Twentieth Sunday in Ordinary Time

August 14, 2022

Dear Our Lady of Prompt Succor Parishioners,

Our Lady of Prompt Succor School began our school year last week on August 8, 2022 for students in grades 1-7 and later in the week for our Pre-Kindergarten and Kindergarten Little Patriots with over 400 students. As a school family, we remain committed to assisting families in the educational and spiritual journey of their children. Last school year tested each of us again but strengthened the commitment shared by our school family of students, parents, and faculty to each other. The effectiveness of our partnership has never been more clearly demonstrated. We have endured keeping the safety of our staff, students and their families as our highest priority, while also delivering high quality academic instruction and faith formation. Managing and overcoming the challenges of the last few years proves that with Christ, all things are possible. Now, we move onward together in faith, as a Catholic school community to begin the 2022-23 school year.

Students will continue participation in core classes and ancillary classes such as art, physical education, technology, library, Spanish, and music, as well as school sponsored clubs, activities, and sports to develop well-rounded individuals. We want our children to learn, play, and experience all that childhood has to offer. Our teachers are trained to use technology that supports learning in all environments. Students will receive the high quality education to which they are accustomed in a traditional classroom setting from our talented, dedicated, and well-prepared teachers.

We ask for your continued prayers and support for another incredible year of learning and trust that we are doing all that we can. This year will test our flexibility and patience once again. We ask that you, the Our Lady of Prompt Succor Community, support our teachers now more than ever as they will support children to get through each day. Our partnerships and collaboration will allow children to follow the light of Jesus.

Please do not hesitate to email us at patriots@olpsschool.org or call the office at 504-271-2953 with any questions you may have regarding our school.

Educationally yours in Christ,

Solemnity of the Assumption

August 15

The Assumption refers to the Blessed Virgin Mary being assumed — body and soul — into heaven at the end of her earthly life. Christians have believe since ancient times that Mary was assumed into heaven, and that teaching was made Dogma of the church in 1950. The Assumption illustrates to us the truth about Christ's promise of eternal life and the resurrection of the faithful. (source BustedHalo.com)
