Dear friends in Christ Jesus,
On this fourth Sunday of ordinary time the church reminds us of the very important fact that God delights in the humble. He draws near to them, gathers them to himself and blesses them. He looks at the humble and lowly and fills them with his wisdom, virtue and the holiness of Christ. Therefore, only in God does the humble and the righteous depend and boast.
In the first reading from the book of Zephaniah, God promise to preserve a remnant for Israel. However, one remarkable thing about this promise is that this group would be made up of only humble and lowly people. Through the church, God has invited us to form part of this humble people that put their confidence in Him. We are invited to be part of this remnant through, integrity, honesty, humility and obedience to God. At times, we try to resist this prestigious rest to which God has invited us. This is because, we often think we can get it only with money, fame, and power. Let us not deceive ourselves, but continue to follow the permanent values that radiates from the person and life of Jesus Christ.
In our second reading, St Paul reminds us that God delights in the humble of heart. Although, He does not discriminate, he often choses the lowly and poor in spirit. So, St Paul encourages us not to be ashamed of the Christian community because of its composition of members of little human wisdom, intelligence, power and material wealth. The majority of our communities are made up the poor of the world. This is the will of God manifested in Christ Jesus and testified in the rest of revelation. Hence, St Paul reminds us that God called us to form part of the remnant even when we were not wise in the ordinary sense of the world. He did this in order to realize His Plan. He did not choose us because we were wise or rich. Rather, He chose us because of our lowliness. Through this, God has become our wisdom, virtue and holiness. These are the qualities he really desires in his people. All those who have these are the blessed ones.
In the gospel that is sermon on the mountain, Christ recounts and reminds us of the most important Christian virtues that will help us become part of this remnant that God promises to elect for himself in our first reading. If we meditate on this, we will see that the poor in spirit, that is, those who suffer, those who mourn, the hungry and thirsty for justice, those who work for peace, the merciful, the pure in heart, the insulted and persecuted are living a voluntarily stripped life that draws them closer to God. They are the living blessedness that we see in the saints of all times. Saint Francis was stripped in poverty, saint Ignatius in obedience, saint Augustine preferred the love of God, saint Thomas Aquinas embraced the wisdom of God, and saint Theresa of Avila soaked herself in prayer. These, and other saints are reflections of the same Christ. They are the blessed. Today the church reminds us that we could also be part of them if we also persevere as they did. Today, they are the full members of the remnants in God's eternal kingdom. They pray and wait for us to join them. ***"How happy are the poor in spirit, for theirs is the Kingdom of God"*** Have a nice weekend.
Sincerely, Fr Joseph.

No Catholic child will be denied the opportunity of a Catholic education at Saint Mary School due to financial need. Contact the Pastor at 269-657-4459.
