Some Words from the Pastor:

Happy Fifth Sunday of Lent my friends. This Sunday is the traditional beginning of "Passiontide," our movement into the time of remembering the Lord's passion, the suffering He endured unjustly, out of His love for us. We have lots of special Masses coming up to help us walk with the Lord.

One of the ancient traditions of Passiontide is the veiling of crucifixes, statues and images with purple cloth, which we will do in the church this week. This practice takes away from us some of the beautiful things of our faith life, and helps us to think about all that was taken from the Lord in His passion. Seeing all our images covered heightens our awareness of the stark reality that "something is missing". This makes us long for the beauty of Easter even more. It also helps us to focus more on the Word, listening and thinking about the Gospel story of Jesus' passion. This practice of veiling statues and images is something that we can do, not only in the church building, but also in our homes. It is a beautiful and subtle way of entering into the silent and pensive nature of these couple weeks. Then, on the night before Easter, or Easter Sunday itself, you can remove all the veils and place your Easter decorations.

One of the very interesting feasts of the Church that we have this time of year is the Solemnity of the Annunciation, celebrated on March 25. Some scholars think that this was the first feast day celebrated in the early Church, and it was very important, even higher than Christmas! Why, you ask? Well, there was a strong recognition that the great moment that begins the whole story of Jesus' life, isn't His birth. It's the Annunciation. This is the moment when He was conceived in Mary's womb; also called the Incarnation, when God became flesh. This is all set in motion by this moment, Mary's "yes" to the will of God, which we call the Annunciation (the Angel Gabriel "announced" to Mary the salvific plan of God) and the Holy Spirit dwelt within her so that Christ's *living* among us began. Christmas, Jesus' birth, is then celebrated 9 months after this wonderful feast. You are all welcome to join us at the 8:30am Mass, and to do something special on Thursday to celebrate this great feast of the Church.

Awaiting the joy of Easter with all you,

Fr. Josh

Algunas Palabras Del Parroco:

Feliz 5º Domingo de Cuaresma amigos míos. Este domingo es el inicio tradicional de "Passiontide", que significa las últimas dos semanas de cuaresma, y es nuestro movimiento hacia el tiempo de recordar la pasión del Señor, el sufrimiento que soportó injustamente, por amor a nosotros. Tendremos varias misas especiales para ayudarnos a caminar con el Señor.

Una de las antiguas tradiciones del movimiento Passiontide es el velo de los crucifijos, las estatuas e imágenes con tela color púrpura, que efectuaremos esta semana en la iglesia. Esta práctica nos quita algunas de las cosas hermosas de nuestra vida de fe y nos ayuda a pensar en todo lo que le fue quitado al Señor en Su pasión. Ver todas nuestras imágenes cubiertas aumenta nuestra conciencia de la cruda realidad de que "falta algo". Esto nos hace añorar aún más la belleza de la Pascua. También nos ayuda a enfocarnos más en la Palabra, escuchar y pensar en la historia del Evangelio de la pasión de Jesús. Esta práctica de velar estatuas e imágenes es algo que podemos hacer, no solo en el edificio de la iglesia, sino también en nuestros hogares. Es una manera hermosa y sutil de adentrarse en la naturaleza silenciosa y pensativa de estas dos semanas. Luego, la noche antes de Pascua, o el mismo Domingo de Pascua, pueden quitar todos los velos y colocar sus decoraciones de Pascua.

Una de las fiestas más interesantes de la Iglesia que tenemos en esta época del año es la Solemnidad de la Anunciación, celebrada el 25 de marzo. Algunos intelectuales piensan que esta fue la primera fiesta celebrada en la Iglesia temprana, y fue muy importante, ¡incluso más importante que la Navidad! ¿Se han de preguntar por qué? Bueno, hubo un fuerte reconocimiento de que el gran momento que comienza toda la historia de la vida de Jesús no es Su nacimiento. Es la Anunciación. Este es el momento en que fue concebido en el vientre de María; también llamado Encarnación, cuando Dios se convirtió en carne. Todo esto se pone en marcha en este momento, el "sí" de María a la voluntad de Dios, que llamamos la Anunciación (el ángel Gabriel "anunció" a María el plan de salvación de Dios) y el Espíritu Santo habitó en ella para que Cristo comenzará a vivir entre nosotros. La Navidad, el nacimiento de Jesús, se celebra nueve meses después de esta maravillosa fiesta. Todos son bienvenidos y acompañarnos a la misa de las 8:30 am y hacer algo especial el jueves para celebrar esta gran fiesta de la Iglesia.

Esperando la alegría de la Pascua con todos ustedes,

Padre Josh

Revisit screen time recommendations

Parents everywhere are struggling to be parents, teachers, and friends for their children in the midst of the COVID-19 pandemic, many are likely and understandably relying on screens to help them through these seemingly endless days. Many children are also online for school, which only increases their screen exposure. The American Pediatric Association warns parents that too much screen time can lead to sleep problems, lower grades, mood and weight problems, and can keep children from learning how to relax and have fun without a screen present. Try to make time for reading, playing games, and other screen-free activities that will help break the cycle of screen addiction and talk to your children's teachers about how screen time for school can be managed.
