RESERVED SEATING

Easter Sunday of the Resurrection of the Lord Masses

As you know, our Easter Mass schedule is different this year as we will be celebrating the Sacrifice of the Mass in our school gym. There will be five Masses on Easter Sunday in the gymnasium. We are giving parishioners the opportunity to reserve seats for a Mass of your choosing. We are trying to accommodate the needs of everyone. Two hundred seats will be reserved at each Mass (the first two sections of chairs).

Volunteers will be taking requests after the Masses on March 15, 22, and 29. Please see one of our volunteers in the hallway to request a seat. As previously mentioned, the volunteer will take your name, Mass time, and number of requested seats (limited). Remember: Those who sign up will be guaranteed a "seat" in the first two sections until 15 minutes prior to the beginning of Mass. At that time any and all seats will be available to those who wish to sit. Please do not call the office, as no requests will be taken over the phone.

Please note

STATIONS OF THE CROSS and DAILY MASS DURING LENT
In the SCHOOL THEATER
Admittance through back of school by statue of Blessed Mother.

The door keeper will be at the door from 7am-7:45am.
After 7:45, there is no admittance into the school.

Please plan accordingly.

Throughout Lent we are asked to seek our Lord in **prayer**, to practice self-control through **fasting** and to serve others through **almsgiving** (USCCB). During Lent, each person is invited to consider how our Lord is inviting him or her to walk with Him through Lent. Go to the diocesan website at https://www.rcda.org/lent

Spiritual Communion

My Jesus,
I believe that you are truly present in the Most Blessed Sacrament.
I love You above all things and I desire to possess You within my soul.
Since I am unable at this moment to receive You sacramentally,
come at least spiritually into my heart.
I embrace You as being already there, and unite myself wholly to You.
Never permit me to be separated from You. Amen.

Vicariate Visits

Bishop Scharfenberger invites you to join him for an evening of prayer and conversation.

Bishop Scharfenberger will visit each vicariate between early March and late June as part of a diocesan-wide effort to give parishioners an opportunity to ask questions, share ideas, and pray together.

These meetings are meant to provide both information and inspiration as the diocese strives to better serve the people of its seven vicariates.

All are welcome!

FOR MORE INFORMATION, VISIT WWW.RCDA.ORG/VICARIATEVISITS

Special Collection

Next week, our parish will take up The Catholic Relief Services Collection (CRSC). Funds from this collection provide food to the hungry, support displaced refugees, and bring Christ's love and mercy to all people here and abroad. Next week, please give generously to the CRSC and **help Jesus in disguise.** Learn more about the collection at *www.usccb.org/catholic-relief.*

Coronavirus (COVID-19) Update

Flu season is among us and there has been much concern about viruses spreading. Since the cold and flu viruses are much more prevalent in NYS right now, we at St. Mary's have already begun to take precautious for the safety of everyone. During the celebration of Mass we have already eliminated shaking hands during the sign of peace, and I ask for your continued cooperation. At this present time the distribution of the Eucharist will only be given on the hand. Please respect this process for the health of the Eucharistic Ministers.

During this time, we are being reminded of basic hygiene. To help stop the spread of all viruses, please be mindful of the following:

- Wash your hands often with soap and water.
- Avoid touching your eyes, nose or mouth with unwashed hands, especially before you eat.
- Avoid contact with sick people.
- And if you feel sick, stay home.

*Those most vulnerable (elderly, people with weakened immune systems and long term conditions like cancer, diabetes and heart disease) are advised to refrain from large parish gatherings and stay home. For those who will not be gathering with us in the school gym for Mass, you are encouraged to watch Mass on television or check the Diocesan website for Mass on line. A Spiritual Communion prayer can be said during that time.

For more information, New Yorkers can access accurate, reliable and up-to-date information on the Department of Health's website: www.health.ny.gov/coronavirus.

Quality Catholic Education serving
Nursery, Pre-K, Full Day Kindergarten
through Grade 5!

Late winter in Mrs. Norton's Preschool classes!

Late winter has been a busy place in preschool! We have celebrated Valentine's Day, the 100th day of school and Dr. Seuss' birthday in the last month. Our Pre-K class had so much fun on the 100th day with a crown, physical challenge and a special snack. We really had a great time with the rest of the school when we did the 100 day count up!

Mrs. Eddy's 3rd grade class visited our nursery friends and read some fun Dr. Seuss books to us! What a treat to have the big kids come and show us their reading skills and make some new friends!

Both classes have been talking about Lent and the time of extra prayers. We are talking about all the ways God shows us his love and guides us to love others in return.

Preschool is enjoying the last bits of winter and gearing up for Spring and the upcoming celebrations for St. Patrick's Day and Easter! The warm weather has allowed us to get outside to play and enjoy the sunshine. We are looking forward to all the wonders the spring season has to offer! *~Love, Mrs. Norton's Nursery and PreK Classes*

Our Mission: St. Mary's School provides a quality Catholic elementary education (Pre-school through Grade 5) guided by the Gospel's spirit of love within an atmosphere of academic excellence that nurtures the growth in holiness and wholeness for each child.

The work in the sanctuary continues this week. In addition, the statues of the Blessed Virgin Mary, St. Joseph and St. Michael the Archangel have been restored and repaired. Local artist and painting conservator, Cynthia Fiorini, has completed the work on the these three statues. St. Michael the Archangel was in need of much repair; his sword was restructured, the devil restored, the entire statue including the base was structurally repaired, restored and repainted. St. Michael the Archangel was made in 1910 by the Daprato Studios, the same studio, now called Daprato Rigali Studios, who are restoring the church. St. Joseph's base color and St. Mary's base colors were painted the same with more depth and dimension. They were both painted with more flesh color and toning to match each other. They were also given depth and shadowing to be more in the spirit of an antique style. St. Mary's pink color was changed to a richer gold color and the blue has been upgraded to a deeper blue with more shadowing and highlights. Both St. Joseph and St. Mary had facial makeovers, giving their faces a softer and more real look.

Faith Formation

Do I have to Believe what the Church Teaches?

Yes, for when you choose to throw out certain teachings you don't like, you undermine the authority that Christ gave to the Catholic Church, and you start to follow the "catechism of your own church" rather than the teachings of Christ's Catholic Church.

If we don't believe in all of it, if we each appoint ourselves Pope and throw out a doctrine here or a doctrine there, then our faith is no longer Catholic. Yes, it can sometimes be a challenge to follow all of the teachings of Christ and the Catholic Church that carries on His teachings, but we should see those seemingly difficult teachings as traffic lights that help guide us on our journey and keep us from getting into accidents that can damage us and prevent us from living lives of happiness and grace.

Health Ministry—Eat Healthy

Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God *1 Corinthians 10:31*

Choose healthy meals and snacks at home, in restaurants, and on the go to improve your health. A healthy lifestyle involves choosing a balanced diet or healthy eating plan that also helps you manage your weight, and includes a variety of foods you may not have considered. If "healthy eating" makes you think about the foods you **can't** have, try refocusing on all the new foods you **can** eat.

- ♥ Choose fruits, vegetables, and whole grains rather than foods high in sugar, salt, and fat.
- ♥ Grab a healthy snack on the go and limit processed foods that are high in salt.
- ♥ Read Nutrition Fact Labels to find the healthiest options for your favorite foods.
- ♥ Choose water instead of sugary drinks.
