Regulations on Fasting and Abstinence

The dual disciplines of fasting and abstinence have a long history in the Catholic Church. Going back to the early Church, the purpose behind the custom of self denial is not punishment; it is to simplify our lifestyles so that we create a certain emptiness. In this way, freed from all distractions, we are able to hear and respond to God's continued call to conversion and holiness.

✦ ***Fasting*** is to be observed on Ash Wednesday and Good Friday by all Catholics between the ages of 18 to 59 years (inclusive).

On days of fasting, one full meal is allowed. Two smaller meals, sufficient to maintain strength, may be taken according to one's needs, but together they should not equal another full meal. Eating between meals is not permitted, but liquids are allowed.

✦ ***Abstinence*** from meat is to be observed by all Catholics who are 14 years of age and older. Ash Wednesday, all the Fridays of Lent, and Good Friday are days of abstinence.

Note: If a person is unable to observe the above regulations due to ill health or other serious reasons, they are urged to practice other forms of self denial that are suitable to their condition. Fasting, almsgiving, and prayer are the three traditional disciplines of Lent. The faithful and catechumens should undertake these practices seriously in a spirit of penance and of preparation for baptism or of renewal of baptism at Easter.

Ayuno y Abstinencia Cuaresmal

El Miércoles de Ceniza y el Viernes Santo son días obligatorios de ayuno y abstinencia para los católicos. Además, los viernes durante la Cuaresma son días obligatorios de abstinencia.

Para los miembros de la Iglesia de rito latino, las normas son obligatorias desde la edad de 18 años hasta los 59. Cuando se ayuna, se le permite a la persona comer una comida completa, así como dos comidas más pequeñas que juntas no equivalgan a una comida completa. Las normas sobre la abstinencia de carne son vinculantes para los miembros de la iglesia católica de rito latino desde los 14 años en adelante.

Los miembros de la iglesia católica de rito oriental deben observar la ley propia de su iglesia *sui iuris*.

Si es posible, el ayuno del Viernes Santo se continúa hasta la Vigilia Pascual (la noche del Sábado Santo) como el "ayuno pascual" para honrar el sufrimiento y la muerte del Señor Jesús y prepararnos para compartir más plenamente y celebrar más apropiadamente su Resurrección.
