The Ascension of the Lord (A)
Acts 1:1–11
Eph 1:17–23
Mt 28:16–20

Where Are You Looking?

Are we, like the disciples, looking in the wrong direction? As they looked up to heaven, they probably realized what they had lost. Jesus was no longer in their midst. But then, the Easter stories all tell us that they never really understood his risen presence with them. And so they were asked: "Why are you standing here looking at the sky?" (Acts 1:11).

Are we also looking up to heaven when we should be looking out to the world? Of course, it is right that we reflect on Jesus' ascension. However, today's understanding of the universe helps us realize that the biblical account of Jesus' ascension into heaven may be a way of saying that he is glorified with God. As Paul says, he has been granted the place of honor at God's right hand, "far above every principality, authority, power, and dominion" with "all things beneath his feet" (Ephesians 1:21–22). Jesus, now with God, radiates the full splendor of his resurrection.

We must turn to the Gospel passage to get the fullness of the story of the ascension. Jesus did not say: "Watch what is going to happen." Instead he told them to go out: "Go, therefore, and make disciples of all nations" (Matthew 28:19). We might know these words so well that we miss their forcefulness. In effect, Jesus is telling them: go out to the whole world and tell them what you have seen and heard. I did what it was for me to do; now it is up to you to do the rest. Don't worry, "I am with you always" (Matthew 28:20). Look where you're going, not where I went.

—Sr. Dianne Bergant, CSA

FOR *Reflection*

- *In what ways have other people touched you with the mystery of the risen Jesus?*
- *In what ways do you bring the reality of Jesus to people in your life?*

Dear Padre,

I want to deepen the spiritual sense of Christ in my life. How can I create a strong spiritual connection to Jesus?

Your answer may be within your own parish. I suggest you begin your spiritual journey by connecting with a parish outreach group. When I worked as a missionary in Brazil, I marveled at how the youth groups that I worked with brought a deeper spirituality to my own life.

It was common in Brazil to have a three-day retreat leading up to Lent. Although this was a youth retreat, it also energized the adults who worked with them. The highlight was on Ash Wednesday evening, when the teens would give public testimony at Mass to the Lord working in their lives. Their testimony inspired parishioners to rededicate themselves to educating the smaller children throughout the year. A youth group never lacks in spirit, which is usually contagious!

CNS PHOTO/COURTESY FOCUS

It's difficult to seek spiritual enlightenment alone. There's spiritual strength in numbers (even Jesus kept twelve disciples near him!), and even greater spiritual power within the graced walls of your parish. When you serve others, your spiritual path is deepened and expanded. Working with youths is just one way to enhance your spiritual connection. Remember the words of St. Paul: "There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone. To each individual the manifestation of the Spirit is given for some benefit" (1 Corinthians 12:4–7).

A WORD FROM *Pope Francis*

The Church holds out a mission, and I would like to entrust you with this mission. It is to go back and talk to your grandparents. Today more than ever we need this bridge, this dialogue, between grandparents and grandchildren, between the young and the elderly.

SLOW CHURCH ZONE CONT'D…

- For safety of individuals on the property. With most parks and recreational spaces closed during the days of the pandemic, the Church property and parking lot was becoming the new "alternative park" for many. The property was becoming the bike riding park for some; the picnic gathering space for some, the unleashed dog park for some; and the new student driving course for many.
- For the fact that the Church parking lot has moving vehicles on the property, we are not suited to be a park or recreational gathering space for the public.

We thank you for your respect of our property and our neighborhood.

The Parish staff wishes to thank the following parish ministries:

We thank **our parishioners** for their gift of faith, embrace of the Gospel of Joy, "works of mercy," and support of the parish. As we celebrate the Easter Season, know that you are remembered in our thoughts and prayers.

We thank **our parishioners** who joined us for the weekday and weekend Masses via live stream. Be assured of our prayers for you and your family!

We thank **our parishioners** for their **support of the Sunday offertory via the use of Church envelopes and Faith Direct**. Know that we are grateful for your prayers and support.

We thank **our parishioners who have offered their time and talents to assist our parishioners and our neighbors in need;** local organizations – LINK and Embry Rucker Center; St. Lucy Project; Respect Life ministries; etc… Pope Francis shared: "let us be lights of hope! Let us maintain a positive outlook on reality."

We thank **the SJC and SJS staff for their faithfulness and commitment to their ministry** during these challenging months. "Remember the past with gratitude. Live the present with enthusiasm. Look forward to the future with confidence." –St. John Paul II

We thank **our parishioners and visitors to the SJC/SJS property** for their understanding that the Church parking lot and property is closed with the exception of visits to the Church and parish office. We know that some individuals have been upset with us, however, this security and safety issue is important to us for many reasons. Here are a few reasons:

- For us as a faith community to be respectful to the directives of the Commonwealth of Virginia, Fairfax County, and Town of Herndon. Bishop Burbidge has asked us to be respectful of the directives of our governmental leaders;
- For the safety and security of our property and the property of our neighbors;

Public Celebrations *of* Mass

Diocese *of* Arlington

Guide *for the* Lay Faithful

May 14, 2020

What To Know

All the faithful of the Diocese of Arlington are **dispensed from the obligation to attend Mass** on Sundays and holydays of obligation until further notice.

Those Who Are Vulnerable · If you or those for whom you care are "vulnerable" to infection or the serious effects of coronavirus, please avoid gatherings of the general public.

Those who are "vulnerable"

- are over the age of 65,
- have existing heart or lung conditions,
- have diabetes, &/or
- are otherwise immuno-compromised.

Those Who Feel Sick · If you feel sick in any way, are coughing, or are sneezing frequently, please avoid public gatherings, including liturgical celebrations.

Livestreamed Masses · Parishes will continue to livestream Masses as they are able. If you are vulnerable, sick, or concerned with your safety or the safety of those whom you regularly encounter, please continue to unite prayerfully to the Mass via livestream.

In-Person Participation · Your parish will coordinate in-person participation for the Mass & other liturgies. Each parish has different capabilities. Please be charitable & understanding with your pastor & parish staff. Contact your parish for details.

What To Expect

Person-Per-Gathering Limits · The Diocese requires every parish to follow person-per-gathering limits set by public health authorities, which may vary by locality. Contact your parish for details on in-person participation.

If the number of participants exceeds the limit, the priest or a minister will have to ask individuals to leave. Please avoid putting our beloved priests & ministers in this unfortunate position. Above all, exercise charity!

Social Distancing · The Diocese requires every parish to ensure social distancing with due respect for the reverent enactment of the sacred rites. Kindly follow the directions of ministers, as well as posted signs & markings.

Disinfection & Ventilation · The Diocese requires every parish to ensure disinfection & ventilation before & after each liturgy. The church may be closed briefly, if necessary. Please follow the directions of your parish.

Holy Water & Hymnals · The Diocese requires every parish to remove holy water from all fonts & hymnals/missalettes from pews.

Porters · For each liturgy, parishes are encouraged to assign at least one "porter" —a minister who keeps watch at the doors. Porters ensure that capacity limitations & related safety practices are observed. This ministry is especially challenging at this time. Please be patient, understanding, & kind in following the directions of all ministers.

Preparing

Making Plans · During this time and due to capacity limits, please do not plan to attend liturgies at any parish at which you are not registered.

Face Coverings · You are expected to wear a cloth face covering or disposable face mask. Please bring your own. Parishes may have a limited supply designated for those in true need, not for general distribution.

Hand Hygiene · You are expected to disinfect your hands when entering the church & encouraged to do so again immediately before receiving Communion. Please bring your own hand sanitizer, which should contain at least 60% alcohol.

Celebrating

Processions · Ministers will maintain social distancing during processions. Please also remain six feet from ministers in procession.

Presentation of the Gifts · The Diocese requires that the presentation of gifts by members of the assembly be omitted.

Collection · A collection may take place. Please be attentive to the directions of your parish. If available, please consider supporting your parish through online giving.

Lord's Prayer · The Diocese prohibits holding hands during the Lord's Prayer.

Sign of Peace · The Diocese requires that the invitation "Let us offer each other the sign of peace" & the exchange of peace that follows be omitted.

Communion

- The Diocese suppresses the distribution of the Precious Blood until further notice.
- Only priests, deacons, & instituted acolytes distribute Communion.
- All present who are in a state of grace may receive Communion. Those who have health concerns are not obliged.
- Please follow the procedures of your parish for the distribution of Communion.
- Please maintain social distancing in the Communion Procession.
- You are encouraged to disinfect your hands immediately before receiving Communion.
- You retain the right to decide how to receive, whether on the tongue or in the hand. Please prayerfully consider temporarily receiving reverently in the hand.*
- It is not permitted to receive Communion in the hand while wearing gloves. If you are wearing gloves and will receive Communion in the hand, please remove your gloves for the reception of Communion.
- Ministers are encouraged to disinfect their hands immediately after each & every communicant who receives on the tongue, even if no physical contact has occurred.
- Ministers are also encouraged to disinfect their hands immediately if accidental contact is made with a communicant's hand.

ST. LUCY 'NO CONTACT

FOOD COLLECTION'

St. Joseph Catholic Church parking lot

Friday, June 5, 2020 – 10:00 am – 2:00 pm

We are in the midst of an unprecedented period of time in our world. A pandemic has attacked our country, cancelled our Masses, closed our schools, shuttered businesses and caused depression level unemployment. More people are food challenged than ever. If you are one of those who are food challenged, we are praying for you. Although, there are positive signs pointing towards some relief from this shutdown, we still have to endure challenges before the end of this period of trial.

If you have food you can share, The St. Lucy Project is there to help you donate food to those in need within our diocese

A special St. Lucy Food Collection will take place in the **St. Joseph Catholic Church parking lot** on FRIDAY JUNE 5 between the hours of 10 AM - 2 PM.

This will be a "no contact" collection. If you would like to participate in this donation, please follow the steps below:

- **Place your food donations in the trunk or hatchback of your vehicle.**
- **Enter the church parking lot through the Peachtree Street entrance.**
- **The St. Lucy Truck will be positioned near the school gymnasium.**

Volunteers will direct traffic towards the truck.

Once near the truck, volunteers will take your food donation from your vehicle.

No need to get out of your car. No reusable bags. Plastic or paper is fine.

Volunteers will direct you to the exit at Franciscan Way.

St. Joseph's parishioners have always been staunch supporters of the St. Lucy Project. We thank you in advance for your help and support of this most gracious act of mercy.
