Our Parish Mission Statement:

Gathered as a family of faith in Christ Jesus, strengthened by His Word and Sacraments, we will set a living example of our faith by:

- **Seeking Christ in all we meet**
- **Giving of our time, talent and treasure**
- **Supporting and strengthening our community and Sharing our Faith**

Dear Parish Family,

I have been intrigued by the recent pictures that have been coming "back to earth" of stars and constellations and universes with the latest telescopes. Fascinating – truly amazing. While God's beauty in creation cannot be seen in its entirety, we are seeing more and more. What a gift! These breath-taking pictures draw us beyond ourselves. We recognize there is so much more.

This weekend we have the opportunity to participate in World Mission Sunday. We are a part of the "universal" Church – what a gift! The Society of the Propagation of the Faith is the instrument the Church uses to help share resources so the Gospel can be spread to all parts of the world. Missionaries and Dioceses all over the world need the support of others to share the Good News. The Society for the Propagation of the Faith is needed now more than ever to help bring those resources to those most in need. Thank you for sharing in the mission of the Church.

We continue to see that much is happening and there are lots of "asks" for help. May the Holy Spirit guide us as we individually and communally grow as the Body of Christ. God Bless. Fr. Ron
