My Dear Brothers and Sisters in Christ,

Too often our prayers are limited to asking God for things we need or want. And that is good. But praise is also an important part of prayer and praise helps to lift our hearts to a sense of wonder as we come before our God. We gather at Mass to listen to God's Word, His message for us. We come to praise and thank God for the many things that we are not even aware of. We come to partake in the Eucharist...the Sacrament the Lord Himself left us to nourish us and to strengthen us through our journey of life, as we become that which we consume...Christ Jesus to the world.

Take time to refresh the life of the Spirit that has been given you through baptism. Then witness your faith like disciples and believers throughout the ages. Be assured of my prayers for you and for your dear ones. May the good Lord bless you with wisdom, health, and peace. Please pray for me.

In Christ,

Fr. Alexis Ibarra

Mis Queridos Hermanos y Hermanas en Cristo,

Con demasiada frecuencia, nuestras oraciones se limitan a pedir a Dios cosas que necesitamos o queremos. Y eso es bueno. Pero la alabanza también es una parte importante de la oración y la alabanza ayuda a elevar nuestro corazón a un sentido de asombro al encontrarnos ante nuestro Dios. Venimos a Misa para escuchar la Palabra de Dios, Su mensaje para nosotros. Venimos a alabar y dar gracias a Dios por las muchas cosas que ni siquiera somos conscientes. Venimos a participar en la Eucaristía... el Sacramento que el Señor mismo nos dejó para nutrirnos y fortalecernos a través de nuestro camino de vida, a medida que nos convertimos en lo que consumimos... Cristo Jesús al mundo.

Tomen tiempo para meditar y refrescar la vida del Espíritu que se les ha dado en su bautismo. Entonces den testimonio de su fe, así como lo han hecho los cristianos en cada siglo. Cuenten siempre con mis oraciones. Que el Señor los fortalezca con sabiduría, salud y paz. Por favor, oren por mí.

En Cristo,

Padre Alexis Ibarra

DID YOU KNOW? | ¿SABIA USTED?

Do you know what to do if someone is choking? Choking is one of the leading causes of accidental death, but many people do not know what to do if someone is choking near them. If a person is coughing, grabbing his or her throat, or passed out with no explanation, he/she could be choking. Utilizing abdominal thrusts, also known as the Heimlich maneuver, could prevent suffocation. Parents should be knowledgeable as to how to perform this maneuver, and if possible, should attend a CPR training course so they are prepared, in the event that a child or adult is choking. For more information, visit https://lacatholics.org/did-you-know/.

¿Sabe qué hacer si alguien se está asfixiando? La asfixia es una de las principales causas de muerte accidental, pero muchas personas no saben qué hacer si alguien se asfixia cerca de ellos. Si una persona tose, se agarra la garganta o se desmaya sin explicación, es posible que se esté ahogando. El uso de compresiones abdominales, también conocida como maniobra de Heimlich, podría prevenir la asfixia. Los padres de familia deben saber cómo realizar esta maniobra y, si es posible, deben asistir a un curso de capacitación en resucitación cardiopulmonar (CPR, en inglés) para estar preparados, en caso de que un niño o un adulto se esté ahogando. Para obtener más información, visite https://lacatholics.org/did-you-know/.
