Dear Parishioner,

Thank you for your ongoing generosity to St. John of God! Your support allows us to keep our doors open and provide a place of worship.

We are beginning the transition to a new online giving provider (eCatholic Payments). Our new tools will allow staff to more easily set up and manage online donations and payments, saving our team time and money. In addition, donors will enjoy a more user-friendly process for making donations and payments directly on our website www.sjogparish.org. We are excited to utilize tools that are provided by a Catholic company whose mission of serving the Church closely aligns with ours.

Since we are discontinuing our current platform, we are asking all current donors to kindly set up a new recurring gift using the new platform.

How do you get started?

- Visit www.sjogparish.org from any device with an internet connection
- Select Online Giving
- Choose a one-time or recurring donation
- Select your preferred form of payment (electronic check or debit/credit card)
- Enter your information and submit your donation
- It's that easy!

If you need any help with this process, please contact our parish team; Aleida Alvarez, Rosalva Esparza, and Laura Montion at frontoffice@sjogparish.org or by phone at (562)863-5721.

Thanks again for your generosity and patience during the transition.

God bless,

Rev. Raymond Vicente Decipeda, MMHC
Pastor

DID YOU KNOW?

Why it is so important to tell the truth

As parents, we teach our children that the truth is important. In fact, the truth is a critical part of the healing process for victim-survivors of abuse. When a victim-survivor tells the truth about abuse that has happened to him or her, it robs the secret of its power and begins to break down any fear surrounding it. This helps a victim-survivor on the path to being free from the effects of abuse and enables the church and other institutions to take appropriate action to keep others safe.

For more information about the importance of truth-telling, visit https://lacatholics.org/did-you-know/.

¿Sabias Que?

Por qué es tan importante decir la verdad

Como padres, enseñamos a nuestros hijos que la verdad es importante. De hecho, la verdad es una parte fundamental del proceso de curación de las víctimas-sobrevivientes de abuso. Cuando una víctima-sobreviviente dice la verdad sobre el abuso que le ha sucedido, le roba el secreto de su poder y comienza a romper cualquier temor que lo rodea. Esto ayuda a una víctima-sobreviviente en el camino para liberarse de los efectos del abuso y permite que la Iglesia y otras instituciones tomen las medidas adecuadas para mantener a los demás a salvo.
