A Note From Mrs. Foley

It was great to be with our Classroom family for a full five day week. This week we focused on the letters Mm-Pp during ABC bootcamp and comprehension during our reading time. We are working on building our stamina to 10 minutes to learn the next parts of Daily 5. We have completed our first chapter in math. Next week, students will have a chance to show what they know about numbers 0-5.
We also began our first social studies unit which focuses on the question "Who AM I?" On Friday, students learned about Constitution Day and made flag snacks for Foodie Fun Friday!

A Peek At What We Are Learning

Reading — Nursery Rhymes, reading comprehension, and building our reading stamina

Writing — What does kindergarten writing look like, our sound card, letter and sound connection, writing left to right and top to bottom.

Math — Chapter 1 - Numbers 0-5

Science — Scientists use tools, make predictions, and record observations

Social Studies — Who am I? I am a person.

Theology

Mrs. Brammer is helping us learn about Noah's Ark.
