Strengthened By The Bread Of Life

Some things about human nature don't change, even over the course of centuries. When we celebrate a holiday, we have a meal; when we celebrate a significant event, we have a feast. In today's first reading, Lady Wisdom is setting a feast, a sign of celebrating the covenant that Israel has with God. Israel's central remembrance of its saving Exodus covenant is the Passover meal. So it is natural—and not coincidental—that the Christian celebration of the new covenant sealed by the blood of Christ on the cross happens at a meal, our Eucharist, offered first by Jesus in the context of Passover remembrance. It is easy for us, sometimes, to forget the very long and rich religious and human origins of our eucharistic feasting on the bread and cup that are the Body and Blood of Jesus. Today, and for the next few Sundays that we hear the "Bread of Life" discourse from John, let us bring to mind the loving covenant that God makes with us, and be filled with great joy at this marvelous feast that we have come to attend! *Copyright © J. Treasures From Our Tradition

Sometimes the heat of summer translates into unrest in a city's streets. In the summer of 1834, popular sentiment against the presence of the Ursuline nuns near Boston reached a boiling point. An influx of Irish laborers had an impact on the work force in the city, and a deep-seated resentment against Catholics fueled the fire. The nuns supported themselves with a school, and most of the young women students were drawn from patrician Protestant families. Nevertheless, rumors fed by the saga of an unhappy junior sister and a later episode of a senior sister fleeing the place increased tensions. The city's selectmen were given a tour by the disgruntled sister, who by then had returned, and found all things in good order. That didn't please the mob, and the mother superior didn't help matters when she said that the bishop had platoons of Irishmen at hand, twenty thousand strong, to do marauders harm. By August 11, the convent had been invaded, ransacked, and burned to the ground. The nuns fled to Maine and Canada. The diocese attempted to recover losses, but the commonwealth offered only ten thousand dollars, which was rejected. Years later, a legislative bill for the state to rebuild the convent and school was roundly defeated. Yet the enterprise of Catholic education had great resilience, and in 1946, more than a hundred years after the riots, the Ursulines returned to Boston to re-establish an academy that endures to the present day. *Rev. Sacraments, Liturgy and Prayer

Wise Fools

When we were in high school, we learned that the word sophomore came from Greek words meaning "wise fools." The idea was that the second year student thinks he knows it all now, but still has a lot to learn. The first two readings invite us to a banquet of wisdom. Jesus says he himself is the way to understanding God's will; he gives himself as food and drink for eternal life. So how will we accept these invitations to partake of the Wisdom of God?

One way is to read the scriptures every day, taking time to think and pray about what you read. Don't do all the talking; let God have his chance to be heard. The gospels are especially good "food" because of all the examples Jesus gave in his sermons and parables.

Listen to the readings and homily at Mass. The Pastor may have some insights that make you think. Receive communion often to be fed with the living Bread. The Church has always taught that we are fed with both the word and the Eucharist.

If we want to grow in God's wisdom, we have to exercise our faith. If you have a friend or relative who is a good example of faith, talk with that person about how you experience God or your lack of experiences. You could offer to be a sponsor for someone in the RCIA, and help someone else's faith to grow. Your parish or diocese may also have on-line resources or discussions. God never forces himself on anyone. To grow in his Wisdom, we have to accept it. Ask him for real food and you won't be disappointed. But be patient, God only gives what we are ready to receive.

Learn: Roe's extreme abortion license is not widely supported.

Abortion advocates claim that Roe enjoys broad public support and some recent polls seem to provide evidence for this claim. But most polls don't explain Roe's extreme abortion license and some misrepresent it. For example, a 2016 Pew Research Center poll claims 69% of Americans favor Roe v. Wade and 28% oppose it. But the poll wrongly describes Roe as establishing "a woman's constitutional right to an abortion, at least in the first three months of pregnancy." The fact is, Roe made abortion legal through all 9 months of pregnancy and for virtually any reason.

The vast majority of Americans oppose the policy of nearly unlimited abortion dictated by Roe, and most believe abortion should not be legal for the reasons it is most often performed. A June 2018 Gallup poll shows that 72% of Americans said abortion should be illegal in the second trimester and 87% said abortion should be illegal in the last trimester. A 2018 Marist poll shows that 51% of women said abortion should never be permitted (9%) or permitted only in cases of rape, incest, and to save the woman's life (42%).

So why do polls show a majority of Americans favoring Roe v. Wade? Because they don't really know what Roe did.

Safe Environment Training

In response to our call to accountability, the Archdiocese of New Orleans provides training for children, clergy, religious, and laity (volunteers, and employees) in the prevention of and recognition of child abuse. Training is held through the Archdiocese several times a year. Training is good for 3 years.

We will have Safe Environment training at Our Lady of the Lake for those who have not been trained before on **Wednesday, August 22nd at 7:15 PM in the Chotin Center**.

If you are in need of renewal of your training, please visit our website at www.ollparish.info/safe-environment to find out how to complete the renewal online.

For any questions regarding Safe Environment Training, please contact Bonnie in the PLC at 985-626-5671 x 107 or bonnie@ollparish.info.

Registration/Stewardship FAQ

How do I register? Online registration is available at our website under "Information" or the "Join Us" button, or you can register in person in our Parish Life Center.

What information do I need to update when it changes? Those already registered should update your personal information if any of the following change: address, contact numbers, email addresses, marital status, deaths, additions to family/household.

When should my grown child be taken off of my record? Adult children who have moved or married are encouraged to register at OLL or in their parish of residence.

Can I be registered in more than one parish? No, you can only be registered with one parish who will be sacramentally responsible for you and your family.

How do I receive envelopes? When you register, you will begin receiving envelopes when our next quarter report goes out to the company. If you sign up for online giving, we remove you from envelope distribution. If you do not wish to receive envelopes, please call the office at 985-626-5671 or email OLL@ollparish.info and request to be removed from the distribution list.

Why should I give to the Church? Only with the sacrificial offering of all our members, can we ensure that Our Lady of the Lake remains a vibrant, active faith community. With your offering you can ensure that we are able to meet our financial obligations to maintain our ministries, programs and facilities, pay a just wage to our parish staff, support the needs of the larger Church and assist our brothers and sisters in need.

Are contributions tax deductible? Yes. We will have information on requesting your tax statement in upcoming bulletins. If you participate in online giving, you can print your statement through your online giving account at your convenience.

Prayer For Vocations

Gracious and loving God, Help the men and women
of our archdiocese to hear Your call to serve.
Our needs are great and our people thirst for Your presence.
Open the hearts of many and raise up faithful servants of the Gospel,
dedicated, holy priests, deacons, sisters, and brothers,
who will give of themselves for your people and their needs.
Bless those who are serving now with courage and perseverance.
Grant that many will be inspired by their example and faith.
We ask this through Christ our Lord. Amen.
