ARCHBISHOP'S CALL TO SHARE 2022—Jesus praises those who are empty—the poor, the hungry, the sorrowful, and the excluded—again, not because poverty or hunger or any of these things are good in their own right, but because when we find ourselves in these conditions, we're more open to God. We know that nothing here will ultimately satisfy us, and so we turn to Him. The Church calls this the virtue of spiritual poverty—and it can transform the way we think about wealth. Instead of wealth becoming a kind of ball and chain, that holds us down and holds us back, spiritual poverty allows us to see that whatever we have is a gift—a gift God has entrusted to us, and asks us to use prudently as His stewards. Let's keep the virtue of spiritual poverty in mind as we discern—as a community and as families—how we can support our *Archbishop's Call to Share* appeal.
