AUGUST 14, 2022 • TWENTIETH SUNDAY IN ORDINARY TIME

From the desk of

Father Rick Yanos

Today we celebrate the Twentieth Sunday in Ordinary Time. The gospel proclaimed today is, however, anything but ordinary. In it Jesus says, "I have come to set the earth on fire, and how I wish it were already blazing!" He also follows up with, "Do you think that I have come to establish peace on earth? No, I tell you, but rather division." He also says that households and members of these households will be divided against each other because of truly following his teachings.

What could all this mean? Very simply and very truly, Jesus recognizes the lukewarm interest his listeners have in him. As a result, his aim is not to comfort those with this attitude but rather to jar the crowds out of this lukewarmness with the result of hopefully changing their lives forever. "Fire" and "Baptism" are the images that Jesus uses to break through the crowd's casual attention and skepticism that he is who he claims and can do what he promises.

Jesus seems desperate that his disciples understand that he does not call them to a tranquil life, but rather, one like his own. He seeks bold disciples and followers who do not put out fires but keep the fire going that he set ablaze, who do not shy away from the interpersonal conflicts that come with his presence and work, but trust that his Spirit is working with them.

The Gospel lists the detailed ruptured family relationships and wrenching personal consequences that can accompany living one's life with the Lord. True disciples must expect that commitment to Jesus can change even the most cherished relationships.

As our three uniting parishes embrace the Renew My Church endeavor, we are finding the process of accepting the fact that the loss of membership and Mass attendance and participation in all three of our parishes has created a situation that needed serious attention. No one wants to see any parish close, especially if it is your own. As humans we always look for someone to blame, however, in this case we must honestly look to ourselves and especially those within our communities of faith who seem to have forgotten the importance and value of church attendance and worshipping together with our brothers and sisters, family, and neighbors in the faith. Churches don't close when worshippers fill the pews. They only close because the pews get emptier, and the remaining faithful church goers can no longer afford to keep the parish facilities operational. This is what has happened in our area and will continue to happen if we don't find ways to get our brothers and sisters re-engaged in their faith and worshipping together again. I wonder what Jesus would say to each of us if he walked up to the pulpit next Sunday. Even more importantly, what would our reaction be to what he would say especially if it was the message of today's gospel? Something for all of us to think about.

Speaking of things to think about, I recently received our official Facilities Assessment Report from the Archdiocese of Chicago regarding the condition of our St. Eugene Campus facilities as well as the Our Lady Mother of the Church Campus. The report is very extensive and detailed. Some of the recommended repairs and improvements to our campus include masonry and lintel repairs on our many buildings, window repairs and replacement especially the parish offices/rectory, roof repairs, sealant replacement, plaster repairs, mechanical and electric repairs, and sitework across the entire campus. The total estimated repair/maintenance costs for these projects is \$2,725,825.00. Again, this is solely for the St. Eugene campus. As you can see there is much work that needs to be done to bring our parish campus/facilities/buildings to where they need to be. This is the result of too many years of deferred maintenance. Keeping a campus the size of ours maintained is very costly. It is for this reason that many parishes and schools are

having to look at closing their doors and why parishes are needing to join together to pool their resources in order to stay in existence and remain viable. In just three weeks our local community will be saying goodbye to the parish church of Divine Savior that will be closing its doors. This closure saddens me and certainly the long-time parishioners who helped to support and sustain their beloved parish over the many years of their presence in the Village of Norridge.

I hear so many people speak of how much St. Eugene Parish or Our Lady Mother of the Church Parish or Divine Savior Parish has meant to themselves and their families over the years, yet look carefully at the numbers of families in each of our parishes and the total collection that is received on a weekly basis. When you look at the numbers that we meticulously report to our parishioners every week in the bulletin. It truly is a sad statement of the lack of support on the part of 75% of our parish members, because the totals that you see reported each week are representative of less than 25% of the parish membership from each of our three parishes. How are we going to realistically look to a bright future if we are not all doing our part to meet our present needs? In upcoming bulletins, I will be sharing with you some of the costs and expenses our parishes incur on a monthly basis. These totals will blow your minds but will also help you to realistically see what it takes to keep our parishes up and running. As you are experiencing in your own personal lives, it is getting harder and harder to keep our operations going when we do not have the financial support of each of our members. As Jesus said in last weekend's Gospel, "For where your treasure is, there also will your heart be." I ask everyone to truly reevaluate what you are offering to our church and to ask yourself if what you are giving is the best that you can do and is in keeping with the degree God has blessed you and/or your family?

It is exciting to see new opportunities blossoming for our parish members. I would like to encourage anyone in our parishes who enjoys crocheting to consider joining the Prayer Shawl Group that meets on Wednesdays beginning, September 7th, from 12 noon – 3:00 pm in the Hayes Center at Our Lady Mother of the Church. This group is also looking for anyone in our parishes that may have extra yarn laying around at home to donate it to their group so that they can continue to make Shawls and Lap Robes for the homebound, Nursing Homes and Veterans homes. You can also make a monetary contribution that will be used to buy the yarn that is needed for this Ministry. Thank you all for the work you are about!

Great news for all our seniors 55 or older. Our three parishes Senior Groups have united to form 1 group called the FRIENDSHIP CLUB. They meet on the second and fourth Tuesday of the month from September through June. Their first meeting will be on Tuesday, September 13th at 11:00 a.m. sharp in the Hayes Center of Our Lady Mother of the Church campus. Please come and enjoy a delicious lunch and an afternoon of great conversation as well as a few games of BINGO.

Finally, I want to thank everyone in our parishes for your participation in the Naming Process of what our new parish name will be. All your suggestions will now be tabulated and prioritized. We will be back in a couple of weeks to vote on the top ten names that have been proposed by everyone. The exciting process of coming up with our new name continues. Have a great week everyone!

PROPHETS

We reflect upon the voice of the prophet in this Sunday's readings. We hear of the suffering and the rescue of Jeremiah. We hear how Jesus anticipates his suffering and death. As with Jeremiah and Jesus, the prophets were sent by God to the leaders and people of Israel. A prophet is one who speaks truth to the powerful, exposing their darker hidden motives and injustices. The prophet presents a way forward that aligns with God's purposes. A prophet can force people away from a comfortable neutrality or indifference. The prophet creates an urgency to make a choice: Are we content with the status quo, or are we to change our ways and pursue a new and better path? Today, we may also ask, how do we identify and respond to prophets of our time? How might we provide a prophetic voice in our Church and in our world?

TREASURES FROM OUR TRADITION The Assumption of the Blessed Virgin Mary (August 15)

In recent weeks, we have reviewed how the Churches of East and West have enriched one another, and this week's solemnity of the Assumption of the Blessed Virgin Mary was born in the Eastern Church. It is a gift from the ancient Church of Jerusalem, a commemoration of the death of Mary, and a feast charged with a deep sense of the Resurrection. Mary, the first disciple, is the first to share fully in Christ's victory over death. In the tradition of the East, today is the "Dormition of the Theotokos," or the "Falling Asleep of the God-bearer." There is no shadow of death or gloom in the theology, since this is seen as a transformation of Mary's life into a heavenly and immortal existence. There is a sense in the tradition that she who made earth heavenly and exalted the human race by her faithfulness is glorified today.

A persistent legend among Orthodox Christians tells how all the disciples, except Thomas, who was preaching in India, were present at Mary's death and burial, and sat by the tomb for three days. On the third day, Thomas saw Mary's body rising to heaven. She greeted him as "my friend," and he was escorted by angels to proclaim her assumption to the others, who then realized her tomb was empty. Thus Thomas, the one who expressed doubt at the resurrection of Christ, received a gift from Mary: the chance to proclaim resurrection faith to the disciples
