Thanks to All Who Made Our 2022 Parish Fall Festival A Success…

I am so impressed at the generosity of our all of our faithful parishioners and alumni who helped to make our 2022 Parish Fall Festival a HUGE success. Almighty God blessed us two-fold with a wonderful Fall evening to enjoy the outdoor events and the generosity of so many wonderful people to make it a "**FUN**-raiser." We had people responding in so many ways to support our mission, such as: ***Sponsorships, *Donating Items for the Silent Auction; *Donating Bottles of Wine for the "Wine Grab"; *Donating cases of water; *Donating Gatorade; *Entering the Drawing; *Donating packaged sweets for the Cake Walk; *Setting up for the event; *Working Booths from 5 - 9 pm; *Cleaning Up after all the fun; *Attending the Parish Festival; * Bringing your family and friends to enjoy our parish hospitality; and just being together as a Catholic community.** With all this love for our parish, I am truly grateful to all of you. As soon as all the bills have been paid, we will share with you the proceeds of the 2022 Parish Fall Festival.

We Will Begin Having A Second Collection Each Weekend…

Last week I met with the Christ the King Finance Committee to go over our current parish finances. After discussing finances, we all agreed that a **second collection** is needed to help with some major Capital Expenses that we need to address NOW! ***Each weekend this collection will take place right after the first collection and we will announce what it will benefit at each Mass***. (Throughout the year there are those second collections the Bishops of the United States have made "mandatory" for all parishes to support various causes, as well as a few second collections that support the Archdiocese like Catholic Charities and St. John Paul Newman Center).

The Christ the King School Air Conditioner Went Out…

One of the major air conditioners went out at Christ the King School. We are in the process of obtaining three bids. We currently have one for **$55,000**. This Capital expense is not in the current 2022-2023 fiscal budget. We are also looking at all the units. One of our Finance Council members suggested that we look at them so that if there is another one that needs replacing we can do both at a cheaper cost. So, if you would like to help initiate a FUND for this improvement, you may write a check and direct it to the **CTK Air Conditioner FUND.** If we all make a donation beyond our regular Sunday Giving, we will be able to replace it soon.

Remember the Hail Storm In the Spring????

Do you remember when we had water coming into Church from the roof???? Catholic Mutual, our parish campus Insurance agency, did a survey of all our roofs. Their findings showed that our Church roof, School roof, and Parish Center Hallway skylight were all damaged. As a result, they are replacing them. **Thank God for insurance.** Our Church roof project will begin soon. The school roof will begin getting fixed in May, the day school lets out for summer break. Please be patient with the church roof project as some entrances may be blocked off temporarily for the safety of our parishioners and visitors attending Mass.

Faithful Sunday Stewardship is the Responsibility of All Parishioners…

All Churches throughout Omaha, whether Catholic or Protestant, rely on the generosity of their parishioners to continue the mission of spreading the Gospel. Christ the King Parish has been a major Catholic entity for the Omaha community. In 2023, we will mark our 70th birthday as a Parish. Seventy years ago, our founding parishioners made many sacrifices to build what we have today. ***Today, we as the members of this church, have the responsibility to maintain what we have to strengthen the works of evangelization for future years. I ask all of you to support Christ the King through your Sunday Stewardship.***

Your Pastor, Father John L. Pietramale

Pastor's additions

How Can You Help Christ the King Parish Over and Beyond Your Sunday Giving?

You can always support our Parish by directing a donation over and beyond your regular Sunday by giving to:

- **Christ the King Educational Trust Fund**
- **CTK School Tuition Assistance Fund**
- **Christ the King Ladies Guild Fund**
- **Christ the King Maintenance Fund**
- **CTK St. Vincent de Paul Conference**
- **CTK NEW Playground Fund**
- **CTK School Air Conditioning Fund**
- **CTK Parish/School Technology Fund**

So let's say I annually give to Christ the King Parish $ this amount to support the mission of the Parish. I continue to give this amount for my Sunday giving but I add $this amount to a certain fund throughout the year!!!

Going above and beyond is a beautiful thing!

Every October, we in the Catholic Church consider more deeply why *every* human life is valuable and reflect on how to build a culture that protects life from conception to natural death.

Why it's Important

One of the most fundamental truths that we proclaim is that human life is a precious gift from God; that each person who receives this gift has responsibilities toward God, self and others; and that society, through its laws and social institutions, must protect and nurture human life at every stage of its existence. That means every human life. At every point in their life.

Human persons are willed by God; they are imprinted with God's image. Their dignity does not come from the work they do, but from the persons they are. (St. John Paul II, *On the Hundredth Year* [*Centesimus annus*], no. 11)

LIVE THE LITURGY
Inspiration for the week

Why does God allow evil and suffering to occur? Looking around at what is happening in the world, it is tempting to get angry with God for not actively intervening. Jesus walked among the suffering and evil of his day. While he healed some things, he simply sat with the sinner, challenged the leaders, and spoke against injustice. Jesus spoke of God's kingdom and his vision for humanity. But he made it very clear that it is our responsibility to realize this vision. The disciples saw how Jesus lived and dealt with the day's circumstances. They wanted that same faith and determination. They wanted his fortitude and courage. Mostly, they wanted Jesus' confidence and patience that God's vision would someday be fulfilled. In the meantime, waiting in joyful hope, we become servants who do what is necessary: love, repent of our sin, show mercy, be compassionate and fight injustice. Willingly giving witness to our faith, we expect nothing in return.

A Teaching Mass: Presenting Ourselves to the King

6:30 PM on October 17th at St. Cecilia Cathedral

Join the Serra Club of West Omaha for an engaging evening of reflection on "A Teaching Mass: Presenting Ourselves to the King." Father Frank Baumert, Serra Chaplain, will guide participants through the parts of the Mass, its setting in the church building, and the meaning behind those things as they relate specifically to the KINGDOM of Heaven. This is not just a generic look at the parts of the Mass but a detailed look at why Jesus referred to his home as the KINGDOM of Heaven rather than just Heaven. Assisted by Rev. Eliot Schwer, Associate Pastor of St. Cecilia Cathedral, the evening will kick off with registration in the Narthex, where you will pick up a Mass information packet. This 90-minute Teaching Mass will begin promptly at 7:00 PM in the Sanctuary. Bring a journal, and going forward, be prepared to present yourself to the King at every Mass! Please invite your family, friends, and guests to join us! All are welcome! RSVP here to help us plan for success: https://www.signupgenius.com/go/10C0E4CAAA72BA6FECF8-ateaching
