Mission Appeal

Next weekend, **May 26th/27th**, please welcome ***Sister Gaudiosa Fidelius*** from **The Congregation of Franciscan Sisters of St. Bernadette** in Tanzania, East Africa. There will be a *second collection* for this important Mission Appeal.

At present, this community has great challenges and needs. These people face an acute shortage of water, mostly in the dry seasons. Women, vulnerable elders, and children are forced to walk long distances to search for water. The water which people drink from contaminated rivers cause one out of three children to die. In addition, water from those unsafe sources always leads to eruptions of dangerous water borne diseases such as Typhoid, diarrhea, cholera and dysentery. This initiative will improve and reduce health problems for children and the entire community.

Your support is highly appreciated. ***Thank you.***

Pentecost

"There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone." *(1 CORINTHIANS 12:4-6)*

All of us are blessed, regardless of our own individual circumstances; God has given each of us many gifts. How we use those gifts is our gift back to God. For God's plan to work, each must do what we are called to do and guess what - we are not all called to do the same thing!
