Virtually Mother's Day

In non-pandemic years, the month of May usually has a lot going on: First Communions, Confirmations and Ordinations would take over the first half of the month with Prom, graduations and the close of the academic year filling up the end. All of these are important milestones in people's lives, and with only a moment's thought (otherwise she would clock me in the head) it is easy to see why in the midst of it all, we celebrate one of, if not the most important person in our lives and the one who was most likely the driving force behind us completing the aforementioned milestones.

Our Mothers!

And, in non-pandemic years, many of us would be planning to head off for a visit bearing flowers and cards, to sweep her away to her favorite restaurant or make her a meal in her kitchen and then leave her the mess, but this year may be a bit different for many of us. Instead of making the mess in her kitchen, we will probably have to settle with showing her the mess in ours through Facetime and Zoom meetings, hiring Grub Hub to bring her dinner and sending her card in the mail. Not the same but we had better do it our she will kill us, even virtually, and when we do, we know that not matter what, she will smile and be thankful throughout – this time, though, that smile may be because she does not have to clean the kitchen after you…

Moms expect a lot from us, but they give us a lot in return as well, and they seem to have the uncanny ability to peer into the soul. How else can you explain how she knows what we are up to before we even plan it? That she is always waiting in the front room no matter how late we manage to "stroll" in with "that look" that burns into our souls and makes four, innocent words – I am disappointed in you – sharper than a two edged sword?

Yet just even more powerfully, she can be as forgiving as she is just. Is there nothing more consoling than her smile? As healing as her kiss? As soothing to the soul as her saying "I love you" or "I'm proud of you" or <shudder> saying both in the midst of a hug?

Whether you and your mom are close or distant, there is something rather special about the mother child relationship – and this goes beyond the emotional/spiritual and right into the scientific. In the womb, you actually changed your mother's brain. Yep. A study found that moms "undergo neurobiological changes that support developing mother–infant relationships regardless of great individual differences in those relationships." In other words, her brain is changed so that she is less annoyed by your crying (I said *less*) and your presence and every little thing you do makes her happy (well, if it is a productive thing that is – strolling in late, not so much). In other words, she is given the tools she needs to cut through your noise and cheer you on through to you highest potential; because ultimately, she wants nothing more than what is best for her children.

And so, we celebrate our earthly moms the best way we can this year, but I also would like to take a moment to remind everyone that we have another mother who would love to hear from us as well. One who also wants nothing but the best for her adopted children, one who is there to comfort us when we are mired in troubles and celebrate with us in our triumphs. One who can cut through the noise of our lives and being us to the peace we long for. May is the month to celebrate mothers and we all share a common mother in Mary.

This year in light of the ongoing pandemic, Pope Francis has underscored the Church's call for all of us to pray the rosary this month, knowing that when we do so, Mary will lead us to the peace that we seek, she will lead us to Jesus.

So go ahead and get your online calendar set to link up for that Mother's Day Virtual Meeting and spend some quality time with mom, but remember to take out your rosary and set aside some time before or after – or even, dare I say, during? - to do the same.

Happy Mothers Day!

A Time to Take the Long View

By Deacon Jim Minor

There is a famous prayer that is closely associated with St. Oscar Romero that begins, "It helps now and then to step back and take a long view." To continue our series on "There is a Time," it does help, given the pandemic we have been facing, to step back and take a long view. While that certainly could be difficult when we are faced with adversity, sickness, struggle in whatever form; financial, emotional, spiritual; and maybe even mortality; ours or someone close to us; it does help to see that God is present during those times.

A basic tenet of our faith is that God created the universe and that He did so in a loving way. This is a constant for us, and we know and believe that God is right here with us; embracing us and guiding us with whatever we are facing.

When we look at ourselves and we take the long view, while it doesn't diminish the present, it does provide us with a sense of hope and being grounded. The circumstances we face can certainly contribute to our hope being dimmed or even extinguished. But if we remember in our prayer and in our thoughts God's loving presence, that helps maintain that sense of hope. That is certainly a grace and gift of our faith.

I know for myself and my family, we have talked about how far we have already come during these past weeks. While we all wish to return to normal, we also can feel a sense of hope that we've come this far, and we can certainly continue on. That is because we have the support of a loving God, first and foremost; but also, the work of God being accomplished by the people in our lives. We can also be a beacon of hope for others who might struggle with this at times.

Let's continue to pray for one another, support and check in with one another, and realize that we will get through this.

Eucharistic Adoration

For those who have been missing this time in prayer, we have created a virtual "hour" (45 minutes) of adoration that includes Exposition and Benediction and about 30 minutes of silence in front of our monstrance. Feel free to pause the video during the silent time to extend your prayer time.

"The mark of the Christian is the willingness to look for the Divine in the flesh of the babe in a crib, the continuing Christ under the appearance of bread on an altar, and a meditation and a prayer on a string of beads."
~ Archbishop Fulton J. Sheen

Special Intention for May 11, 2020

For all those who risk their lives to comfort and save the lives of others.

Come, help us pray.

So, what are YOU doing at home ?

Do you have some ideas to share that might inspire someone else? What are you doing with your kids? How are you staying in touch with friends and family? We received some GREAT ideas over the past week and these parishioners hope they might inspire you! Please continue to email your ideas to us at parishoffice@princeofpeacecatholicchurch.org. And watch the bulletin next week to see what others share!

- Measure plants' growth outside...have kids use rulers and record in "journals"/on paper...check every few days or once a week. Good for younger kids learning inches - older ones can use metric measurements.
- Plants seeds in containers...let kids do this and be responsible for their own plants. (Or use starter shoots from plants you already have.)
- Many museums are offering children's activities to do at home...Kohl's Children's Museum has some good activities to check out via video…(science and math, art).
- Set up "stations" outside...kicking soccer ball with partner, bike or scooter ride, blowing bubbles, chalk on the sidewalk or driveway. Rotate every 5 or 10 minutes depending on age of the kids.
- Visit the site https://zoo.sandiegozoo.org/live-cams The live cams allow you to watch animals at the San Diego zoo, like the baboons, penguins, polar bears, apes, koalas, giraffes, elephants, tigers, owls & condors! This website is great to bookmark and go back throughout the day to look!
- Paint colorful rocks and leave them below/at neighbors' mailboxes.
- Make handmade cards to send to family members to stay in touch.
- Family members get to request dinners they like and also practice their cooking skills!
- Family walks in neighborhood, forest preserves, exercise videos on YouTube for individual or as a family
- Evening fires with s'mores!
- Check out the site https://www.tasteofhome/article/free-virtual-tours for an article containing links to over 25 places around the world where you can take virtual tours of historical and cultural sites!

Prince of Peace Catholic Church

135 S. Milwaukee Avenue
Lake Villa, Illinois 60046

Dear Prince of Peace Parish Family,

It is encouraging to see so many people engaged in the life of our parish, supporting one another during this difficult time. From the numbers we see connecting to recorded Masses and prayer opportunities, to our continued ministries supporting student e/alternative learning, youth group connections, expanded use of Flocknote and Formed and our telephone outreach, our parish family remains united as we bring the Good News of Jesus Christ to our community.

The Finance Council and I want to ensure you have a clear understanding of the impact of the COVID-19 pandemic on parish operating income and expenses. We project a near $60,000.00 parish shortfall in this year's church budget due in large part to decreased weekly offertory and Easter collections. The Sunday offertory since March 15, including Easter, is 34% below the amount for the same period last year. We also anticipate ending the fiscal year with an additional $52,000.00 shortfall in the school due to the cancellation of our spring fundraisers. Looking to the 2020-21 school year, having cancelled our Annual Rummage Sale, we will begin the year $40,000.00 under budget.

While we have been able to lower some expenses by discontinuing services and reducing utility usage, the wages and benefits of our employees continue to represent the largest share of our operating costs. Our parish and school staff is working hard to maintain the life of our parish and address the needs of our more than 8000 parishioners and 500 students in our religious education and school programs.

Over the years you have come to know and understand that we budget and use a frugal eye when it comes to our expenses. With the assistance of the Archdiocese of Chicago, our parish applied for and received a CARES Act Paycheck Protection Program loan. In accordance with the provisions of the Act we must only use these funds to pay payroll and utility expenses over the next two months. Any unused funds will be returned at the end of the two-month loan period. In addition, we are hopeful that much of the CARES Act loan will be forgiven.

The Finance Council and I understand that this is a time of economic uncertainty and are truly grateful to those who have been able to continue supporting our parish. We remain one family of faith and everyone's contributions of time, talent and treasure are vital to the life of our parish.

May God bless you, your loved ones and our entire Prince of Peace family during the difficult time as we fulfill our mission; *Empowered by the Holy Spirit, we are a Catholic Community. Open and Willing to Share Christ's Presence and Love with All God's Family*.

Sincerely yours in Christ,

Fr Gerald Walsh

FREQUENTLY ASKED QUESTIONS

Why is our parish receiving CARES Act loans through the Paycheck Protection Program?

Our parish has experienced a decrease in operating income resulting from the absence of regular offertory contributions due to the suspension of weekend Masses and public liturgies. Additionally, our parish has experienced financial losses from the absence of an Easter collection, which provides an important part of our overall annual offertory. Our parish has also had to cancel fundraising events, which contribute material amounts of monetary support to our budget each year. Our ability to reschedule those fundraising events in the future is in doubt. The uncertainty related to the economic situation of our parish made the Paycheck Protection Program (PPP) loan necessary for the ongoing operations of our parish. In accordance with the provisions of the CARES Act, our parish must only use the PPP funds to pay for payroll and utility expenses over the next two months.

With public Masses suspended, what has been the financial impact on our parish?

Sunday offertory is 30% below the weekly average since March 15. Because our parish operates within our budget, this reduction in offertory is significant and impacts our ability to continue to meet payroll.

What services is our parish providing during this time?

Our parish employees are providing a significant number of services and resources during this time, including but not limited to:

providing recorded Masses and liturgies;

facilitating virtual prayer groups and faith formation opportunities online;

conducting outreach to parish families and senior citizens, such as:

* redirecting our food drives to local pantries
* providing emotional and spiritual support
* ensuring that the most vulnerable have access to vital resources
* educating more than 500 students in our religious education program and parish school

Why is our Catholic school receiving CARES Act loans through the Paycheck Protection Program (PPP)?

The cancellation of fundraising initiatives as a result of COVID-19, has had a negative impact on our schools' finances. Our Catholic school staff and educators continue to work each school day to provide quality online instruction to our students, and the PPP loan is necessary to support the payroll needs of our school staff and educators.

Do faith-based organizations such as the parishes and schools of the Archdiocese of Chicago qualify for a Paycheck Protection Program (PPP) loan?

Yes. The CARES Act contained specific provisions which make our parishes and schools eligible for PPP loans. Each parish and school maintains its own budget for staff payroll and operating expenses. Given the current economic uncertainty and long-term negative financial impact of COVID-19, the PPP loan request is necessary to support ongoing operations of our parishes and schools.

Are we using any parish savings?

To date we have not needed to access our savings, however at the current level of contributions it will become inevitable. The Paycheck Protection Program loan was sought because of current economic uncertainty about our

(continued on next page)

ability to satisfy payroll and other operating expenses, as well as the uncertainty surrounding the long-term negative financial impact resulting from decreased offertory and the cancellation of fundraising events over the coming months.

How much money did our parish receive through the Paycheck Protection Program (PPP) loan?

Based on the rules of the CARES Act, all PPP loan applications are based on a 2.5 month multiple of our average payroll expenses for the previous 12 months, which for our parish equates to $242,562.67. This money is to be used for payroll and utility expenses only. If there are any excess loan proceeds that cannot be applied to payroll and utilities within the 8-week loan period, those loan proceeds will be promptly returned.

"The stone which the builders rejected has become the cornerstone." (1 Peter 2:7)

Every person has been given gifts from the Holy Spirit. These are called "charisms" and they are used to build God's kingdom on earth. While many people are able to recognize their natural talents and abilities, they may be unsure of their charisms. If you know someone who is struggling for a direction In life, give them a little encouragement. Help them discern their charisms and how God is calling them to use them. Remember - no gift is too small or insignificant in God's salvation plan.

How do I handle my Sunday Contributions during this Time …

There is a "Donate Now" button on our parish website that you can use for your Sunday and Easter donations. You can also sign up for continued Electronic Giving for your Sunday Stewardship contributions, either by direct debit from your bank account or credit card, on a monthly or weekly basis. A form is available on the next page. After signing up, never worry about forgetting your envelope again! It continues your support to Prince of Peace when you are out of town, on vacation or unable to attend Mass.

When we return to Mass, there are cards available on the credenza in the gathering space that say, "I Support the Parish through Electronic Giving." The card can be placed it in the collection basket instead of your envelope.

Parishioners who donate electronically to the Sunday collection receive a quarterly envelope packet, which contains envelopes for any special collections (i.e. Sharing Parish, St. Vincent de Paul & Archdiocesan collections) rather than the full monthly packet you receive now. Providing you with this new quarterly packet results in a savings to the parish.

If you prefer to write a check and use your envelopes, please mail your Sunday donations to the parish. Thank you for your continued support of Prince of Peace!!

ELECTRONIC GIVING FORM

Our Electronic Giving program assures a continuation of your support even when you are not here. We encourage all of our parishioners to seriously consider utilizing this program. Most of us find that we attend Mass at parishes other than Prince of Peace during the year, related to vacations, family events, etc. We have received positive comments from parishioners who already utilize this program such as, "this makes it so much easier" and "I have peace of mind knowing that when I am out of town my obligations have been met."

Direct debits and credit cards can be processed dependent on your preference. Please see below for options. If you require a different schedule please call Barb Ruhl, in the parish office.

I (we) hereby authorize Prince of Peace Church, to initiate debits to my (our) account as indicated below. I (we) authorize the financial institution below, to credit the amount of such entries to my (our) account. This authority is to remain in full force and effect until I (we) revoke the agreement. Any revocation is effective only after Prince of Peace Church has received notification from me (us) to terminate this agreement in such time and manner as to afford a reasonable opportunity to act upon the notice.

Rest in Peace

Our prayers and sympathy to the families of
Maryann Vandervalk (mother of John Vandervalk),
Julie Ciric (niece of Roxanne & Jasper Thompson),
James Gianfagna
(brother-in-law of Cindy & Tom Nagelhout),
and the recently departed.
Eternal rest grant unto them, O Lord.

Act of Spiritual Communion

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul.
Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You.
Never permit me to be separated from You.
Amen.

A Prayer for Vocations:

Heavenly Father, Your divine Son taught us to pray to the Lord of the harvest to send laborers into His vineyard. We earnestly beg You to bless our Archdiocese and our world with many priests and religious men and women who will love You fervently, and gladly and courageously spend their lives in service to Your Son's Church under the guidance of the Holy Spirit. We pray that their lives may be always centered on our Eucharistic Lord; that they be always faithful to the Holy Father; and that they may be devoted sons and daughters of Mary, our Mother, in making You known and loved; and that all may attain Heaven. Bless our families and our children and choose from our homes those whom You desire for this holy work. We ask this in Jesus' name. Amen.

New and Current Parish Members:

Prince of Peace staff and the Communications Ministry frequently videotape or photograph participants enjoying programs, Masses and other events at our facility. These photographs are taken for use in parish publications, flyers, our website, brochures and future materials. All photos and videos taken on Prince of Peace property are for parish use and become the sole property of the parish. If you or a member of your family does not wish to be photographed, please contact the parish office.

Please inform the parish office of any additions to your family, changes in member status or address changes. All Catholic adults, 18 years old and no longer in school, who live within the parish area should register in their own name. Active and supporting membership includes offering one's time, talent and treasure to assist in promoting the Gospel and the mission of Prince of Peace Parish. Please help us maintain our parish records by registering or advising us of changes as soon as possible. **Welcome to Prince of Peace! We are glad you are here!**
