## DEBT COLLECTION

### **MONTHLY ASSESSMENT**

The monthly assessment collection will be taken up **second week** of the month this month because of the usccb collection for The Catholic University of America.

## SECOND COLLECTION

### NEXT WEEK

The Catholic University of America is a unique among universities in the United States – even among Catholic universities. Established by Pope Leo XIII and the USA bishops in 1887, it is the national university of the Catholic Church. In addition to alumni who live in your diocese, more than one third of the US bishops and 12,000 priests and religious are Catholic University alumni, including five of the six American Cardinal Archbishops. Through its 12 schools and 23 research centers located in the nation's capital. Every year the University provides an education grounded in the Catholic intellectual tradition to almost 7,000 students.

Next weekend, we will be taking up the National Collection for the Catholic University. Your investment will enable the University to continue to support the Church and to advance its work of preparing the next generation of leadership, both religious and lay, of our Church and nation. Thank you for your generosity. You can learn more at: [collection.catholic.edu](http://collection.catholic.edu).

A total of \$3087 was donated in the collections on Dec 22<sup>nd</sup> & 23<sup>rd</sup> 195 parishioners attended mass. The average donation was \$15.83. Thank you for your generosity

## NEW YEAR'S DAY

Tues. Jan. 1<sup>st</sup> is a Holy Day of obligation, when we celebrate Mary, the Mother of God. Mass will be offered at 8:30am & 7:30 pm. There will be no vigil Mass.

The Council of Ephesus, 431 AD insisted on the use of the title "Theotokos" (Mother of God, or God bearer) for Mary to preserve the teaching of the Church that Jesus was both Divine and human, that the two natures were united in His One Person. Not only was that teaching under an assault then, it is under an assault now, and failing to "get it right" has extraordinary implications.
