UNIFYING MISSION-ORIENTED TEAMS

Planning Your Sessions

1. Choose a date for your gatherings each month and make sure those dates are on everyone's calendars to avoid conflicts.
2. Determine where you will gather each month. You might want to consider a space away from the parish which might include a neighbouring parish, a retreat house or someone's cottage.
3. Assign a facilitator for each session, including those who require a guest facilitator. Details for facilitators can be found on the sheet titled "Facilitator Instructions".
4. Contact Claire at cbondy@dol.ca to arrange for a facilitator for the April session.
5. The 2-day planning session in June can be done by the team, however it may be beneficial to have the assistance of an outside facilitator for portions of the planning sessions. Contact Claire for more information or assistance in planning this session.
