Give away!

Yes, it is not easy to give away anything that is good or dear to us; It is also very hard to give up on our own bad habits or anything we possess that matters to us. Let us face it. The giving up of anything in any form is going to hurt, as it hurt Saint Paul when he had to give up his entire past to follow Christ, it hurt him so deeply that he groaned: ***"God's word is sharper than any two-edged sword."*** (Heb. 4:12) The very positive thing is that the Wisdom of God, assures us that in return for what we give up, we will be repaid with eternal life a hundredfold in this life; namely, an inner peace, a deep feeling of fulfillment, and an interior joy which seems to escape those who frantically chase after cheap thrills.

If we are really wise, we will ***"prefer the Wisdom of God to scepter and throne, for all good things come to us in her company."*** (Wisdom 7:8) Solomon chose Wisdom before everything else. But when he accepted Wisdom, he received everything else along with it.

In the Gospel of Mark 10:17-27, we are invited to give away like Jesus invited the Young man to give away, but sadly, we are like the man in the Gospel, who did not want to let go of the one thing the Lord wanted from him. We must give priority to God in our lives, not to our possessions. This Sunday's readings remind us that we do not possess anything in our life that we refuse to surrender to the Lord. These things often possess us, and we become the prisoners of our possessions when we give our "things" top priority in our lives.

Jesus wants to let us know that true religion consists in one's sharing one's blessings with others, rather than hoarding and/or getting inordinately attached to them. God does not ask us to give up our riches, but He does ask us to use them wisely in His service, not allowing them to gain control over our hearts. God gives us time, talents, health, and wealth that we may use them as good stewards in the service of others. Let us invite God into our lives daily, by praying for the strengthening grace and anointing of His Holy Spirit, so that we may give God priority, keeping the Bible as our guide.

I am really thankful to God for giving us generous parishioners who are ready to support financially the **Call to Renew Campaign** for the glory of God. We are completing the process of this campaign and with prayerful discernment our parishioners have taken the challenge to fulfill the pledged goal. May God bless you!

Fr. Joachim Lepcha

¡Regalar!

Sí, no es fácil desprenderse de cualquier cosa que sea buena o querida para nosotros; también es muy difícil renunciar a nuestros propios malos hábitos o a cualquier cosa que poseamos que nos importe. Enfrentémoslo. La renuncia a cualquier cosa en cualquier forma va a doler, como le dolió a San Pablo cuando tuvo que renunciar a todo su pasado para seguir a Cristo, le dolió tan profundamente que gimió: **"La palabra de Dios es más cortante que cualquier espada de dos filos".** (Heb. 4:12) Lo más positivo es que la Sabiduría de Dios, nos asegura que a cambio de lo que renunciamos, seremos recompensados con una vida eterna centuplicada en esta vida; es decir, una paz interior, un profundo sentimiento de plenitud y una alegría interior que parece escapar a los que persiguen frenéticamente las emociones baratas.

Si somos realmente sabios, **"preferiremos la Sabiduría de Dios al cetro y al trono, porque todos los bienes nos llegan en su compañía".** (Sabiduría 7:8) Salomón eligió la Sabiduría antes que todo lo demás. Pero cuando aceptó la Sabiduría, recibió todo lo demás junto con ella.

En el Evangelio de Marcos 10:17-27, se nos invita a dar como Jesús invitó al Joven a dar, pero tristemente, somos como el hombre del Evangelio, que no quiso soltar lo único que el Señor quería de él. Debemos dar prioridad a Dios en nuestra vida, no a nuestras posesiones. Las lecturas de este domingo nos recuerdan que no poseemos nada en nuestra vida que nos neguemos a entregar al Señor. Estas cosas a menudo nos poseen, y nos convertimos en prisioneros de nuestras posesiones cuando damos a nuestras "cosas" la máxima prioridad en nuestras vidas.

Jesús quiere hacernos saber que la verdadera religión consiste en compartir las propias bendiciones con los demás, en lugar de acapararlas y/o apegarse desmesuradamente a ellas. Dios no nos pide que renunciemos a nuestras riquezas, pero sí nos pide que las utilicemos sabiamente a su servicio, sin permitir que se apoderen de nuestro corazón. Dios nos da el tiempo, los talentos, la salud y la riqueza para que los usemos como buenos administradores al servicio de los demás. Invitemos a Dios a entrar en nuestras vidas diariamente, orando por la gracia fortalecedora y la unción de su Espíritu Santo, para que podamos dar prioridad a Dios, manteniendo la Biblia como nuestra guía.

Estoy muy agradecido a Dios por habernos dado feligreses generosos que están dispuestos a apoyar económicamente la Campaña **Llamada a la Renovación** para la gloria de Dios. Estamos completando el proceso de esta campaña y con discernimiento en oración nuestros feligreses han tomado el reto de cumplir con la meta prometida. ¡Que Dios los bendiga!

Agnus Dei

After the sign of peace, the priest breaks the host into pieces, and prepares the patens or plates of hosts for the assembly. In the early church, "the breaking of the bread" was the name given to the entire Eucharistic liturgy, so central was this action to the meaning of the Christian life. For just as the one bread is broken and given to many people, the many are made one in receiving it.

During this ritual action, we sing an ancient litany, calling on Jesus as the "Lamb of God"—the words used by John the Baptist when he pointed to Jesus walking beside the Jordan River (John 1:29, 36). In calling Jesus "the Lamb of God," John was already pointing to the death that Jesus would die: in giving his life, Jesus would become the Paschal Lamb of the new covenant. During the Mass, when we call on the Lamb of God, we call to mind his self-sacrificing love, his blood poured out for us, and we ask this compassionate Lord for mercy and peace.

CALLED TO RENEW

Dear Sisters and brothers in Christ,

We have re-launched our **Call to Renew** campaign this month , October 2021. I have started to contact the families of our parish to pledge to this campaign. Some have answered positively and to others I have left a message in hopes to meet them in person soon.

Our Goal, $1,090.000 and we have achieved $520k (48% of our goal.) I thank our parishioners who are faithfully supporting the campaign thus almost completing 50% of the goal. Today, I encourage all our parishioners to join in this campaign so that together we may have total success.

If we complete our goal, our parish will be profiting half the funds raised. It means we will receive $545K for our own needs. After prayerful consideration and study, the Parish Pastoral Council along with the Pastor have identified the most pressing needs in our community:

1.Renovation of the Convent, converting the building into a **Parish Center** which will create a proper parish office, a conference room, an office for the DRE, and allow for the planning of other facilities. **2.Renovation of the rectory, 3.Church Air Conditioning**.

This campaign seeks to raise 500 million in transformative gifts from the parishes of the Archdiocese with a focus on:

Strengthening our Parishes
$375 Million

Serving the Vulnerable
$30 Million

Supporting Priestly Vocations
$30 Million

Investing in the Faith of the future
$65 Million

Please take a moment to prayerfully discern how you may most generously support this campaign. I also encourage you to consider making a five-year pledge, which will allow us the best opportunity to achieve our goal. This is a wonderful parish and I have faith and confidence in 'you' my parishioners. May our Mother Mary accompany us through this campaign!

Thank you in advance for your faithful support.

Did you know?

What to do before administering baby or child first aid

When a child or baby is experiencing a medical crisis, it is important to provide care and seek help as quickly as possible. But because their bodies are still forming, more delicate, and more compact than an adult's, delivering child or baby first aid is different than administering care to an adult. Please review the following steps provided by the American Red Cross, https://www.redcross.org/take-a-class/first-aid/performing-first-aid/child-baby-first-aid.

¿ Sabias Que ?

Qué hacer antes de administrar primeros auxilios a bebés o niños

Cuando un niño o un bebé experimenta una crisis médica, es importante darle atención y buscar ayuda lo antes posible. Pero debido a que sus cuerpos aún se están formando, y son más delicados y más compactos que los de un adulto, dar primeros auxilios a niños o a bebés es distinto a darle atención a un adulto. Revise los siguientes pasos proporcionados en inglés por la Cruz Roja Americana, https://www.redcross.org/take-a-class/first-aid/performing-first-aid/child-baby-first-aid.
