Church Enhancements
Town Hall Meeting
May 22, 2018

Interior Design

- Concern about squares/rectangles through the space
- Introduction of arches in select areas – altar, stations, doors, niches

Art/ Statues/ Stained Glass

- Art shown in images are “place holders” showing proposed locations and opportunities for art
- Art and imagery to be part of a separate, but important, discussion. An art consultant will be consulted

Choir

- Choir located in defined area
- Raised steps

Ambo/ Altar/ Furnishings

- To be selected through a separate process – off the shelf or custom made

Tabernacle

- Located in main sanctuary
- Adoration – main sanctuary; exposition – Daily Chapel
- Days & times to remain as current (based on volunteer schedule)

Daily Chapel

- Relocating confessionals – added space and improved proportions
- “Transparent” wall to sanctuary – provide options to screen or close off
- Redondo wall – screen west wall, improve focus on altar

Reconciliation Chapel

- "Waiting line" in sanctuary pews
- Visible from sanctuary

Handicap accessibility (ADA)

- Ramp at altar – part of procession
- All areas accessible

Lighting/AV

- New LED based lighting throughout sanctuary
- AV upgrades

Exterior

- Entrance – define and enhance the main entry to the Church
- Bell Tower part of entrance
- Connector between Church and Parish Hall
- Landscaping
- Covered walkway to entry from parking
