Our Lady of Loretto School

Annual Fund-a-Need Donation Form

Classroom Electronics

We need your help to update AND purchase more technology for our children's classrooms! Please help us to fund iPads and covers (approximately $10,000), Apple TVs and hardware (approximately $2,000) and projectors (approximately $10,000). Any amount will help us to our goal for a ***total project cost of $22,000****.*

All donations will go directly to support the purchasing and installation of new electronics for each classroom. If we exceed the needed funds for this project, we will put the remaining donations towards more classroom electronics.

If you would like to donate to this year's Fund-a-Need, please complete the form below and turn it in to the school office.

- ○ *$100 Donation*
- ○ *$250 Donation*
- ○ *$500 Donation*
- ○ *$1,000 Donation*
