Fourth Sunday of LENT

March 27, 2022

"I shall get up and go to my father and I shall say to him,
'Father, I have sinned against heaven and against you.
I no longer deserve to be called your son.'"

Luke 15:18-19

I will get up and go to my Father and shall say to him:
Father, I have sinned against heaven and against you. Lk 15:18

Gospel **Lk 15:1-3, 11-32**

Tax collectors and sinners were all drawing near to listen to Jesus, but the Pharisees and scribes began to complain, saying, "This man welcomes sinners and eats with them." So to them Jesus addressed this parable: "A man had two sons, and the younger son said to his father, 'Father give me the share of your estate that should come to me.' So the father divided the property between them. After a few days, the younger son collected all his belongings and set off to a distant country where he squandered his inheritance on a life of dissipation. When he had freely spent everything, a severe famine struck that country, and he found himself in dire need. So he hired himself out to one of the local citizens who sent him to his farm to tend the swine. And he longed to eat his fill of the pods on which the swine fed, but nobody gave him any. Coming to his senses he thought, 'How many of my father's hired workers have more than enough food to eat, but here am I, dying from hunger. I shall get up and go to my father and I shall say to him, "Father, I have sinned against heaven and against you. I no longer deserve to be called your son; treat me as you would treat one of your hired workers."' So he got up and went back to his father. While he was still a long way off, his father caught sight of him, and was filled with compassion. He ran to his son, embraced him and kissed him.

His son said to him, 'Father, I have sinned against heaven and against you; I no longer deserve to be called your son.' But his father ordered his servants, 'Quickly bring the finest robe and put it on him; put a ring on his finger and sandals on his feet. Take the fattened calf and slaughter it. Then let us celebrate with a feast, because this son of mine was dead, and has come to life again; he was lost, and has been found.' Then the celebration began. Now the older son had been out in the field and, on his way back, as he neared the house, he heard the sound of music and dancing. He called one of the servants and asked what this might mean. The servant said to him, 'Your brother has returned and your father has slaughtered the fattened calf because he has him back safe and sound.' He became angry, and when he refused to enter the house, his father came out and pleaded with him. He said to his father in reply, 'Look, all these years I served you and not once did I disobey your orders; yet you never gave me even a young goat to feast on with my friends. But when your son returns who swallowed up your property with prostitutes, for him you slaughter the fattened calf.' He said to him, 'My son, you are here with me always; everything I have is yours. But now we must celebrate and rejoice, because your brother was dead and has come to life again; he was lost and has been found.'"

DID YOU KNOW?

UNDERSTANDING APPROPRIATE BEHAVIORS

Most children engage in age-appropriate behaviors, exploring their bodies to understand how they work. It is important for parents and caregivers to understand the difference between natural, healthy curiosity and inappropriate behaviors that would raise red flags suggesting possible abuse. Any sexual behaviors that a child exhibits in a way that is hostile, aggressive, or overtly sexual should raise concern. Learn more about these differences in the VIRTUS® article "The Issue of Child-on-Child Sexual Abuse" at lacatholics.org/did-you-know/.

¿SABIAS QUE?

ENTENDER LOS COMPORTAMIENTOS APROPIADOS

La mayoría de los niños se involucran en comportamientos apropiados para su edad que exploran sus cuerpos para entender cómo funcionan. Es importante que los padres de familia y cuidadores entiendan la diferencia entre la curiosidad saludable y natural y los comportamientos inapropiados que generarían señales de alerta de posible abuso. Cualquier comportamiento sexual que un niño muestre de manera hostil, agresiva o abiertamente sexual debe generar preocupación. Obtenga más información sobre estas diferencias en el artículo de VIRTUS® en inglés, "The Issue of Child-on-Child Sexual Abuse" (El problema del abuso sexual de niño a niño) en lacatholics.org/did-you-know/.

MASS INTENTIONS FOR THE WEEK

Abortion Quotes

"Abortion is the only surgery for which the surgeon is not obligated to inform the patient of the possible risks of the procedure, or even the exact nature of the procedure. Indeed, abortion providers are the only medical personnel who have a 'constitutional right' to withhold information, even when directly questioned by the patient."
David Reardon, Aborted Women: Silent No More

"El aborto es la única cirugía en la cual el cirujano no está obligado a informar al paciente de los posibles riesgos que corre durante el procedimiento, tampoco de informarle en qué consiste el mismo procedimiento. De hecho, los practicantes del aborto son el único personal médico que tiene el derecho constitucional" de esconder la información, inclusive si el mismo paciente es quien la solicita"
David Reardon, Aborted Women: Silent No More
