Finance Executive Meeting

October 20, 2022

Attending:

Steve Hillyer Rick Miller
Frank Conway

Agenda

Reviewed financial documents and noted that the offertory collection seems low. This led to a discussion about the potential for the offertory to continue to be low this year.

Month end report for September shows a loss of $9,039.89.

A draft asking for offertory collection to increase will be sent to the office for upcoming bulletins.

The meeting was adjourned.
