10/29 **Friday: Boo! Scare away drugs!** (wear a Halloween/Fall colored shirt with jeans or sweatpants)

We are pleased to announce that our 7th grade girls Volleyball team not only came in first for their conference, but also took first place for their conference tournament last night! Way to go girls!!

Mrs. Formica is hoping to borrow 4 additional bag sets for gym class for November and December. Please contact Mrs. Formica if you are able to help! Please drop off your bag set down by the gym doors. Please make sure your name is on your set.

2nd Grade takes the lead…..

Don’t forget to register for the Turkey Trot!

Winning the class competition will be based upon the number of registrants per grade. On the signup link, there is a spot to indicate which class a registrant is supporting.

https://www.givecentral.org/location/44/event/31509

1st place – 1 week out of uniform and a lunch party with dessert

2nd place – 3 days out of uniform and a fun activity

3rd place – 1 day out of uniform and a fun activity

As for the race itself, please consider a few options;

- Feel free to complete the race on you own through November.
- If you are interested in “trotting” with a group, please make a note in the comments section, and we will try to coordinate a group, an unofficial time, date, and location.
- Consider a Thanksgiving morning run with your family!

Turkey Pops

It's time to order your Turkey Pops! Send your friends a Tootsie Pop to enjoy over Thanksgiving Break! Place your orders using the form below. Return with payment by November 10th for delivery on November 22nd.

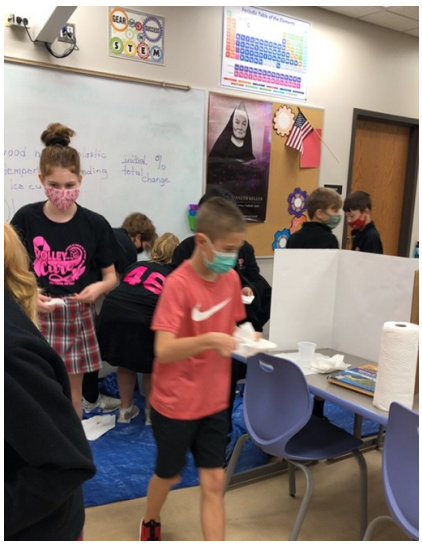
All money raised is donated to the 8th grade trip! Thank you in advance for your support!
~ The Class of 2022

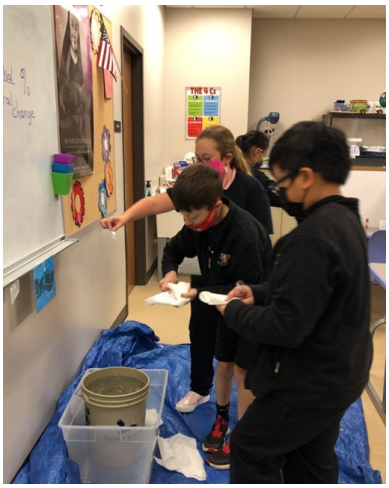
Your name_____
First and last name

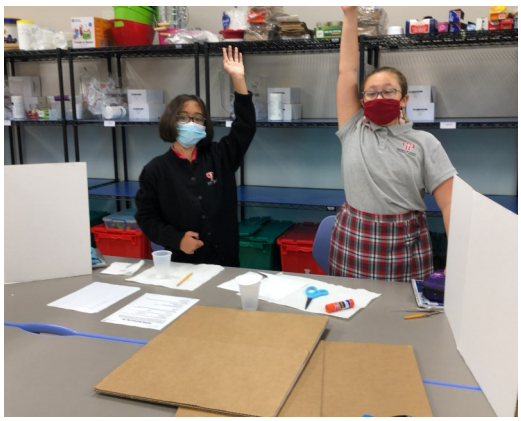
First name	Last name	Grade	Number of pops	Cost $0.50 each

Total number of pops	Total money enclosed

The 6th grade students learned about the factors that contributed to the first human societies. In order to survive the students had to acquire food, shelter, and water. The first day the students attempted survival on their own. (Two survived) The second day the students worked in a group to acquire food, shelter, and water. (All survived) Besides learning the value of cooperation, the students also discovered the value of the close proximity of a river or water source to early civilization development.







SCHOLASTIC

BOOK FAIRS

Books bring us together!

Thank you for supporting our Book Fair! If anyone missed visiting or has additional items they wish to purchase, please feel free to continue shopping our online book fair until October 27th.

NAR

THE AMERICAN ROCKETRY CHALLENGE

Calling all volunteers!!

Pizzazz is one of our biggest fundraisers every year. We are in need of a chair, or co–chairs, for this event. Please consider your time and talents for this crucial POP fundraiser. Please email Sandy Stanton if you are interested. Thank you in advance for your commitment to our school and the success of Pizzazz!

SUBJECT: Increased prices for Chromebook repairs

Parents and students of Prince of Peace School,

At the beginning of each school year, all students are required to read through the "Student Technology Use Agreement" guide, sign, and return the last page of the document. The purpose is so students and parents are aware of our policies for using educational technology, and the responsibility your student has for the equipment we use every day in the classrooms. On the last page of the document is a listing of the repair costs for a damaged chromebook. In the event, a device is damaged, the assigned owner is responsible for the repair or replacement of the device.

It is no surprise, the current technology shortages have taken a toll on availability and pricing of electronic equipment and parts. As a result, the repair costs have changed and this letter is to inform you of these new costs. You may also notice a few additional items on the list. The newer chromebook models have a more complex makeup of parts, thus resulting in a different list of components to effect said repairs.

Broken Screen	$175
Keyboard	$150
Charger	$50
Front Case Damage	$100
Back Case Damage	$50
Motherboard	$200
Hinges	$50
Replace Device	$500

HALLOWEEN DRIVE-IN
10/29/2021 @ 6:45 PM

Families will receive a parking space to park in, as well as a space next to you.

Join us for a Halloween themed family movie event at Hunt Club Park.

$20 per car. Costumes are encouraged.

Register online at GurneeParkDistrict.com
ID# 216208-01

Holy Hour for Vocations

Special Time ½ hour 9:00 A.M. for School Students and School Parents

Join us for a Holy Hour on Wednesday October 27th at 7:00P.M. (Open to the Public and all Parishioners) in the Church to pray for an increase in vocations to the priesthood and religious Life. For Adoration we will be using a beautiful historic monstrance that was used at the 1926 International Eucharistic Congress held on Mundelein seminary grounds. This will be a great opportunity to come together in prayer and learn more about the vital mission of Mundelein Seminary in forming our future parish priests.

For more information please contact Fr. John Hetland at the parish office.
