- At the Cardinal's direction, in order to offset parish expenses, we applied for/received federal aid via **2020 Paycheck Protection Program** (PPP) in the amount of **$40,700 in 5/2020**. Without this aid, the parish would have had a significant **deficit.** Rather, for fiscal year ending 8/31/20, the parish had **a surplus of $3,135**
- **Archdiocesan Debt:** at the beginning of fiscal year, 9/1/19, outstanding balance owed to Diocese was $99,511.69. By 8/31/2020, parish paid $11,000 toward that debt, thanks to your continued generosity, through our monthly collections. Balance on debt at beginning of current fiscal year was $88,511.69. Pay down continues monthly.
- **Renew & Rebuild:** We are now in the 4th year of the 5-year Program where you generously pledged $889,579 of which $454,446 has been received as of 8/31/20. We withdrew $49,976 for promised capital projects this year including: restoration of the church front doors/other interior doors ($21,200); repair/ replacement of garage roof ($5,880); and 32 new windows for church office/rectory ($22,896). Most remaining funds reserved for parking lot repaving/underground infrastructure needs, hopefully in the near future.

As you can see, thanks to your continued generosity, St. Stanislaus has managed to stay close to even from a financial perspective. This is a significant achievement given that 6 months of this year we were in the Covid-19 pandemic and the church was totally shut down for 2 months. Your constant support is so much appreciated. I am most grateful for your continued support.

May God Bless you,
Father Jay
