Caragh Parish Newsletter, Sunday, 19 March 2023 (No. 1100)

A very happy Mother's Day from all in Trócaire! Today we celebrate mothers and those in a mothering role who tirelessly work to create a positive environment in which their children can thrive. Ambiyo (36) has eight children, ranging in age from six months to fourteen years. After the birth of her youngest daughter in the family's hut, Ambiyo received life-saving care from the Trócaire health clinic nearby. Without this medical help, she would not have survived. In Somalia and other countries around the world, Trócaire, together with our partners, provides maternal care for expectant and new mothers through antenatal clinics, medical care during labour and delivery, and nutrition programmes for children. Your support this Lent will provide healthcare to mothers and babies, and train new midwives in some of the most fragile countries in the world. www.trocaire.org

Lord, we pray for mothers in places of conflict, natural disaster and injustice. Give them the strength to cope with the challenges they face. May all of us have the courage to work for a world where all women experience equality and justice. We pray to the Lord.
