A LETTER FROM FATHER DAN VOLKERT, PASTOR

Dear Friends of St. Bruno School,

Welcome to our 2021 St. Bruno "Men Who Cook" Auction. In the midst of this pandemic, it has caused us to be grateful for all of what God has given us. As we have just celebrated Easter and all that Jesus has done for us so that we may be saved, we stand united in our faith. One of the many ways our faith grows is through the formation and education our children receive in our school. We thank God for the privilege of being able to call upon the Lord within Catholic school classrooms and to help children become vibrant and faithful followers of Christ.

We are blessed to have a dedicated teaching staff and administration that promotes a positive learning environment. They work very hard to promote our Catholic faith and Catholic identity and the practice of it for our students. Our Catholic identity and the daily practice of it is so important now more than ever as we turn the corner and recover from this pandemic.

I also thank our principal, teachers and staff members of St. Bruno's school for their service and sacrifice for the children they serve. Furthermore, I want to express thanks to a special group who are making this auction and dinner possible. I want to thank our Auction Co-Chairs Michelle Vandenhouten and Britney Fowler as well as all committee members, those who donated auction gifts and our parishioners and friends who are financially supporting these activities.

Thank you for your generosity,
Fr. Dan

Whether you join our community-based Wellness Connection, become a part of our team, or experience our full continuum of care, we welcome you.

A LETTER FROM MARY MACDONALD, PRINCIPAL

Welcome, Dear St. Bruno Family and Guests, and thank you for joining us for the 2021 Men Who Cook Dinner and Auction. We are back on the horse and ready for this year's rodeo.

The cooks in 'Men Who Cook' are still lassoed this year, BUT we ARE having a delicious barbecue meal at YOUR ranch! Our live-streamed evening of bidding and entertaining company is ON, and many of our items have been available to view in person! I'd say that's progress, Pardner. St. Bruno will not be wrangled for long!

Seriously, we wish you a wonderful evening of shopping our specialty items, some created by our school classes, many curated by our own staff and school community members, and many donated by our generous friends in the greater Dousman area! The Silent Auction, Live Auction and specially gathered Raffle items promise lots of fun for bidding.

The school you are supporting is one that takes its mission seriously: academic excellence, growing in faith, and serving our community are things we do daily. Your participation and bidding allow us to provide creative and challenging learning experiences for our students. St. Bruno Parish School addresses a wide range of needs in order to serve every single student in our care. As of this year, we even have our own Special Education department! Our students know they are loved at St. Bruno.

Our great appreciation goes to Michelle Vandenhouten and Britney Fowler, organizers of the Men Who Cook Auction, and the many committee members and volunteers who worked to prepare this night. Chefs, we hope to get the date on your calendar to cook in person for the next Men Who Cook in 2022!

Thank you for joining our school community this weekend in a wonderful time together!

With deep gratitude,
Mary MacDonald
Principal, St. Bruno Parish School

Mental health is just as important as physical health.

Yet, sifting through many resources and knowing where to begin can be overwhelming. Over the past decade our research has lead us to the significance of gut health. This truly was the missing link for our family and prompted us to incorporate natural solutions with all three of our children for different reasons.

Targeting gut health has been clinically proven to provide significant benefits for:

stress resilience
cognitive performance
mood

motivation
sleep
energy

metabolism
immune system priming
athletic performance

It has become our mission to serve other families who find themselves in the trenches navigating mental and physical health challenges or simply seeking to improve their overall wellbeing. The results have been humbling and life-changing.

WISHBOARD

Our wishboard consists of unbudgeted items that our teachers are “wishing” for in their classrooms. This board allows you to purchase items that will specifically benefit your child’s or favorite teacher’s classroom!

“Support your Favorite Teacher/Greatest Need” – in addition to the items on the wishboard, you can designate any amount to a specific teacher or subject area.

** In the event that your donation is in excess of the estimated cost for the specific item you purchased, we will use the funds, in good faith, to further enhance the learning of our students, unless otherwise specified. **
