St. Mary of Vernon
Renew My Church Vision

We envision St Mary of Vernon to be a place of belonging where we encounter God, share in His blessings, and build lasting relationships within our community.

As Catholics, the source & summit of our faith is the Eucharist. As a people of faith, everything we do begins with the Eucharist, it is strengthened in the Eucharist, and reaches its completion in the Eucharist. We endeavor to create welcoming & vibrant liturgies that point the community to receive Jesus Christ who is truly present, body, soul and divinity. Jesus nourishes us and sends us to spread the message that "the bread that I will give is my flesh for the life of the world." (John 6:51)

In a fallen world distracted by busy daily lives, St Mary of Vernon strives to create a culture of warm welcome, intentional hospitality, and deep personal connections with the Eucharist at our center. This will foster the development of disciples of all ages who live the gospel through their witness, love of neighbor, and self-sacrificing service as we say "I will demonstrate my faith to you from my works." (James 2:18)

We are also keenly aware of the challenges facing our families and are committed to supporting them in their faith journeys. In order to create a vibrant family of faith at St Mary of Vernon, we will build a stronger sense of belonging for kids and teens, and create continual opportunities to learn, grow, and serve for all ages. We will continue our commitment to protect our children, the future of our faith, and help them foster personal relationships with Jesus Christ.

As we emerge from the COVID pandemic, we will strengthen our communal ties through a focused commitment to invitation and engagement in outreach ministries and Christian fellowship. These stronger communal ties, built on trust and friendship, will allow us to more effectively "Bear one another's burdens, and so you will fulfill the law of Christ." (Galatians 6:2). As we bear our neighbor's burdens, we must also encourage them, walk with them, and continually point them to Jesus in the Eucharist.

It is with faith in the Holy Spirit, the intercession of Mary, and firm conviction in our faithful community, that we set St. Mary of Vernon on this path of renewal.

FROM OUR PASTOR

On Wednesday August 31, 2022, our parish staff and deacons had our yearly retreat at Joseph and Mary Retreat House in Mundelein. It was directed by Fr. Kevin Feeney, the director of the retreat house. The theme of the retreat was: The Eucharist: Power for Personal and Parish Transformation.

The day began with morning prayer, followed by a silent time of meditation on SMV's Renew My Church Vision Statement. Then sessions on Eucharist as a Meal, Eucharist as a Sacrifice, and Eucharist as The Real Presence.

In the silent meditation on SMV's Renew My Church Vision Statement, we were asked to carefully read over, or pray over, that vision statement in silence for five minutes. Each person was to be attentive to what caught their attention, what they did not understand, what they would like to return to later, and/or what was challenging for them. Here are some words and phrases some staff members said struck them in the vision statement:

"Challenges and continual opportunities." A staff member pointed out that looking at the vision statement, what caught her attention was that it would be a great challenge to accomplish what we had set out to do. Despite these challenges however, she observed that this vision also provides us an opportunity for growth and renewal.

A few staff members pointed out that what struct them was the line, "I will demonstrate my faith to you from my works." This line is from the Letter of James (2:18). It calls us to works of charity. When applied in the context of SMV's Renew My Church Vision Statement, a staff member sees this statement to mean that his job at SMV is contributing to the common goal of our parish, the ministry of St. Mary of Vernon.

Reading the vision statement, a staff member noticed that the word relationship or a phrase suggesting relationship appeared five times. First in paragraph one as "lasting relationships." Second in paragraph two as "deep personal connections." In paragraph four as "personal relationship with Jesus Christ." And twice in paragraph five as "communal ties" and "stronger communal ties." This was not a mistake. It was intentional. These and other observations from other staff members were very insightful.

St. Mary of Vernon's Renew My Church Vision Statement begins with the line, "We envision St. Mary of Vernon to be a place of belonging." One develops a sense of belonging from a formed relationship. Our Renew My Church vision statement calls us to create a conducive environment where relationships are developed. What unites us at SMV is our faith in Jesus Christ. Faith means trust. Faith also implies relationship, relationship with a person, the person of Jesus Christ. The first relationship we develop at St. Mary of Vernon is a relationship with Jesus Christ. It is followed by a relationship with other parishioners, and then a relationship with the larger community.

During the retreat, as I closed my eyes for a silent meditation on the last paragraph of this vision statement, I thought the paragraph began with the words, "It is with the help of the Holy Spirit." When I read the sentence again, I realized it did not begin asking for the help of the Holy Spirit. Rather, it began by asking us to place our faith in the Holy Spirit. "It is with faith in the Holy Spirit," it states. This vision calls for faith in the Holy Spirit.

Asking for help from the Holy Spirit somehow implies that we had already set the final goal; and that presently we are asking the Holy Spirit to lead us to that goal. Faith in the Holy Spirit, on the other hand, implies that we let the Holy Spirit lead us to whatever final goal the spirit desires. It means that this document is a living document.

Interestingly, this vision did not emphasize faith in the Father, or faith in the Son, but faith in the Holy Spirit. The Father is the Creator. The Son is the Redeemer. The Holy Spirit is the Sanctifier and the life force of all created things. I am encouraged by these words, "It is with faith in the Holy Spirit." We rely on the Holy Spirit to lead us to whatever outcome the Spirit desires.

My brothers and sisters, we have challenges ahead of us. At the same time, we have a great opportunity to transform and renew SMV. Each of us is called to do our best. We are called to trust in the Holy Spirit while asking for the intercession of our Blessed Mother and the patroness of our parish, Mary:

> Remember, O most gracious Virgin Mary, that never
> was it known that anyone who fled to thy protection,
> implored thy help, or sought thine intercession was
> left unaided. Inspired by this confidence, I fly unto thee
> O Virgin of virgins, my mother; to thee do I come, before
> thee do I stand, sinful and sorrowful. O mother of the
> Word Incarnate, despise not my petitions, but in thy
> mercy hear and answer me. Amen!

Blessings always,
Fr. Ignatius

Funeral Luncheons at St. Mary of Vernon

St Mary of Vernon has a long tradition of offering a luncheon after the funeral of a parishioner. It is a special time for the families to gather together to remember their deceased loved one without having to plan one more thing at this stressful time.

This volunteer ministry was mostly inactive during the pandemic, but we think we are ready to restart. Of course, this takes volunteers. Chris Reinert and Kathy Brosmith are Co-chairing this ministry and will be reaching out to the people on the pre-Covid list to see if you are still willing to volunteer. However, we are always looking for new volunteers to serve in many capacities: Co-team Leaders, provide side dishes or desserts, set up and serve, clean up and serve. This is not a time consuming ministry. St. Mary of Vernon averaged 10 to 12 funeral luncheons a year before the pandemic, and we usually get three to four days notice.

If you feel called to help with this rewarding ministry please fill out the form below and return it to the parish office. Or the information can be emailed to Kathy Brosmith at kathybrosmith@comcast.net

Most of the correspondence for this ministry will be done via email.

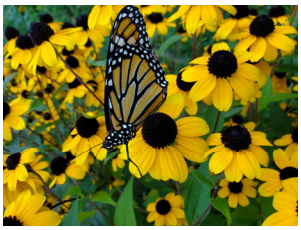
Monarch Butterfly – now on the endangered species list



Monarch butterflies are among the most amazing of God's creatures. Why is their existence in danger, and how will they survive? We humans are the answer to both questions.

Monarchs begin their life as a tiny white egg, no bigger than a grain of salt. Dining exclusively on milkweed leaves, an amazing transition in one month turns them into a beautiful orange, black and white butterfly. The monarchs emerging in September begin an unbelievable journey, migrating up to 2,500 miles to their winter home in Central Mexico.

Monarchs are in peril. Their population has dropped more than 90%, and they have been put on the endangered species list. Why? The biggest culprit is the use of herbicides on genetically engineered (GE) corn crops. Its use kills the monarchs, and destroys their major breeding habitats.

What can we do? We can create "Monarch Waystations" in our back yards, schools, and at our churches. At SMV we have created beautiful gardens filled with nectar producing flowers and of course milkweeds. It's all about our stewardship commitment to the Pope's Caring for Our Common Creation program. We humans and all of God's plants and creatures are One Great Family!
