Merry Christmas! Go ahead . . . keep wishing people a Merry Christmas throughout the season. Our Advent observance was to prepare for the celebration of Christmas, and now our celebration of Christmas should last for a few weeks, at least in the Liturgy. Christmas Season will last right through until the celebration of the Baptism of the Lord on January 13th. Until then, feel free to wish someone a "Merry Christmas!"

THANK YOU FROM THE PRIESTS, SISTERS AND STAFF

The parish is a busy place - especially in the days leading up to Christmas. To all who have been so gracious and kind during the past week or so, and throughout the year - from kind greetings and cards, to gifts and sweets dropped off at the rectory, parish office, or convent . . . thank you!

~Fr. Mark

"What happened to the Buildings and Grounds envelope?"

This question has come up a few times over the past couple of months. So here is an explanation… When time came to consolidate into one standard set of donation envelopes as St. Peter's, some decisions were needed, because the envelope packages for Sacred Heart & St. Lawrence and St. Mary's & St. Joseph's did not match up. We did two things and made them standard for all of St. Peter's. First, we had begun a quarterly envelope collection to support the work of St. Vincent dePaul, as a major outreach in the life of our parish community. Second, Fr. Reilly determined that "there are enough envelopes and second collections as it is," so we discontinued the monthly Buildings and Grounds envelope, which had been in the St. Mary's & St. Joseph's packets. We are MOST grateful to those who made regular contributions to the B&G collection . . . and we hope everyone keeps it in mind that the single largest source of regular revenue for the parish is envelope giving - it's from there that we draw most of the support needed to maintain our facilities. Thank you very much!

Deacon Tom says Thank You!

For those of you that have not seen me since the middle of October on the Altar, it was because I had a hip replacement. I want to say "Thank You" to everyone for your prayers and cards that I received. I hope to be back on the Altar by the first of the year.

May you all have a very Merry Christmas and a Blessed New Year.

God Bless,
Deacon Tom

FAITH FORMATION

Feast of the HOLY Family of Jesus, Mary and Joseph

Whom do you consider family?
The last couple weeks we have shared Jesus' family tree in church and talked with the children about some of the family characters in the Church family tree.
Family is the first place that we learn so much. We learn to love, live and laugh in our families. Our family is the first place that we learn and experience the love of God. The word *holy* means "connected to God." Today, take a family inventory of how you are staying connected to God. Decide as a family one way you can become a more holy family by deepening your connection to God in the coming year. Perhaps you will say grace together at every meal, whether at home or in a restaurant. Or maybe you will take the time to pray together each day before leaving for school or work.

God's blessings of peace, love and joy be upon you and your families this coming New Year.
