SECOND COLLECTION(S)

In rural Peru, like in many other countries, opportunities for the faithful to celebrate even the basic rituals of our Catholic faith are often few and far between. Frequently, children cannot receive the sacraments of initiation, and Mass cannot be held regularly. Without missionaries and catechists, the people living there cannot learn about, experience and share the beauty of our Catholic way of life. Your support to the Collection for the Church in Latin America has helped train lay people to become Catholic missionaries and catechists in parishes. With your help, people are being trained to bring the love and tenderness of God to these remote areas and have shown people living in Peru the mercy of Christ. For more information on how you can help the Church in Latin America, visit www.usccb.org/latin-america. One of the second collections today is designated for the Church in Latin America.

The second "second" collection is the Catholic Home Mission Appeal. Home mission dioceses are those dioceses in the United States and its territories and former territories that cannot provide basic pastoral services without outside help. Basic pastoral services include Mass and the sacraments, religious education, and ministry training for priests, deacons, religious sisters, and lay people. Right now, over 40 percent of dioceses are considered home missions. Both collections will be taken up as the second collection on the weekend of May 20th.
