Twenty-Ninth Sunday in Ordinary Time

The last line of today's gospel succinctly defines the mystery and the import of the incarnation. In the person of Jesus, the infinite God took his life so that death would not be the ultimate end of human beings. Once again the disciples, specifically James and John in this case, are concerned about glory and prestige. Jesus tells them that true greatness does not lie in lording power over another, but instead in taking on the mantle of servanthood, just as he has done.

Life Notes…

"There is no more precious gift you can give than life. Our forefathers...fought and bled to bring about in this land a nation dedicated to the premise that all men are created equal."

—Dr. Pat Robertson

Taxpayer Funding of Abortion

The disastrous 1973 Supreme Court decision, *Roe v. Wade,* thrust abortion-on-demand upon the nation, resulting in the deaths of millions of preborn babies every year. But that isn't enough for pro-abortionists. They also force taxpayers to pay for it.

Whether it is spending taxpayer money to fund abortion through private insurance mandates, Medicaid, health plans for federal employees, military personnel, women in abroad, there seems to be no end to the abortion industry's thirst for tax dollars. Abortion providers such as Planned Parenthood continue to receive hundreds of millions of tax dollars every year under Title X, which subsidizes their overhead for promoting abortion, as they divert more and more resources towards abortion.

In 2012, Planned Parenthood reported a total income of $1.14 billion. Taxpayers shelled out $542 million to pad the abortion provider's bottom line through federal and state grants and contracts (or *45% of its entire income).*

All the while, Planned Parenthood reduced non-abortion related programs like breast cancer screening and infertility treatment, and demanded that all its affiliate centers offer surgical abortion.

If we want to reduce the number of deaths induced by Planned Parenthood and other abortionists, we need to end their life line: taxpayer funding.

Month of Holy Rosary and Respect Life Month

In so many ways, Mary is the key that unlocks the door to Jesus and to the interior life. She was the vessel God used to bring about the Incarnation. But she had to give her total, free-will cooperation. She did. Mary is the shortest and most direct route to the Heart of the Lord Jesus. She is an Icon of the Church and Mother of God, Mother of the Church, and our Mother. Her Rosary is, as Saint (Padre) Pio was fond of saying, "The Weapon." Please encourage the daily recitation of the Rosary in your homes during October.

Mary also conceived and gave birth to the Life-Giver and Savior of the Human Race, Jesus. We hear words like that so often, that their importance can pass over us. From all eternity she was chosen by God to be the Mother of God. Jesus took His human nature completely from her. It is also a sure-fire way to combat a culture which is devouring its children. We must show compassion for those who have been party to abortion in any way, but we must also call abortion what it is...a horrific evil and a blight on our world. Let us pray the Rosar-

CONSIDERING EXPLORING SPIRITUAL DIRECTION?

Parishioner Tanya Janoski is available to assist you!

tanilyn@ptd.net (717) 471-1189

Spiritual direction is not counseling. Spiritual direction focuses on a person's relationship with God. Spiritual directors/guides listen, prays with the individual, and offer observations and suggestions that help guide a person along the path on which God is leading them.

Saint John Paul II: 10/22 Feast Day

"In a word, by focusing our eyes on Christ, the Rosary also makes us peacemakers in the world. By its nature as an insistent choral petition in harmony with Christ's invitation to 'pray ceaselessly' (Lk. 18:1), the Rosary allows us to hope that, even today, the difficult 'battle' for peace can be won." Saint *Pope John Paul II*

For Reflection: Do I truly believe that my prayer of the Rosary can be used by God to bring peace to the world? Am I willing to give it a try, so that this culture might be reclaimed for Christ Jesus?

Scheduling of Mass Intention

It has been a longstanding tradition in the Church to accept a donation for a Mass to be celebrated for the intentions of a person, living or deceased. The Mass Book for 2022 will open: **after the 9:00AM Mass on Thursday, November 4 in St. James Hall, and weekdays thereafter, in the Parish Office. The offering for a Mass is $10.00 – ($1.00 extra for a card).**

As we did last year, Mass Intention sheets will be numbered and handed out in St. James Hall, beginning at 8:15AM. It will be on a first come, first served basis.

Frequently, family members desire to schedule Masses for specific days and times and, as much as possible, we try to accommodate each request. Sunday Masses are most-requested and, often, all of the Sunday Masses for the year are usually filled by March. ***So that all parishioners may have equal access to desired dates and times for Masses, the following guidelines have been adopted:***

1. **Mass intentions with no particular date desired will be scheduled for the next available date.**
2. **Requests are on a first-come, first-served basis - You need not stay as we will schedule according to your # in line, but any requested dates conflicting with another scheduled Mass will not be scheduled. I will call you later in the afternoon to make needed changes.**
3. **No more than 6 requests for the scheduling of particular dates, including only 1 request for a Mass of Sunday obligation will be accepted.**

We found that this system has been quite successful in allowing more opportunities for parishioners to come in throughout the following months. *Thank you for your cooperation in making the Mass scheduling process fair for all of our parishioners.*

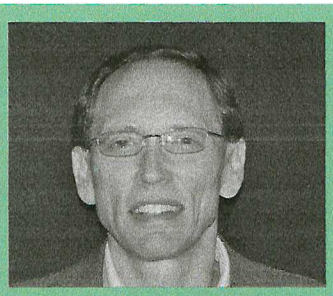
THE JESUS VACCINE

When we were younger, we were "injected" with the Holy Spirit. At Confirmation, our "job" became evangelizing the faith. We are Jesus' physical eyes, ears, legs and arms. Our goal is to bring Christianity to all! But - there is an exception. If you work for a company, you have to get your Jesus vaccine and put Him to rest while at work?! What are we to do? We have a huge conflict between saving souls and making a living. During our "The Jesus Vaccine" discussion, we will find our path in a world that keeps pushing Him aside.



BOB CYBULSKI

Bob has a career that spawned over 35 years and includes working for Fortune 500 companies and start ups. His roles have varied from individual contributor to Vice President and Chief Operating Officer. Bob will share his methods of dealing with the Jesus vaccine.
