SOLEMNITY OF MARY, MOTHER OF GOD

The Solemnity of Mary, Mother of God falls exactly one week after Christmas. When Catholics celebrate the Solemnity of Mary, Mother of God, we are not only honoring Mary, who was chosen among all women throughout history to bear God incarnate, but we are also honoring our Lord, who is fully God and fully human.

Calling Mary, "Mother of God" is the highest honor we can give Mary. Just as Christmas honors Jesus as the "Prince of Peace," the Solemnity of Mary, Mother of God honors Mary as the "Queen of Peace." This solemnity, falling on New Year's Day, is also designated World Day of Peace.

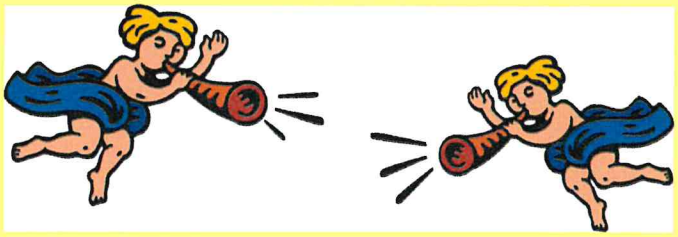
TODAY'S SCRIPTURE

The focus of both of our readings is the significance of "the name." In the first reading from the Book of Numbers, we have the well-known blessing of the Jewish people. When we bless in God's name, it is actually God who is blessing.

The Gospel reading for today recounts the naming of Jesus. Jesus was given the name foretold by the angel at the Annunciation – Jesus, the name which means "Savior."

Today's feast celebrates the naming of Jesus. This feast proclaims that Jesus is the Savior!

LOOKING FOR ANGELS



One of our parishioners is currently undergoing treatment for cancer. If anyone is able to help her by providing transportation to Garnet Health in Middletown, please contact the rectory office for additional information. Your help will be **DEEPLY** appreciated.

PRAYER CORNER

Loving God,
through the power
of your Spirit,
you have made
Mary the mother
of your Son.
In the name of Mary,
we proclaim your glory.
In the name
of Jesus, our Savior,
we rejoice in the gift
of your Spirit,
and we bless your name
forever and ever.

MARCH FOR LIFE

Bus Trip to 50th annual March for Life
Friday, January 20th, 2023

Why we must continue to March…

With the successful overturn of Roe v Wade, the 50 year goal of the March for Life, the end-point of this year's March will no longer be the steps of the Supreme Court, but to the new front in our battle for life, the steps of the United States Capitol!

After Dobbs, some say there is no longer a need for the pro-life movement to gather for the annual March for Life in Washington, D.C. They say we can now solely focus our work on advancing our cause in the states…but this could not be farther from the truth!

The national March for Life is the largest and longest-running human rights demonstration in the world and inspires and unifies the movement to protect human life on every continent. The goal of the March for Life is not only to change laws at the state and federal level, but to change culture to ultimately make abortion unthinkable.

As important as it is to advocate on the state level, there is nothing the Enemy wants more than for 50 years of national energy and momentum to be dissipated as we scatter to fight local battles…

We need each other. We need to stay united. This is especially true for us in New York where the local political situation is so antagonistic to the pro-life cause.
