FROM THE DESK OF FR. RICH

Today, we celebrate the Fifteenth Sunday in Ordinary Time.

The events in our first reading from Deuteronomy takes place as the Israelites are camped on the shore of the Jordan River, ready to enter the Promised Land. Moses makes it clear to the people that they are expected to remain faithful to the Lord after they have settled in their new land.

Today and for three more Sundays, the second reading will be from the letter to the Colossians. This letter responds to a widespread belief that God ruled the world through the mediation of angels who were given their own powers. The author quotes an early Christian hymn that emphasizes that Jesus is the one and only mediator between God and the world.

With the active fundraising for the Generation to Generation Campaign now completed, I want to personally acknowledge and thank our Queen of Peace individuals and families who have supported this Archdiocesan campaign enabling us to get to \$1,414,439.50. So close to our \$1,440,000.00 goal. Currently we are only \$25,560.50 short of reaching our goal. I also want to thank from the bottom of my heart our Leadership Team, who from the beginning of this campaign have given their all, gathering at least twice a week for the past six months meeting with parishioners or making phone calls asking for their support for this very important endeavor and coming together for informational and training sessions.

As you know, this is a five-year pledge campaign which means our parish will not see our total

portion of the funds given or pledged until the campaign is officially over in 2030. This is, of course, if everyone follows through on their commitments.

I would just like to add one more important thought that I ask all in our parish to consider and to pray about. Since the entire campaign goal was supported by only 9% of our registered membership or 200+ families/individuals, I must ask, where is the support of the remaining 91% of our registered members? The sad reality here is that only 9% of our community has provided for the 100% of parishioners who rely upon our parish or utilize the services of our parish throughout the year. We fully realize that not all families can support this campaign equally, but everyone can do something. Even \$5 or \$10 a week times 52 weeks equals \$260 or \$520 a year times five years equals a \$1,300 or \$2,600 pledge/contribution. We would have hoped every family would at least be able to make these levels of support and what a difference that would make here in our parish.

Finally, I would like to say that it is not too late to contribute to or to support our Generation to Generation Campaign. You can do so by filling out one of the pledge campaign envelopes that can be found at the doors of our churches or by picking one up at the parish office. Please consider or reconsider what you might be able to do to be a part of this parish-wide effort. Remember, for every dollar we raise, once we reach our goal, 80% of the collected funds will be returned to our parish and will be used to complete the projects laid out in the campaign brochure that you all received. Please help us by offering your support. We're counting on you!

QUEEN OF PEACE PARISH

Thanks to many positive comments we have heard regarding the new large-screen televisions that have been installed in our church sanctuary. You will be seeing many additions and improvements over the months ahead as our tech team gains more knowledge and mastery of what we can do with this new technology. Our songs, liturgical prayers, announcements, etc. will now be able to be viewed and will assist all in our congregation. Videos like the recent presentation at Rate Field (Sox Park) from Pope Leo XIV a couple of weeks ago, will now be available for our viewing and will be able to keep us all abreast of current happenings in the world, our archdiocese and parish. If there are any parishioners that have a computer or tech background that might want to offer their services to assist us in this new area, please contact our Director and Assistant Director of Music -- Lydia and/or Vince Hilado.

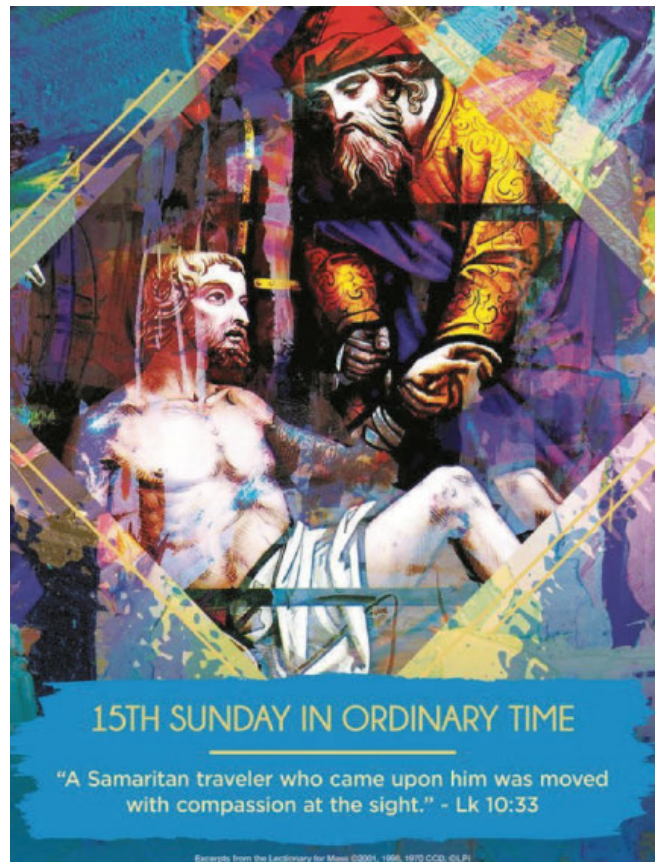

Some other great news! As you know, when we began the Renew My Church process our existing Parish and Finance Councils were disbanded until the newly formed parish was well established. For the past many months, we have been meeting with parishioners and discerning potential candidates for our newly forming Parish Pastoral Council. This process led to the discernment of twelve new members who are our new Parish Council. They are: Christian Giacalone, Rose Molas, Domenica Duszynski, Jodi Fedoruk, Dina Calabro, Frank DiPiero, Gail Henderson, Perry Juridico, Pat Peterson, Garrett Pustay, Mary Unger and Stephanie Romeo. Very shortly you will get to know them through their pictures that will be printed in our bulletin along with a little bio about each of them. It was important that we have a

nice mix of parishioners who were former members of our three united parishes. I want to thank them all for their willingness to serve our parish community in this capacity. More to follow...

Very shortly our newly established Finance Council will also be fully operational.

Hoping everyone had a terrific 4th of July weekend and continue to have an enjoyable and relaxing summer. Hard to believe it's almost half over already.

Gospel Meditation

Encourage Deeper Understanding of Scripture

I used to be a bad neighbor. I'd get wrapped up in my life and ignore those around me. Then I found sage advice from Benjamin Franklin to this effect: to be a better neighbor, ask someone to do a favor for you. It's counterintuitive, isn't it? Tell strangers that I need their help? Yuck. I'll risk looking needy. Worse, I'll be indebted to them. But I tried it, and it works like a charm. Recently I asked my neighbor Alan for a hacksaw, and Inga for an egg. They kindly obliged, and our friendship is growing.

This week we hear a scribe of the law cynically ask Jesus, **"And who is my neighbor?" (Luke 10:29)**. Like him, we prefer to keep the list of our "neighbors" as short as possible. It requires less interruption and inconvenience. But when Jesus tells the parable of the Good Samaritan, he exposes the lonely, cold-heartedness tendency of the scribe's (and our) heart. My "neighbor" is anyone I encounter who manifests a concrete need. There isn't time to require any other credential because human need opens us to the happy reciprocity which is love.

Jesus' words challenge us this week to ask a neighbor for help in some small way. How marvelous that God himself shows us how. He moves into our world and asks us to love Him with small deeds of love. Maybe that's where Ben Franklin got the idea.
