National Catholic Schools Week

National Catholic Schools Week (CSW) is an annual celebration of Catholic education in the United States. Now entering its 47th anniversary year, CSW has traditionally been held the last week in January. This year, Catholic Schools Week will be held the week of Jan. 31 to Feb. 6, 2021. The theme is Catholic Schools: **Faith. Excellence. Service.**

We want to share with everybody what makes Catholic schools the best when families are looking to find the right school for their children.

St. Anna School will observe the week with Masses and other activities for students, families, parishioners and community members to celebrate and congratulate.

Even though this year this pandemic makes it different,
let us make CSW our own!!

As we celebrate Catholic Schools Week this year, please let us take time to show our gratitude and appreciation to all those who dedicate their lives to ensuring Catholic education remains a vibrant and accessible option for all students. And please encourage others to consider a Catholic school education. Let us pray for all our St. Anna School students, teachers, faculty and staff. May they be abundantly blessed and protected by the loving hand of St. Anna.
