Dear Parishioners,

The Lord be with you! I am excited for this new assignment here at St. Michael. There is a true sense of history when you enter the campus. I wanted to take this opportunity to say "hello" to the community and I look forward to walking with you in your faith journey. St. Augustine once said "Faith is to believe what you do not see. The reward of faith is to see what you believe." I ask for your patience as I learn names, discover your spiritual histories, and become part of this community. Once again, hello and keep the faith!

God has been generous to each of us. Does God's generosity elicit in us a grateful response by the way we share our time, talent, and treasure?
