This can only be accomplished if we have adorers scheduled for each hour of the day.

Capital Campaign

St. Peter's is a parish of incredible, exciting growth, with new ministries formed, new and young families joining every year, and new opportunities to find Christ present in His mystical church body. Over the last several months, a committee of parishioners and Father Holguin have worked on a multi-phased plan designed to make sure our physical church grows along with our family faith. Implementing this plan will ensure that our facilities remain the sacred, safe places of worship they are today for generations to come. As we prepare to embark on this journey, I ask you to prayerfully consider how you and your family can lend your support to this necessary and exciting next step for our parish family. If we are all willing to sacrifice, together we can achieve great things today for years to come and ensure that St. Peter the Apostle Catholic Church continues to serve as a *Doorway to the Sacred.*

On September 27, the Church celebrated the feast of St. Vincent de Paul, who knew that "God had sent him to bring good news to the poor." Together with your gifts, the members of the Society of St. Vincent de Paul continue his work and mission in our parish.

In the month of September, through your gifts, the Society of St. Vincent de Paul was able to "bring good news to the poor," by assisting families, providing in food, for utility and rent bills, etc. Thank You!
