Respect Life

The Federal so-called Equality Act (HR 5, S.788) This act passed the House of Representatives on May 17th. If enacted, it would make sexual orientation and gender identity equivalent to existing protections for race, color, national origin, sex, disability and religion under the 1964 Civil Rights Act while negating the free exercise protections of the First Amendment as reaffirmed in Religious Freedom Restoration Act (RFRA). The most publicized provision of the bill is its mandated access to communal facilities "in accordance with an individual's gender identity". Women and girls would be required to share restrooms in schools, colleges and stores and other venues with biological males. When Title IX, which prohibits sex discrimination in education programs, was enacted, women's sports expanded. When sex was interpreted to include "gender identity", any male who claimed to identify as female had the right to participate in women's sports. The result was inevitable.

DRESS IN CHURCH

In the book of Ecclesiastes, it is written in the third chapter, "There is an appropriate time for everything, and a time for every affair under the heavens. A time to be silent and a time to speak". In other words, everything has an appropriate place. I would add a time to dress up and a time to dress down.

We come now into the summer season, the season of flip-flops, short shorts, tank tops and anything else that lets in the sun and cool breezes. The season also brings the dilemma of what is appropriate dress. Are shorts appropriate at a wedding reception, or job interview? Is wearing a suit and tie to the beach called for? Do we wear a dress or pants with shoes to bed and pajamas to the supermarket? I ask you to consider what you wear to worship your Creator. Is he important enough to dress up for? Oh, yes it is true that God loves us just the way we are. Saint Paul writes that because of his relationship with Jesus, he is free to do anything, but qualifies that freedom, with his obligation not to offend or bring harm to others.

The question is, how much do we respect the love our Creator has for us: and are we willing to witness to others that respect, by our dress and behavior. There is a time for everything!

Thank you to our Altar Rosary Society for their generous donation to our Church from their Flower Sale. It is greatly appreciated!

Prayer for our Troops

Almighty God and Father, hold our servicemen and women in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts they perform for us in our time and need.
We ask this in the name of Jesus,
Our Lord and Savior.
Amen.

Saint Michael, the Archangel,
Please guide and protect our Police Officers, Firefighters, Emergency Personnel and First Responders
