Catholic Charities
Community Services
Odessa, Texas

Working to Reduce Poverty in America.

"I was hungry and you fed me, what you do for the least of my brethren, you do unto me".
Matthew 25: 31-46

Dear Catholic Friends,

Have you ever wondered what your donations are used for at Catholic Charities Odessa? One of the most important programs we have that serve our community is the Cory Learning Center. I think we all know that a lack of basic education can prevent a community from developing at a steady rate and contributes to the struggle of those living in poverty. Education is key to getting an individual and their family out of poverty allowing them to maintain the household without assistance. Every class offered in the Cory Learning Center help to prepare an individual to become an active contributing member of our community. The Cory Learning Center provides adult students with the opportunity to succeed at home and in the workplace by removing barriers that will ensure that generational poverty can stop. Catholic Charities Cory Learning Center offers classes in GED (Online, In-Class & Spanish), Adult Basic Education, Financial Literacy, Computer Literacy, ESL, and Citizenship Test Prep. Thanks to our incredible donors, like you, that support the good works of Catholic Charities Odessa, we offer these classes free of charge to the community. Every year we have over 450 students that successfully complete these courses through the center. Our GED test prep class is recognized by the State of Texas as a GOLD Star Test Prep Center. On behalf of the students we serve, thank you for your continued support!

For more information on how you can help support the programs offered by Catholic Charities, please visit www.ccodessa.com or (432) 332-1387
