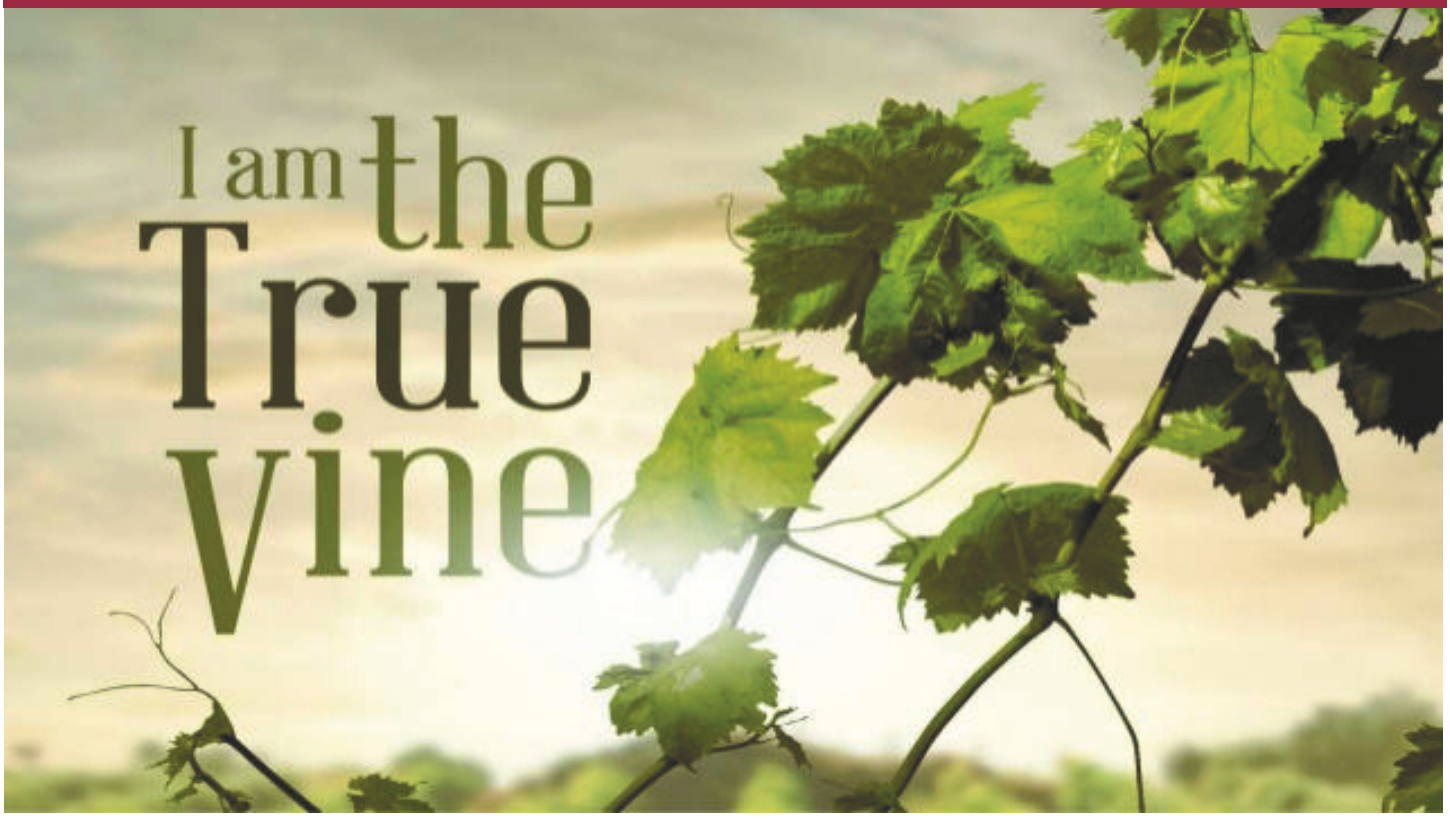
Called to Love, Learn and Live Jesus



"I am the true vine, and my Father is the vine grower. He takes away every branch in me that does not bear fruit, and every branch that does, he prunes so that it bears more fruit." — *John 15:1-2*

Fifth Sunday Of Easter

From Father Zywan

A Holy Time, A Holy Season

As the beautiful Easter season continues to unfold before us, so too, does the life-changing Easter sacraments take place before us. Over the next few weeks, 93 children in our parish will be receiving their First Holy Communion. Perhaps like me, you can recall your First Holy Communion day: the church, being nervous, your family, the weather, the delicious foods, extended family and guests, and the *greatest gift of all* – being able to receive Jesus in the Holy Eucharist for the very first time!

What a holy time for all families, our parish community, and the whole Church. That's because the Lord continues to so generously give Himself to more and more of His people in the gift of Himself – His very Body and Blood!

With the eyes of faith, I encourage you to take the time to reflect on what God has done for you, and what He continues to do for all of us as the people He has made His own. Allow what you witness at Mass or hear about in the life of the Church to be a source of inspiration and renewal. Share at family meals or times together memories of your First Holy Communion. By sharing your experiences of Jesus, may experiences remain *alive*, your faith be *renewed*, and may others come to know Jesus better! That's how we make disciples – by becoming *better disciples* ourselves.

In Jesus' love, *Fr. Zywan*

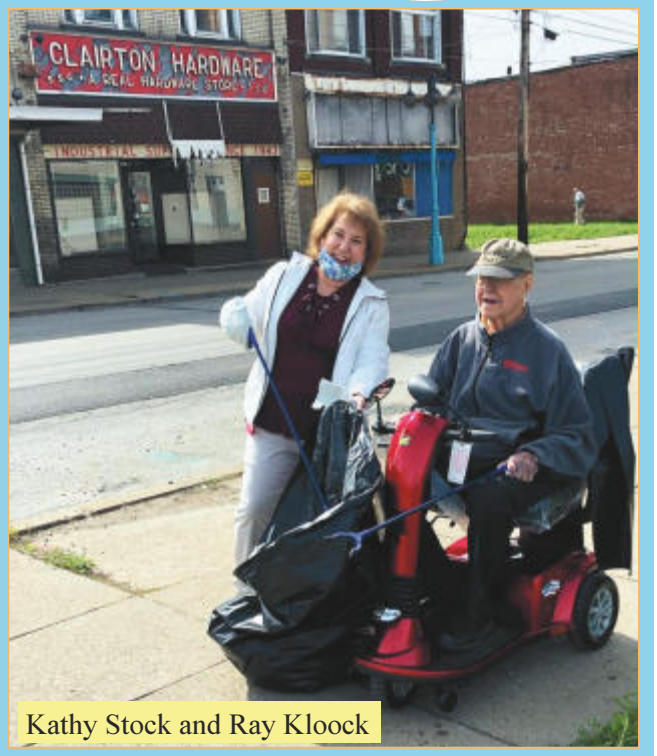
A Lot More than *Just Trash!*

CLAIRTON CLEAN-UP DAY

What an *amazing* day! Last Saturday (April 24), the City of Clairton hosted its annual city-wide clean-up day. God provided us with a *beautiful day* – not too hot and not too cold. And you, the good people of Triumph of the Cross parish, were *absolutely amazing!* Around 40 members from our community volunteered to partake in this project, but be sure it was about more than just *picking-up litter*. Lord knows how many bags of trash were gathered; a visible difference was certainly made. But this "clean-up day" was just an excuse that God used to assist Him in building-up the kingdom!



Kathy Stock and Ray Kloock

Here's are some of the REAL outcomes of the day: the making of new friends, a first time visit to one of our beautiful churches for some, working side by side and "breaking bread" with members of other faith communities in the area, the satisfaction that comes from accomplishing a task – together, sharing in the mission of the Lord as co-creators by restoring the beauty of nature, serving as co-redeemers with the Lord by working together in restoring hope and deepening the spirit of true *caritas* – love for our neighbors. What was most moving to me was the appreciation expressed by five young boys from a local youth center who were filled with such amazement and appreciation for "*all these people who are not from Clairton*" who came to their town to help. They repeatedly communicated a most sincere "thank you!"

The fact is that for all of us, our deepest joy comes from serving others. We all felt this truth. Chris and Melissa Lippi expressed their experience as a family:

> "Clairton is our neighbor…how easy it is to show our neighbors love and serve them." —*Melissa*
>
> I never did anything like this with my parents… this is really special. I'm so glad we did this together as a family." —*Chris*

The Lippi Family
Christopher, Ava
Melissa & Chris

This day served as a great example of stewardship in action. Praise God! Amazing things happen when our gifts and strengths meet others in their greatest need. That's what I call a miracle, and last Saturday, I was blessed to witness just that! Looking forward to what we will accomplish in the future – together! *May God be praised in all that we do!*

In Jesus' love, *Fr. Zywan*

Woodworking with St. Joseph Update:

Soon we will begin our second woodworking project for our parish. As part of the Year of St. Joseph and the continuing establishment and recognition of our parish, Triumph of the Holy Cross, we will be making "wooden tile name plates". These wooden tiles will be provided to every household of our parish (and anyone who would like one). You will be asked to place a family surname on the tile by painting, etching, vinyl letters, etc. Once the wooden tile has the name they can be decorated or "crested" and then returned to the Faith Formation Office. The tiles will be collected and each of the tiles will be placed on 1 of 4 large standing wooden crosses. These crosses will be displayed on September 12 in anticipation of our Parish Feast Day of the **Exaltation of the Holy Cross** on September 14. The 4 crosses will be rotated throughout the 4 churches of our parish through December 8, 2021— the culmination of the Year of St. Joseph. Start to think about the unique way you will present your family name on your tile. More details to come!

Pick up your recipe card in all of our churches and also available in the parish office (located at St. Thomas à Becket) and the Faith Formation Office (located in Pius X Hall on the St. Elizabeth of Hungary Campus), or **see page 9 of this bulletin**. Please take a card or two and share them with your friends and family, as we work together to create our first Triumph of the Holy Cross **Parish Cookbook**. Please return your recipe card to Jen Michalka in the Faith Formation Office.

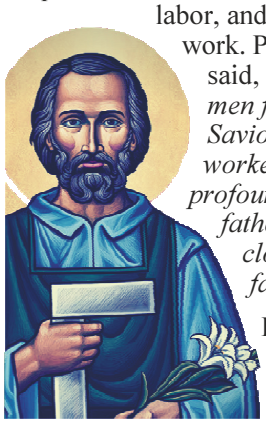
Coming this summer … "Cooking with the Saints" Zoom gathering. A guest recipe contributor will make their recipe during a cooking segment via Zoom. Each week we will also make a recipe that has been attributed to a religious order or a particular Saint, selecting recipes from the books, **Dinner Party with the Saints** *by Woodene Koenig-Bricker* and **Cooking with the Saints**, *by Alexandra Greeley and Fernando Flores*. It promises to be a lot of fun and a great way to meet many of our parish's saints in training culinary stars. More information will follow in the coming weeks.

This year has brought powerful yet challenging experiences for many of our families as they completed their formation in faith with their children from home. As we prepare to bring our year to a close in the first couple of weeks of May, (with some families who may have needed extra time completing their work by mid-summer) many have asked what is happening in the fall of 2022. Details are still being worked out as we learn more about our future pandemic protocols as well as other particulars.

We anticipate announcing our fall plans as the academic school year draws to a close in all our local school districts. Stay tuned for more information.

Reflecting on the Virtues of St. Joseph

One of the titles given to St. Joseph is the *Model of Workmen.* To foster deep devotion to St. Joseph among Catholics, Pope Pius XII instituted the feast of Saint Joseph the Worker in 1955. This feast extends the long relationship between Joseph and the cause of workers in both Catholic faith and in devotion. Saint Joseph, the carpenter is held as an example of holiness of human labor, and is held up as a model of such work. Pius XII emphasized this when he said, *"The spirit flows to you and to all men from the heart of the God-man, Savior of the world, but certainly, no worker was ever more completely and profoundly penetrated by it than the foster father of Jesus, who lived with Him in closest intimacy and community of family life and work."*



It is fitting for us to ask for St. Joseph's intercession as we work and carry out our vocations in life.

Prayer for the Intercession of St. Joseph the Workman

God, the creator of all things, who formed the law of labor for the human race, graciously grant that by the merits and patronage of Saint Joseph, we may do the work You assign us and earn the reward You promise.

Lord God, You have created all things, and imposed on man the necessity of work. Grant that, following Joseph's example, and under his protection, we may accomplish the works You give us and obtain the rewards You promise.

This we ask through our Lord, Jesus Christ. Amen.

Reflect and Walk with St. Joseph

We will be walking with St. Joseph on:

Wednesday, May 5 — 1:00 - 2:00PM (weather permitting). We will meet near the entrance to Vincentian Hall at St. Thomas à Becket Church and begin with the Litany to St. Joseph.

Wednesday, May 12 —11:00AM - Noon, (weather permitting). We will meet near the entrance to Vincentian Hall at St. Thomas à Becket Church.

Saint Elizabeth Elementary School NEWS

SPRING is bringing NEW LIFE to our St. Elizabeth School Physical Education Classes!! We have been hibernating inside all winter long. Although we have enjoyed the warmth of the gymnasium, we were anxiously awaiting activities in the fresh air of SPRING! What a perfect time to practice deep breathing, centering and grounding. Just as God is THREE in ONE, our students are reminded that we, too, are three in one; BODY, MIND and SPIRIT. In P.E., we work to keep all three parts healthy.

We call our version of Yoga … **YoGod**, which uses deep breathing with stretching and strengthening.

We take some time to STOP.
Breathe God in for 4 seconds…
Hold Him in your heart for 4 seconds…
Then **Blow out** for 8 seconds everything other than God.

With some practice in contemplative and centering prayer, the students are learning how to manage stress, calm themselves and recharge their spirits with God's breath of life.

After some mindfulness, we are ready for action!! We had a family business donate some Frisbees for each student so we are learning Ultimate Frisbee and Frisbee Golf!

We also add maintaining a healthy EARTH to our P.E. healthy responsibilities! Thanks to all students, families and parishioners who have been collecting plastic caps for our *Caps to Benches* recycling program!! We finished up collections last week and have more than DOUBLED our goal of 200 lbs!! In honor of EARTH DAY, the students spent last week collecting, sorting and weighing over 440 lbs. of plastic caps that we have kept from landfills and leaching toxins into soil & water systems.

Thanks for all of your PRAYERS AND SUPPORT!!
