Michaelite Fathers

From the Desk of Stephanie Carder

February 18, 2018 | First Sunday of Lent

I don't want to assume anything about your relationship with the Trinity, but I know for me, the person of the Holy Spirit was always somewhat of a mystery.

With all of this talk about the New Evangelization, Unleashing the Gospel through the power of the Holy Spirit and moving from a maintenance to missionary Church, have we paused to ask ourselves if we really *know anything* about the Holy Spirit?

Many Catholics know God as their Father and Jesus as their friend, yet just as many are unsure of the third person of the Holy Trinity in their spiritual lives.

If you feel as if God's love in your life is missing, stagnant, trapped or cold; if you have never really felt like a child of God, or as if your love for Him never reaches out and fills your whole life; if you've ever wondered how a relationship with God could be personal, or if a relationship with God could be relatable to your every moment, I invite you to get to know the wild and wonderful Holy Spirit. If you only have a relationship with Jesus, and/or with God the Father, you are missing a piece of being in relationship with Him. He wants to pour into your life love and fullness like you've never experienced before through the Holy Spirit.

Where to start? I invite you to join the youth group in watching **The Wild Goose Series** by Father Dave Pivonka on Formed.org (our Parish code gives you a free subscription:**6ZGVKQ**) or visit **thewildgooseisloose.com** to start your journey towards getting to know the Holy Spirit. If you can do it with a group of friends, even better! We all need to decompress what we learn and where we are at on our journey with God. We have really enjoyed it so far.

On a personal level, I can tell you I began to know the Holy Spirit through Adoration on retreat with the youth group (so yeah...like one year ago) and I am only beginning to tap into my relationship with the Holy Spirit. The Holy Spirit has convicted me in my faith and in the fact that I am loved as His child like no other experience I have had and I can't wait to see what else the Holy Spirit has in store for me. Pray for God (if you dare) to pour forth into your heart His love and to awaken a Pentecost like that of the apostles through the Holy Spirit in you. Sometimes this will happen right away and other times we have to keep asking. All I know is this: God wants you to feel His love through the Holy Spirit, so if you haven't tried it yet...do

Stephanie Carder

We bring together and welcome into our Catholic Community a richly diverse people to pray, to serve, and to learn in the name and presence of Jesus Christ.

School News

Despite the intrusive snow resulting in a snow day, I am still happy to report how well things are going at school! Students and teachers have been working hard on increasing skills and meeting goals, and great progress is being made. February always proves to be a busy month even though there are less actual days at school. The students and staff are looking forward to our winter break that begins on Monday. Please remember that the students do the Stations of the Cross every Friday, so if you can please join us on March 2 at 12:20 in the Church. This week our school news highlights the middle school classes taught by Mrs. Beach.

Science:

- 6th grade just wrapped up minerals with their identifying minerals lab last week. They are now working on the three main types of rocks; igneous, sedimentary, and metamorphic!
- 7th science is working on genetics and heredity. They just did an activity looking at Mendelian traits such as attached or detached earlobes, or freckles or no freckles. They will be starting a pedigree project next week!
- 8th grade Science class is continuing to learn about the systems of the human body. Last week the students wrapped up of the circulatory system and are now starting the respiratory system which will be followed by the lymphatic system. By mid or the end of the semester 8th grade should be concluding their frog dissection as the culminating project. If that isn't enough, the 8th graders will be starting Chemistry for the 4th quarter.

History:

- The 7th grade is working on the Revolutionary War and will be looking at the creation of the United States Constitution.
- The 8th grade just finished the Civil War we are now moving into the Reformation period of the America Workplace.

Religion:

- In 7th grade Religion, we just finished looking at the sacraments of initiation; Baptism and Confirmation. We are now moving into learning about the Eucharist.
- 7th grade should be wrapping up their service hours for this year in this 3rd quarter.
- We also celebrated the induction of 8 of our class members into the National Junior Honor Society (NJHS).

Every Catholic School in the Archdiocese of Detroit is going through a Strategic Planning process. As part of the process, the AOD has included a survey for parishioners, parents, and students in grades 5-8. The survey was compiled by representatives of the Center for Catholic School Effectiveness at Loyola University. To receive the most accurate information, I am asking the parishioners

to voice their opinions by taking part in this survey. You can go to the parish or school website and find the Survey box. Click on **"Go to Survey"** and begin the process. The AOD extended the window of completion from February 13th to February 20th.
Thank you for your support.

A couple points of clarification:

- You will be asked with which Catholic School you are affiliated.
- If a question uses words like "everyone" or "all" please know that means around 80-85%.
- The first questions in the survey are opinion questions about Catholic Schools in general.
- If you find you can't answer some questions, please check the "I don't know" option.

With many blessings,
Ann Tonissen, Principal
Amanda Beach, Middle School Teacher

Catholic Services Appeal

Permanent Diaconate

Men who feel called to serve the Lord and His Church as a permanent deacon are invited to learn more about this vocation and the requirements for ordination during an information night at Detroit's Sacred Heart Major Seminary on Wednesday, February 28.

The ministry of a permanent deacon is threefold: ministry of the Word, ministry of the liturgy, and ministry of charity and justice. Deacons are a familiar sight in our parishes, where they assist the priest at Mass by preaching the Gospel and delivering the homily. Some also serve as chaplains at hospitals and colleges.

Your gifts to the Catholic Services Appeal support the Office for Clergy and Consecrated Life, and the Permanent Diaconate Information Team, as well as provide assistance for men in formation at Sacred Heart Major Seminary.

For more information about CSA-funded ministries, programs, and services, go to www.aod.org.

Stewardship Thoughts

First Sunday of Lent

Baptism and repentance is the common link in today's Scripture readings. In the Book of Genesis, God enters a covenant with Noah and his descendants to never again devastate the earth with a flood. St. Peter, in the Second Reading, refers to Noah and the flood: … Eight in all, were saved through water. This prefigured baptism, which saves you now. The sacrament of Baptism forgives sin and calls us to discipleship in Christ. Through joy and stewardship, we act out this call in charity and love of God and neighbor. At Easter, we strengthen our discipleship by renewing our baptismal promises, vowing to reject Satan and the glamour of evil in our lives. In the Gospel of St. Mark, Jesus holds firm against the devil's temptations in the desert. May we week the Lord's grace in times of weakness so we, too, can avoid temptation that leads to sin. This Lent, participate in the sacrament of Reconciliation to prepare yourself for the Risen Christ.

Faith Formation

LENT: Lent is a special time for everyone, young and old. It is the Church's springtime, a spiritual renewal. Just like we do spring cleaning, we do "soul searching" during the Church's springtime. So, what does this mean?

PRAYER: Make prayer time a little more special. Go to Mass during the week. Participate in Adoration, attend the Stations of the Cross, pray with intention, sing at the liturgy.

FASTING/SACRIFICE: Decide a practice that will help make you a "better version of yourself" like giving up swearing, call people you have not heard from recently, clean out your closet, go without coffee, cake, beer, a video game, a favorite show or perhaps having a rice meal.

ALMSGIVING/ACTS OF CHARITY: This is a practice of sharing our gifts. If you have "given up" something that cost money, be sure to put that money in your rice bowl. You may decide to visit the nursing home, take dinner to someone who is having a difficult time. It may be giving money so you do not spend it on unneeded items. Almsgiving is a reminder of those less fortunate.

I suggest you keep your Rice Bowl on your dining room table as a reminder to pray, fast and give alms. I pray you have a fruitful Lenten Season. God bless you.

Children's Catechesis: There is no Sunday family today or next Sunday and no Monday class, tomorrow, February 19.

Next Sunday, **February 25** there will be a **Rite of Enrollment for First Communion** at the 9:00 Mass. Parents, God parents, and children preparing for Reconciliation and Communion should meet in the vestibule at 8:45. Please have the child's baptismal candle with you. (If you have not found yours yet, be prepared to purchase one for $3.)

Following the Mass there will be a parent/child meeting in the social hall. Families are asked to bring a breakfast treat to share.

Grades 3 and 4 are asked to attend this Mass also and to bring a breakfast treat also. These young ones will be in the offertory procession.

Confirmation: Seventh and Eighth Graders preparing for the Sacrament of Confirmation have responsibilities that need to be met…this week. Grade 7 should have packets one and two returned and packet 3 by next week.

Grade eight St. Clare School students should have all Confirmation paperwork returned to Ms. Knaus. Students in Mrs. Valentic's class should have everything returned to her or the religious education office, NOW. Confirmation interviews have been moved to March 5th for Mrs. Valentic's class.

Faith Formation continued...

Adult Faith Formation: The study of the Acts of the Apostles continues Thursday evenings with a dinner at 6:30 and presentation at 7:10 and on Monday mornings at 9:00 and on Sundays with the Sunday family after the 9:00 Mass. There is also an opportunity for studying *History of the Church* on Friday mornings at 9:00.

If you cannot attend a planned program of faith formation, you are not excused from your personal faith formation! Read the Bible, a good spiritual book, use your Lenten book every day, find a program or movie on FORMED. BUT please do something to enhance your relationship with JESUS.

MOST OF ALL, please get to the greatest meal on earth, The Holy Eucharist each weekend.

First Week of Lent

- First Sunday of Lent - Do something special for yourself. What did you do? How did this make you feel?
- Monday - Take five to fifteen minutes and do nothing- hear, see, think, do nothing. Just relax and let the world disappear. Then write something good about yourself.
- Tuesday - Read Leviticus 19:1-18 - Choose one (1) verse. Reflect on how you can take this message to heart during this Lent. Describe or think about what you might do.
- Wednesday - Read Matthew 25:31-46. Think about what verse 45 means to you.
- Thursday - Re-read Matthew 25: 31-46. Ask yourself if it is easier for you to be the doer of the Works of Mercy or the receiver.
- Friday – Write down your thoughts on accepting what God and life hand to you.
- Saturday - Read the Third Commandment, Reflect on the Third Commandment. How does the Third Commandment apply to you?

Funeral Pre-Planning Seminar

Please join us Tuesday, February 27th at 7 p.m. to learn about the importance of funeral pre-planning.

Fr. Andrew will be discussing Catholic protocol for Catholic Funerals and what the Church asks of its faithful at the time of a death. Representatives from Resurrection Cemetery and Verheyden Funeral Home will be there to answer your questions and discuss the options available to you regarding decisions you must make at the time of someone's death, as well as, **the importance and value of pre-planning**. Come and get answers to the questions you have been wondering about at this educational seminar. Light refreshments will be served attendees, so we ask for your RSVP by February 25th. Please call the Parish Office (313-647-5000) to reserve a seat. There will be no admittance without an RSVP. If someone you loved passed away yesterday, what would you be doing today? Come and find out the answers.

Transition Team Update

We are off to a great start. We held our second meeting on Monday, February 12th at St Clare. Moving forward we will meet every two weeks rotating Monday evenings and Saturday mornings. Meeting locations will alternate between campuses. As a team, we want to ensure accurate and timely communication of all information and decisions made by the Transition Team and all publications will list the parishes and members of the committee alphabetically. The bulletins will be the main vehicle for this so we ask you to please pick up a bulletin and stay informed as to what is happening. A short Q & A segment will be included to address specific issues as they arise. As always I ask for your continued support, patience, and prayers as we navigate this process that is new to everyone.
