounds—be it parish, Catholic school or other, must be VIRTUS trained. The VIRTUS training helps you to recognize an unsafe environment for our children. This means keeping our children, our grandchildren or neighbor's children safe from a child predator. I, as many of you thought, that taking this class would be a waste of time—taking the class out of compliance only. However, there was more information presented that I would not have thought about, and I call myself observant. After the training session, Deacon Will Hunter and other Council 2917 members present had a discussion and felt that with the positive information given to us, we should host another VIRTUS training class at Council 2917. Deacon Will has agreed to be the instructor for this class. Remember, there is no financial cost to you for taking this class, you only need to give up about 3 hours of your time.

Is Your Paycheck Protected?

Most people see work as something that will always be there. We live our lives expecting to wake up, go to work, and complete our tasks throughout the day to provide for our families. Work, and the financial stability that it provides, is often taken for granted. What if one day you wake up and you are no longer able to go to work, through no fault of your own? Accidents and illnesses can affect anyone, at any stage in their career. How will you react to unforeseeable adversity? Do you have a plan in place if you are no longer able to perform your duty?

The Knights of Columbus can help you put this plan in place and prepare for unexpected life events.

Retirement is often planned, but disability is not. Chance favors no man. Too often people say "that will never happen to me" or "I will cross that bridge if it comes." There is no bridge that carries you over the void from gainful employment to disability unless you start planning today.

Disability insurance is often dismissed by working men and women because they think their jobs are fairly safe. Their lives are fairly healthy. Disability — they say — is simply something they will never experience.

The statistics tell a different story.

According to the United States government, a staggering 1 in 4 of today's 20-year-olds will become disabled before reaching the age of 67. The nature of the job is irrelevant. According to the Social Security Administration, 95 percent of all disabling illnesses and accidents happen outside of the workplace.*

Consider a typical male, age 35, non-smoker, who works at an office job with some outdoor responsibilities and leads a very healthy lifestyle. He has a 28 percent chance of being injured or becoming ill and unable to work for three months or longer prior to retirement.**

If this happens to you, not someone else, will you have a bridge to carry you and your family?

If your illness or injury is among the 95 percent that happen outside of work, workers' compensation will be of no assistance to you. 7 in 10 employed Americans say they would feel the financial pinch in a month or less without their paycheck.*** What if your last paycheck really is your last paycheck?

There is a solution, however.

Your membership in the Knights of Columbus gives you and your eligible family members exclusive access to disability income insurance that can help safeguard your paycheck.

With Knights of Columbus Disability Income Insurance, you can ensure you and your family are provided for in the event of unexpected loss of work.

Our disability income insurance is designed to be flexible so that, working with your brother Knight field agent, you can customize it to fit your needs. You choose the monthly benefit amount that's right for you, the elimination period that makes the most sense, and the maximum benefit period for your policy.

By purchasing a disability income insurance policy from the Knights of Columbus, you have the added security of knowing that you are doing business with a Catholic company that makes sure its investments do not violate Church teaching and which has been repeatedly recognized as a "World's Most Ethical" company. ****

You owe it to yourself and to your family to make sure that your financial future is secure, regardless of what happens. Don't be caught off guard by surprises. Be on guard and be prepared.

LADIES AUXILIARY

Lydia Clifton, President

Greeting Ladies,

I attended the Virtus Class at the hall and I learned that this class is good for anyone who is in contact with children. If you are a lector, usher, Eucharistic minister or even in the choir, you should think about taking this class. What about those ladies who help out at church bazaars or fish frys? Yes, you should take this class. It is very informative and you might learn something new like I did. All you have to do is go to our website, kofccouncil2917.org and click the Virtus training link to sign up. Don't have a computer? Schedule a time with me at the hall and we can get you registered.

Don't forget to buy your Summer Fling ticket, they seem to be going fast. Contact Bennie Bronikowski or Ed Okonski for a ticket.

Ladies, we operate the dessert booth at the Summer Fling so we would appreciate it if each of you could bring a couple of desserts. The Summer Fling will be August 27.

Congratulations to Pansy Miller who won the attendance prize of $20. The prize will be $20 at our next meeting. Our next meeting will be on **July 9, 2018.** Dinner starts at 6:00 and the meeting is at 7:00. *Ladies who volunteered to bring desserts for our next meeting are:* ***Gloria Gutierrez, Angie Heinrich and Dorothy Urbanovsky***.
