Health Corner

Cold Hands It's common to have cold hands even when you're not in a cold environment. Usually, having cold hands is just one of the ways the body tries to control its temperature and shouldn't be cause for concern. However, persistently cold hands — particularly with skin color changes — could be a warning sign of nerve damage, blood flow problems, or tissue damage in the hands or fingers. For example, if you are outside in extreme cold weather and you have cold hands, skin color changes could be a warning sign of frostbite.

Signs and symptoms to watch for when you have cold hands include:

-Cold feet or toes

-Changes to the color of the skin on the hands

-Numbness or tingling

-Open sores or blisters

-Tightened or hardened skin

What does St. Gregory represent in Catholic Education

-St. Gregory can now boast third-generation students. Many grandparents of current students are as actively involved in the school as when they were parents of St. Gregory children. St. Gregory School has fulfilled the early vision of those instrumental in its history. We recognize parents as the primary educators of their children. We assist parents by providing sacramental prep and weekly confessions to support the family.

-We are a leader in educational circles, committed to educating the total child. We are a multicultural community that values the richness of life itself, the dignity of the individual and the infinite possibilities of the person. Like our founders, we will continue to provide the same quality of life and quality of schooling that many have come to expect. St. Gregory Catholic School will both lead and succeed in the 21st century.

Stewardship Reflection on the Readings May 21, 2023 — The Ascension of the Lord
ACTS 1: 1-11; PS 47:2-3, 6-9; EPH 1:17-23; MT 28:16-20

Today, we celebrate the great feast of the Ascension of our Lord, that glorious moment when Jesus, 40 days after His resurrection, was lifted up — quite literally— into heaven, as the apostles watched in stunned amazement. It is recounted in both our first reading, from Acts, as well as the Gospel passage, from Matthew. It must have been an extraordinary thing to witness.

But the first reading tells us that the apostles were not permitted to simply bask in the moment for very long. “While they were looking intently at the sky as he was going, suddenly two men dressed in white garments stood beside them. They said, ‘Men of Galilee, why are you standing there looking at the sky?’ Go be witnesses.”

This verse is a call to each one of us Christian stewards this very day. We have been given every grace and blessing through the Mass and all of the sacraments, through the Word of God, the rich teachings of our faith, and even our talents and our material possessions.

And like those first Apostles, we are not meant to just stand here but to do something with these gifts — in love and gratitude to the One Who gave them to us. We are called, just as much as the first apostles “to be [His] witnesses… to the ends of the earth,” not with our own power, but through the power of the Holy Spirit in us.

Contribute to the St. Boniface Parish for Tomorrow Endowment Fund
We are doing well with our endowment fund. It is currently at $103,000. This will produce a 5% yearly income with ordinary yearly growth of an additional 3-5%. This will be around, supporting your church, for as long as our society and its banking institutions exist! Like for decades after our own death! Additional gifts can be made to this and be matched 2:1 from other funds. Great opportunity. Plan for the end of the year.
