ST. CATHERINE OF SIENA ROMAN CATHOLIC CHURCH

October 18, 2015—29th Sunday in Ordinary Time

ALL ARE WELCOMED TO OUR PARISH!

We are so pleased that you chose to celebrate with us this weekend. We warmly invite you to active participation in our liturgical celebration. Please feel free to approach one of our Ministers of Hospitality if you are in need of any assistance. No matter what your present status in the Catholic Church, your current family or marital situation, your past or present religious affiliation; no matter what your personal history, age, background, sexual orientation, gender, race, or color; no matter what your self-image or self-esteem: YOU are invited, welcomed, accepted, loved, and respected at St. Catherine of Siena Church in Ithaca, New York.

"IN CELEBRATION!": A CONCERT

One of the things St. Catherine's is most known for is our vibrant and dynamic music ministry. We are so pleased to feature our choir and dedicate our new Steinway piano with a concert of vocal and keyboard music on **Sunday, November 1, at 3 p.m.** in the Church.

Several years ago, it became clear that our already strong music ministry would be greatly enhanced by the addition of a grand piano. The upright Everett piano, graciously donated by Mark and Helen Garvey, served our community well for many years and will continue to serve as a rehearsal piano and accompaniment instrument for events in our new Parish Center. Thanks to the support of Fr. Joe and St. Catherine's Parish, along with generous donations from individual St. Catherine's parishioners, we began a thorough search and tryout of several instruments. Finally, we chose a Steinway "B" grand piano owned by Ken Walkup, St. Catherine's piano technician. The piano was completely restructured by Ken and refinished by Peter Walz. It made its home in our sanctuary in January 2015, but has been away for several months for additional refinishing. It will return to the sanctuary on October 23.

The piano will return just in time for our concert on November 1! The concert—"In Celebration!"— will feature our St. Catherine's choir performing Mozart's *Missa Brevis* in F (K-192), accompanied by William Cowdery and featuring guest soloists Marion Giambattista, Gary Moulsdale, and David Neal from SUNY Cortland's voice faculty, and Ivy Walz from Ithaca College's voice faculty. Guest pianists Alan Giambattista, Mary Holzhauer, and William Cowdery will also perform keyboard music by Liszt, Schumann, and Debussy.

There is no admission charge, but donations will be gladly accepted. Part of any funds received will be donated to a local music organization, with the remaining portion going toward the establishment of a concert series at St. Catherine's.

Please mark your calendars! We hope you will attend the concert to enjoy the beautiful music from our choir and our new piano and to show your support for our wonderful music ministry here at St. Catherine's. We look forward to seeing you there!

Parish-Wide Opportunities

Remembering Our Dead

All Souls Day is November 1, and traditionally the month of November is a time of remembering our loved ones who have passed away. Here at St. Catherine's we would like to remember our dead by placing pictures of our loved ones on the top of the walls of the Church (where the Christmas garland goes) throughout the month of November. If you would like to participate, bring a picture or many pictures to St. Catherine's **by October 25**. They can be of those who have recently died or great-great-grandparents (and everyone in between). Pictures must be in a standup frame (able to stand on its own) and must have your name, email, and phone number on the back. Please use an inexpensive frame, since we can't take responsibility for any breakage. Pictures can be of any size, but small pictures will likely not be seen well, so we invite you to enlarge photos if you can. Pictures will be returned after Thanksgiving.

Laudato Si—A Four-Week Discussion

The Peace and Justice Committee is hosting a four-week discussion on Pope Francis's encyclical, *Laudato Si: On Care for Our Common Home*. Participants are greatly encouraged to read the encyclical over the four weeks in order to fully enter into the discussion. The program will run **October 14, 21, and 28 and November 11 from 7–8:30 p.m.** in the Parish Center. For questions or to register, please contact Jonathan Lunine at jlunine@me.com.

A New Harvest Festival Is Coming!

Our Welcoming and Social Committee has some new and fun changes to our annual Harvest Festival. The Harvest Festival will be held on **Saturday, October 24, from 6-8:30 p.m.** and will include good food and games for the kids as always, but this year we will be adding a "hoe-down" theme that will get us up and engaged with each other in a new way—square dancing! If you have never done it, it is super fun and very easy and takes no skill beyond knowing right from left and being able to follow directions. We are inviting everyone to come to the Harvest Festival in your jeans and plaid shirt (or something square-dancing-ish) and join in the fun. Dinner, games, dancing, conversation, and fun are all planned for the night. Tickets are $10 for adults, $5 for children ages 4–11, with a family price of $30. Reservations are necessary and can be made by downloading the form from our website, or through ticket sellers after Masses this weekend.

Adult Faith Listening Session

Last spring, the Adult Faith Enrichment Committee sent out a survey that almost 100 of you filled out. In the survey, many people indicated a desire to be engaged in some sort of ongoing education, prayer, or faith discussions. This same feedback has come to us via the Time and Talent Surveys that many of you filled out. To help the committee and staff figure out exactly how to respond to this need, we are hosting a listening session on **Tuesday, October 27, from 6:30–7:30 p.m**. If you are thinking about joining a small faith community, a prayer group, a faith discussion group, or anything else that is of interest to you, we invite you to come to this one-hour meeting and share your thoughts, hopes, and availability with us. If you aren't able to make this meeting but would like to add your voice, please email Donna Trana at rtgoblue@aol.com or Ann Marie Eckert at ameckert@dor.org.

A Day in the City

St. Catherine's is hosting a day trip to New York City on **Saturday, December 5,** leaving Ithaca at 5:45 a.m., returning late that night around 12:45 a.m. It is open to everyone and can include some group activities (the Radio City Music Hall Christmas Spectacular, Mass at St. Patrick's Cathedral, etc.). Make your reservations for the trip directly through Swarthout Tours (www.goswarthout.com) for $62 per person. We will have a meeting of all those who would like to talk about the possibility of group activities on **Thursday, November 5, at 7 p.m.** in the Parish Center. Reservations should be made as soon as possible to ensure there is space for you.

In Celebration!—A Concert

Members of St. Catherine's music ministry and guest musicians will present a concert in celebration of our new Steinway piano on **Sunday, November 1, at 3 p.m.** Please see the front cover for more information.

Catholic Ministries Appeal

The CMA provides the resources that the diocese needs to do its essential work—helping the poor through Catholic Charities, educating seminarians and other pastoral leaders, and supporting parish ministry through resources, personnel, and programs. Your participation in this appeal is an important way that you can contribute to the health and vitality of our diocese and our community.

From the Pastoral Council

On behalf of the Pastoral Council we would like to thank the team of who volunteered for Sister Mary's celebration this summer! It was a very special event. Our garden produced 800 pounds of produce for Loaves and Fishes thanks to the skills of Aidan Mackenzie, who built the garden, and Robin Tobin-Fields, who tended it. We also want to thank all the volunteers who worked at Feed My Starving Children as well as those who helped with the Catholic Charities dinner. We also wanted to acknowledge all the efforts of Ann Marie Eckert and Joseph Mazzawi for coordinating the papal Mass trip. Last but not least, we send out a big thank you once again to the committee and volunteers for coordinating and pulling off an incredible Peace Festival.

Read Any Good Books Lately?

St. Catherine's Book Club is looking for books to read for next year. If you have any suggestions for titles for our 2016 book list, please put them in the Book Club box near the Parish Office door *or* email them to Kerry Curran at dawntreader74@yahoo.com. We read current works, tried and true classics, and spiritual titles—in other words, everything! Please submit titles no later than **this Sunday, October 18.** Thank you!

Fitness and Christian Meditation

Pietra Fitness, a fitness exercise program which includes Christian meditation, is being offered at Immaculate Conception School. For more information please contact Pat Ober at pober@me.com or 273-5277.

Children's/Youth Ministry

First Reconciliation Class Reminder

The first preparation class for the Sacrament of Reconciliation will be held **this Wednesday, October 21, at 6 p.m**. in the Parish Center. We ask that the children and parents arrive in time for the session to start promptly at 6 p.m. If we are unable to start on time, we will be unable to end on time. For those parents who attended the Parent Meeting on October 7, you are welcome to turn in the candidate application form at this first class, if you have not yet done so. If you have any questions, please feel free to contact Ashley Blank at 257-2493 or ablank@dor.org.

"In the Loop" with the High School Youth Ministry

This Sunday, October 18, the High School Youth Ministry will have an extended session from 4–6 p.m. Our high school youth will gather as a group at Church to participate in the Teaching Mass with Fr. Joe. We invite families to attend with their teens. Pizza will be provided after the Mass. Please RSVP to Ashley Blank at ablank@dor.org with the number of people staying for pizza. The following Sunday, October 25, the high schoolers will examine the universal call to holiness, exploring that call in the Gospel and the teachings of the Church through a session titled, "Do You Have to Be Dead to Be a Saint? Called to Be Holy." This session connects well with our focus on discovering their Catholic identity, while also learning about saints as All Saints Day approaches.

Middle School Youth Ministry

We are asking middle school youth to gather at the Church for an extended session from 4–6 p.m. this Sunday, October 18. They will be participating in the Teaching Mass with Father Joe. For those youth preparing for Confirmation, this session is a preparation topic and they are required to attend. We are encouraging families to attend this event with their middle schoolers. Mass will be followed by a pizza dinner around 6 p.m. Please let Ashley Blank, know an approximate number attending from your family for pizza planning purposes; RSVP to ablank@dor.org. On October 25, the youth will finish up any of the patron saint projects for the children in Children's Faith Formation.

Unwanted Jeans? We'll Take 'em!

If you have any used or unused jeans that you are looking to donate for a good cause, our Youth Ministry programs would be happy to take them off your hands. In April, our middle youth and their families will participate in a service project for Sole Hope where the fabric will be used to make shoes for children in Uganda. We will be accepting jeans up until this event in April. Thank you for the continued support for our youth ministry programs and the service work they do. If you have any questions or would like more information, please contact Ashley Blank at 257-2493 or ablank@dor.org.

From the Book of Joe

Dear Parish Family,

Several parishioners asked me about the roof proposed for our new Parish Center. As we all know, there have been major issues (such as ponding and leaking) with the roof on the current Parish Center. The plan was to build a new center with a sloped roof to address those issues.

Our new architect did indeed pursue a sloped roof. However, the Facilities Committee and the architect's team decided, after careful consideration, that the sloped roof detracted from the primacy of the Church proper. We then pursued other concepts. Our reasoning was:

- The current roof profile responds to the issue of sightlines from inside the Church. It minimizes the degree to which the view from inside the Church is affected by the new building.
- A pitched gable roof was studied, drawn, and discussed with the committee. The consensus was that the profile diminished the building, making it seem more ordinary and less appropriate for the special purpose to which it is dedicated.
- The proposed roof is not truly "flat." It is sloped at ¼ inch per foot, allowing ample slope for drainage. (The roof structure of the current Parish Center does not appear to be sloped, nor does there appear to be sloped insulation. So it may be literally flat.)
- The proposed roof structure is steel, making it less susceptible to deflection, creep, and short- or long-term ponding of roof water. (The roof structure of the current Parish Center is comprised of wood trusses, which may have a greater tendency to deflect under snow load and may exhibit "creep" over time, leading to short - and long-term ponding of roof water.)
- We do not have the original roofing specifications. However, it is safe to say that roofing membrane technology has progressed since the original building was designed in 1964. The roofing membranes under consideration have warranties which range from 20 to 30 years. This is comparable to the range of warranties for asphalt shingle roofs.
- The proposed design has both primary and secondary roof drains. This will lessen the possibility of a roof drain blockage leading to leaking. (Without the original roof plan, it is not clear that there is a secondary system on the current Parish Center roof.)
- Given that the long axis of the proposed Parish Center runs north–south, the ridge of a sloped gable-type roof would run north–south. This would reduce the efficacy of the intended solar panel array.

We are confident that the new Parish Center roof will be safe and secure for future generations. If you have any questions about the roof or the Parish Center plans, please contact me.

Peace,

Stewardship Opportunities
