OUR FASCINATING FAITH
The Season of Advent

What are we really waiting for during Advent? The longstanding tradition of the Church is that the Advent season really marks not one but three comings of Christ: his coming into history two thousand years ago, his coming in glory at the end of time, and his coming into our hearts here and now. Advent starts with a focus on the future coming of Christ so that we might see the big picture. If Christmas is to make any sense at all, we have to ask the question, "What are you doing to get ready for the (final) coming of Christ?" This perspective opens us up to the sense of anticipation experienced by the Jewish people on the eve of the first coming of Christ. This Advent, we will hear John the Baptist tell them (and us) how best to prepare. He urges repentance and an examination and reform of our way of life.

Then on the Fourth Sunday, we are drawn in to the history of Jesus' arrival as the child of Joseph and Mary. Our work of spiritual preparation brings us to the point of the whole season. What good is it that Christ comes into my heart if I don't then carry that presence out into the world, just as Mary did?

Dangerous TikTok trend: "sleepy chicken"

The Food and Drug Administration (FDA) recently issued a notice advising people against participating in a dangerous TikTok trend: cooking chicken in NyQuil, a nighttime cold medicine. According to videos on the popular social media site, people are cooking "sleepy chicken" as a challenge, but the FDA warning indicates it may be more than a harmless joke. Cooking with cough medicine can lead to a person ingesting dangerously high amounts of codeine that can cause serious health complications and even death.

Tendencia peligrosa de TikTok: "pollo dormido"

La Administración de Alimentos y Medicamentos (FDA, por sus siglas en inglés) emitió recientemente un aviso que advierte a las personas que no participen en una tendencia peligrosa de TikTok: cocinar pollo en NyQuil, un medicamento para el resfriado nocturno. Según videos en el popular sitio de redes sociales, la gente está cocinando "pollo dormido" como un desafío, pero la advertencia de la FDA indica que puede ser más que una broma inofensiva. Cocinar con medicamentos para la tos puede hacer que una persona ingiera cantidades peligrosamente altas de codeína que pueden causar complicaciones de salud graves e incluso la muerte

CHRIST THE KING CATHOLIC SCHOOL NONDISCRIMINATION POLICY 2022-2023
SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs. [Note that this School Student Non-Discrimination Policy does not provide nor imply that the archdiocese waives any legal exceptions or exemptions that may apply to it as a religious nonprofit organization.] This Catholic Elementary School publishes the above policy in the staff and parent/student handbooks, public relations/recruitment brochures and in other publications such as the parish bulletin and school newspaper. The school also publishes applicable grievance procedures in the staff and parent/student handbooks.

POLÍTICA DE NO DISCRIMINACIÓN DE LA ESCUELA CATÓLICA CRISTO REY 2022-2023 POLÍTICA DE NO DISCRIMINACIÓN DE ESTUDIANTES ESCOLARES

La escuela, consciente de su misión de ser testigo del amor de Cristo para todos, admite a los estudiantes independientemente de su raza, color, origen nacional y / u origen étnico a todos los derechos, privilegios, programas y actividades generalmente otorgados o puestos a disposición de los estudiantes en la escuela. La escuela no discrimina por motivos de raza, color, discapacidad, condición médica, sexo u origen nacional y / o étnico en la administración de políticas y prácticas educativas, programas de becas y programas atléticos y otros programas administrados por la escuela, aunque ciertas ligas atléticas y otros programas pueden limitar la participación y algunas escuelas arquidiocesanas operan como escuelas de un solo sexo. Si bien la escuela no discrimina a los estudiantes con necesidades especiales, es posible que no siempre haya una gama completa de servicios disponibles para ellos. Las decisiones relativas a la admisión y la inscripción continua de un estudiante en la escuela se basan en las habilidades emocionales, académicas y físicas del estudiante y los recursos disponibles para que la escuela satisfaga las necesidades del estudiante. [Tenga en cuenta que esta Política de No Discriminación para Estudiantes Escolares no proporciona ni implica que la arquidiócesis renuncie a cualquier excepción o exención legal que pueda aplicarse a ella como una organización religiosa sin fines de lucro.] Esta Escuela Primaria Católica publica la política anterior en los manuales del personal y de los padres / estudiantes, folletos de relaciones públicas / reclutamiento y en otras publicaciones como el boletín parroquial y el periódico escolar. La escuela también publica los procedimientos de quejas aplicables en los manuales del personal y de los padres /estudiantes.

First Sunday of Advent

There are numerous photographs of people who sleep on mountainside ledges, who carelessly dangle their feet into the space of geological chasms, and of course there's the iconic photograph of workers eating their lunch on a beam of the under-construction Chrysler building in New York. Some people seem attracted to these precarious, stomach-churning locations; many of us are not. More of us have had the experience of beginning a new stage in life, with the excitement and occasional stomach-churning newness of a moment that can put us a bit on edge. Advent—its first couple of Sundays in particular—has a similar role in the passage of time that we call the liturgical year. It's unlikely that the First Sunday of Advent makes many stomachs churn, but perhaps more would if we truly took it seriously that we are to make ourselves ready for the coming of the reign of God at any moment.

WALK IN THE LIGHT

When we encounter the daily news, it can seem as though Isaiah's prophecy of swords turned into plowshares is running in reverse, making despair seem wiser than hopefulness. This is where Advent as the brink of God's reign comes into play. Advent can be a time for each of us to de-weaponize, even in the smallest of ways, the world around us. Advent's days offer a chance to look for opportunities to make the world a bit more hopeful for others. As we head through Advent, the elevated focus we have when we are standing at those new moments, those new stages of life, can help us tune out the despair, so we might open our ears and hearts to Jesus. This way, we can turn our backs on gloom, and accept Isaiah's invitation to walk in the light of the Lord: Jesus Christ, the Word-made-Flesh!

Today's Readings: Is 2:1–5; Ps 122:1–2, 3-4, 4-5, 6-7, 8-9; Rom 13:11–14; Mt 24:37–44

Primer Domingo de Adviento

Hay numerosas fotografías de personas que duermen en las cornisas de las montañas, que cuelgan descuidadamente sus pies en el espacio de los abismos geológicos y, por supuesto, está la icónica fotografía de los trabajadores comiendo su almuerzo en una viga del edificio Chrysler, en construcción, en Nueva York. Algunas personas parecen sentirse atraídas por estos lugares precarios y estomacales; muchos de nosotros no. Somos más los que hemos tenido la experiencia de comenzar una nueva etapa en la vida, con la emoción y la ocasional novedad estomacal de un momento que puede ponernos un poco al límite. El Adviento -sus dos primeros domingos en particular- tiene un papel similar en el paso del tiempo que llamamos año litúrgico. Es poco probable que el primer domingo de Adviento haga que se revuelvan muchos estómagos, pero quizá lo harían más si nos tomáramos realmente en serio que debemos prepararnos para la llegada del reino de Dios en cualquier momento.

CAMINAR EN LA LUZ

Cuando nos encontramos con las noticias cotidianas, puede parecer que la profecía de Isaías de las espadas convertidas en rejas de arado va al revés, haciendo que la desesperación parezca más sabia que la esperanza. Aquí es donde entra en juego el Adviento como el umbral del reino de Dios. El Adviento puede ser un tiempo para que cada uno de nosotros desarme, incluso en lo más mínimo, el mundo que nos rodea. Los días de Adviento ofrecen la oportunidad de buscar oportunidades para hacer que el mundo sea un poco más esperanzador para los demás. A medida que avanzamos en el Adviento, el enfoque elevado que tenemos cuando estamos en esos nuevos momentos, en esas nuevas etapas de la vida, puede ayudarnos a sintonizar con la desesperación, para poder abrir nuestros oídos y nuestros corazones a Jesús. De este modo, podemos dar la espalda a la tristeza y aceptar la invitación de Isaías a caminar en la luz del Señor: Jesucristo, la Palabra hecha carne.

Lecturas de hoy: Is 2:1–5; Sal 122 (121):1–2, 3-4, 4-5, 6-7, 8-9; Rom 13:11–14; Mt 24:37–44
