On the Road This Summer? Stay Connected with Your Parish Family!

Whether you're up north at the lake, visiting family, or road-tripping across the country, we want you to know: your parish family is thinking of you! Summer is a great time to rest and recharge—but it's also an opportunity to stay rooted in your faith, no matter where you are. Here are 5 simple ways to stay connected to parish life while you're away:

1. Join us for livestream Mass or check out a local parish wherever you travel! MassTimes.org makes it easy to find one.
2. Follow us on Facebook for updates, prayer intentions, and parish news.
3. Take us with you! Download the Hallow or Laudate app for daily prayers, Scripture, and spiritual reflections on the go.
4. Pray for your parish family. Add us to your summer prayer intentions—we're praying for you, too!
5. Mark your calendar for upcoming events—like our free Scally Brothers concert on July 10! You won't want to miss it.

Wherever your summer takes you, know that you always have a place—and a parish—waiting to welcome you home.

~Jamie Gapinski: Community Engagement Coordinator

### St. Bruno Mission Statement

St. Bruno Parish is a community of people sharing a common faith in the teachings of the Catholic tradition. We come together to worship God and to spread the Good News that Jesus gave us. Through celebrating Christian unity, we provide emotional support and practice the works of mercy.

### Prayer Before Meals, Explained

Anyone who has ever dined in a Catholic home has probably heard the prayer before meals that begins with the famous words: "Bless us, O Lord, and these thy gifts." These words in particular are first found in the Galesian Sacramentary, a book of Christian liturgy that dates to the seventh or eighth century, but the practice of praying before meals is Biblical, harkening back to the Jewish ritual washing of hands before eating. In the Gospels, Jesus is shown praying before the Last Supper and other meals, setting an example followed by Paul in Acts 27:35.

In his 2015 encyclical *Laudato Si'*, Pope Francis urged the faithful "to return to this beautiful and meaningful custom."

"That moment of blessing," he wrote, "reminds us of our dependence on God for life; it strengthens our feeling of gratitude for the gifts of creation...(and) reaffirms our solidarity with those in greatest need."

## Opportunities to BELIEVE

St. Paul's statue of the Sacred Heart of Jesus was restored by a talented parishioner! There were broken parts on the right hand that needed repair and the statue needed a complete repaint. Our many thanks to the parishioner (who asked to remain anonymous) for donating their time, talent & treasure so that we can once again find inspiration in this beautiful statue, especially during this month of the Sacred Heart of Jesus.

## OUR St. Bruno School

As our school year at St. Bruno draws to a close, we extend our thanks to the many supporters who have helped us by being involved in activities, who have prayed with and for our students, and who have prayed for the growth and success of our truly wonderful school. We appreciate you and pray for you in return! Please consider St. Bruno Parish School, OUR community school, for your children or grandchildren, and tell the neighbors we have a great learning environment. We have a wonderful staff who care about and know each child. We wish you a wonderful summer and sincerely ask that you keep our school in prayer for a robust future in faith and learning.

On a personal note, I thank the St. Bruno and St. Paul communities for a very special relationship over my last seven years as school principal. Every parish member I have met has been welcoming, has shown a true spirit of service, and continues to help make our school a representation of our greater parish communities. Straight from my heart, thank you for working with me and our school and please keep it up! My time as principal finishes at the end of June. I will focus on being a musician at my home parish, St. Martin of Tours in Franklin, and will increase my grandma duties! I will keep all of you in my prayers. With love, Mary MacDonald

#### Pilgrims

"We are pilgrims on a journey. We are travelers on the road; we are here to help each other walk the mile and bear the load." Many of us have sung these lyrics from "The Servant Song" by Richard Gillard, but do we really think of ourselves as pilgrims? Do we craft our lives with our final destination in mind, or are we tempted to give undue weight to the temporary goals and baggage of life? After all, what does it really mean to be a pilgrim?

In a religious context, a pilgrim is simply a person who makes a journey to a sacred place. We, indeed, are a pilgrim people travelling through this life to our heavenly home. Yet most of us could benefit from smaller pilgrimages along the way to guide our spiritual growth and strengthen our faith. In fact, making a pilgrimage is a long cherished tradition of the Catholic Church. A pilgrimage offers the opportunity to step away from the cares and stress of daily life and live in the moment. The journey may be long, such as travelling to the Holy Land or walking the Camino de Santiago, or it may be as short as visiting a nearby shrine. The idea is that the physical journey accompanies and amplifies the interior journey of the spirit. These sacred journeys can bring clarity to our minds, hearts, and souls not merely by reaching the destination, but rather through the process of seeking our God along the path.

During this 2025 Jubilee Year of Hope, the Archdiocese of Milwaukee has designated local sites as places of pilgrimage. Watch for information about PILGRIMS, an opportunity for the St. Bruno and St. Paul parish families to make pilgrimages to these sites together! Dates and details coming soon.
