Mini Strokes- Essential thrombocythemia is an uncommon disorder in which your body produces too many platelets. Platelets are the part of your blood that sticks together to form clots.
This condition may cause you to feel fatigued and lightheaded and to experience headaches and vision changes. It also increases your risk of blood clots.
Essential thrombocythemia is more common in people over age 60, though younger people can develop it too. It's also more common in women.
Essential thrombocythemia is a chronic disease with no cure. If you have a mild form of the disease, you may not need treatment. If you have severe symptoms, you may need medicine that lowers your platelet count, blood thinners or both.

Stewardship Bulletin Reflection Je 19, 2022 — The Solemnity of the Most Holy Body and Blood of Christ
GN 14:18-20; PS 110:1-4;1 COR 11:23-26; LK 9:11B-17

Today we observe the Solemnity of the Most Holy Body and Blood of Christ. This beautiful feast celebrates the gift of the Eucharist, which the Catechism of the Catholic Church teaches is the source and summit of our Christian faith. "For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ Himself" (CCC paragraph 1324).

The very word, Eucharist, means "thanksgiving" or "gratitude" and so this feast is especially meaningful to all of us who are striving to live as grateful stewards of all God's blessings to us. Surely the Eucharist is the greatest of all blessings because it is not only from God, it is God — the Body, Blood, Soul, and Divinity of our Lord, Jesus Christ.

Today's second reading from St. Paul's letter to the Corinthians reminds us of the depths of love our Lord has shown us in the gift of the Eucharist, recalling Christ's words at the very first Eucharistic celebration. "The Lord Jesus… took bread, and, after he had given thanks, broke it and said, 'This is my body that is for you.'" In that moment, and at every celebration of the Mass thereafter, Jesus gives us His very self in an act of complete humilit and perfect love. How can we possibly show our gratitude for such a sublime gift?

We should receive the gift of the Eucharist with the greatest possible reverence and love. And, following our Lord's example, we can give ourselves generously to others in the week ahead.

Contribute to the St. Boniface Parish for Tomorrow Endowment Fund
We are doing well with our endowment fund. It is currently at $103,000. This will produce a 5% yearly income with ordinary yearly growth of an additional 3-5%. This will be around, supporting your church, for as long as our society and its banking institutions exist! Like for decades after our own death! Additional gifts can be made to this and be matched 2:1 from other funds. Great opportunity. Plan for the end of the year.

Contribuya al Fondo de Dotación de la Parroquia de San Bonifacio para el Mañana

Nos está yendo bien con nuestro fondo de dotación. Actualmente está en $103,000. Esto producirá un ingreso anual del 5% con un crecimiento anual ordinario de un 3-5% adicional. ¡Esto estará alrededor, apoyando a su iglesia, mientras nuestra sociedad y sus instituciones bancarias existan! ¡Como durante décadas después de nuestra propia muerte! Se pueden hacer donaciones adicionales a esto y ser igualados 2: 1 de otros fondos. Gran oportunidad. Plan para fin de año.
